A RESOLUTION OF THE CARSON CITY BOARD OF SUPERVISORS
PROCLAIMING FULL SUPPORT AND PARTICIPATION IN NEVADA'S
CENSUS 2010 CAMPAIGN.

WHEREAS, the decennial Census is required by Article 1, Section 2 of the Constitution of the United States of America; and,

WHEREAS, the Census presents a once-a-decade snapshot of the population and changing demographics of every community in the state; and,

WHEREAS, the residents of Carson City have a tremendous amount to gain through the Census process, given the need to accurately and completely assemble an accurate picture of the city's continued development; and,

WHEREAS, Congressional reapportionment, representation in the Nevada State Legislature, and the allocation of per-capita dollars are at stake in this process; and,

WHEREAS, a recent analysis by the Nevada State Data Center and Legislative Counsel Bureau indicate that every Nevadan missed by the Census reflects \$917 in lost per capita federal funding per year, making clear the enormous stakes in this process; and,

WHEREAS, businesses, community groups, and governments throughout the state are coming together over the next twelve months to form Complete Count Campaigns and to educate their fellow Nevadans on the importance of participation and multitude of job opportunities the Census represents.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and Board of Supervisors hereby proclaim full support and participation in Nevada's Census 2010 Campaign and will collaborate in statewide efforts for developing the Nevada Complete Count Campaign.

Good afternoon. I serve as the Chief Government Liaison for Nevada for the U.S. Department of Commerce. I'd like to speak at your July 16th meeting to brief the Mayor, Supervisors and relevant staff regarding our Census plans and to request passage of a resolution of support for Nevada's Census 2010 Campaign. As you know, the Census is extremely important here in Nevada due to the funding and Congressional representation at stake. It also means about 4,000 jobs for Nevada, another compelling need in these difficult economic times.

I am attaching a draft resolution I've prepared. Please email me back or call me at (702) 416-7054 to confirm my participation in the July 16th meeting.
