

## **CARSON CITY PUBLIC NOTICE**

On March 20, 2008, the Carson City Board of Supervisors will consider the adoption of an ordinance amendment which increases Carson City Landfill Rates as follows:

Carson City tonnage rates for Municipal Solid Waste (compacted and uncompact) are proposed to increase by \$1.00 (\$21.00 vs \$20.00)

Carson City tonnage rates for Class III (construction/demolition waste) are proposed to increase by \$0.50 (\$10.50 vs \$10.00).

Out-of County tonnage rates and minimum fees for Municipal Solid Waste and Class III waste are proposed to increase by 25%.

The additional revenue generated from the proposed increase is necessary to support General Fund operations and capital requirements.
