Attached is the Carson City Redevelopment Authority Tentative Budget for Fiscal Year 09/10. This budget is presented in accordance with NRS 354. This budget is fiscally sound, and all funds are balanced. It includes fund balances that are set aside to provide for future financing and cash flow requirements. The FY 09/10 Redevelopment Authority budget contains three governmental funds with total expenditures of \$3,689,470.

The ad valorem property tax rate has been established at \$3.1208 per \$100 of assessed valuation for FY 09/10. In FY 08/09, the assessed valuation in the Redevelopment District increased from \$87,101,590 to an estimated \$99,404,720 in FY 09/10. In fact, over the last three years, the assessed valuation of the district has increased at a reasonable rate.

The Redevelopment Authority Fund is financially stable for FY 09/10 and can meet its debt obligations. The Redevelopment District will continue to add new value to the ad valorem property tax base by attracting new projects, new construction and significant adaptive reuse of historic and meaningful buildings.

FY 08-09 Current Year Achievements

- Facilitated the rehabilitation of the vacant, blighted, former Wal-Mart building and the eventual new tenant, Burlington Coat Factory, which opened in October of 2008.
