RE: Addendum to Item 8 on April 22, 2014 Audit Committee Agenda

There was a typographical error on the Carson City Audit Committee Agenda Report regarding Fraud Waste and Abuse (FWA) Program final report – Item 8 on the agenda. Under “Supporting Material” it should read “Draft Fraud Waste and Abuse (FWA) Program report provided by Moss Adams” rather than “Draft Fleet Management Utilization Study provided by Moss Adams”. There are no other changes to the Agenda Report.
