Subject:

2009 Certified Local Government grant 32-09-21834(2)

update

DISCUSSION:

The Certified Local Government Program was established by the National Historic Preservation Act (NHPA) of 1966. NHPA was created in reaction to the destruction of many historic resources using federal funding. NHPA established a national historic preservation program as a decentralized partnership between the federal government and the States. The NHPA provides an opportunity for local governments to strengthen their local historic preservation efforts.

Planning Division staff will provide the HRC and the general public with an update to the status of the 2009 Certified Local Government grant 32-09-21834(2), which will result in a Historic Structures Report for the Brewery Arts Center and the Performance Hall.

At this time, the District Attorney's office is reviewing the funding agreement associated with the project. The Planning Division has also been in contact with the consultants responsible for the preparation of the Historic Structures Reports and has provided them with the requested information.
