She explained she felt very strongly that Carson City should administer the contract for NDOT. She indicated that Chief Deputy District Attorney Mark Forsberg had been consulted with regard to entering into a new contract or amending the current contract. Mr. Forsberg's recommendation was to amend the current contract with Paratransit. Chairperson Bennett allowed time for review of the letter of intent and solicited comments; however, none were provided.

Chairperson Bennett requested that the amendment be drafted prior to the next regular meeting, and Mr. Reynolds indicated that the amendment would be drafted by Mr. Forsberg. Discussion took place regarding timed stops in Carson City, disability identification cards, and the location of various bus stops in Carson City. Ms. Stanio indicated that her specific instructions regarding the bus stop locations were not followed. Mr. Reynolds indicated that CCCT was never consulted with regard to the location of the bus stops even though he made several requests to participate in the decision making process. He advised that a tour of the existing stops is scheduled for August 11th with Mike Powers, of the RTC, Mr. Konze, and Ms. Stanio. Chairperson Bennett requested that Mr. Reynolds report to her his findings.
