

QUESTION NO. 4

Amendment to the Sales and Use Tax Act of 1955

Senate Bill No. 502 of the 74th Session

CONDENSATION (Ballot Question)

Shall the Sales and Use Tax Act of 1955 be amended to authorize the Legislature to amend or repeal any provision of this Act without an additional direct vote of the people whenever necessary to carry out any federal law or interstate agreement for the administration, collection or enforcement of sales and use taxes, and to repeal an exemption from the taxes imposed by this Act on certain aircraft and aircraft components?

EXPLANATION (Ballot Question)

This proposed amendment to the Sales and Use Tax Act of 1955 (Act) would authorize the Nevada Legislature to enact legislation amending or repealing any provision of this Act without obtaining additional voter approval whenever that legislation is necessary to carry out any federal law or interstate agreement for the administration, collection, or enforcement of sales and use taxes. The proposed amendment would not authorize the Legislature to enact any legislation that increases the rate of the tax imposed pursuant to this Act, currently 2 percent, without obtaining voter approval.

Additionally, this amendment would repeal an exemption from the taxes imposed by the Act for the sale of aircraft and major components of aircraft to a scheduled air carrier based in Nevada. The language in the Act providing this exemption from the state's portion of the sales and use tax was declared unconstitutional by the Nevada Supreme Court in 1997. Thus, although the language remains in the Act, the exemption is no longer provided to air carriers. The Legislature cannot enact legislation to remove this unconstitutional language from the Act without voter approval.

Existing law provides for the administration of sales and use taxes in Nevada pursuant to the Simplified Sales and Use Tax Administration Act, the Sales and Use Tax Act, and the Local School Support Tax Law. The state's portion of the sales and use tax is administered under provisions of the Act that were submitted to and approved by the voters at the 1956 General Election. These provisions cannot be amended or repealed without additional voter approval.

Nevada has entered into the interstate "Streamlined Sales and Use Tax Agreement" to simplify and modernize sales and use tax administration in order to reduce the burden of tax compliance for all sellers and types of commerce. To maintain compliance with the provisions the Agreement, the Legislature may be required to enact legislation amending the Sales and Use Tax Act and the Local School Support Tax Law in response to federal legislation approved by Congress affecting the Agreement or to interstate actions amending the Agreement. The Legislature has the authority to amend the Local School Support Tax Law without voter approval, but the Sales and Use Tax Act cannot be amended without voter approval.

A "Yes" vote would authorize the Legislature to amend or repeal any provision of the Sales and Use Tax Act of 1955 without voter approval in order to carry out federal law or interstate agreements for the administration, collection, or enforcement of the sales and use tax, except for legislation that

would increase the rate of tax imposed pursuant to the Act. A “Yes” vote would also repeal an exemption from the taxes imposed on the sale of aircraft and major components of aircraft to an air carrier based in Nevada.

A “No” vote would continue to require the Legislature to obtain voter approval before enacting any legislation amending or repealing any provision of the Sales and Use Tax Act of 1955, including legislation required to carry out federal law or an interstate agreement, and would retain the exemption for the sale of aircraft and major components of aircraft to an air carrier based in Nevada.

ARGUMENTS FOR PASSAGE

This proposed amendment would authorize the Nevada Legislature to amend or repeal provisions of the Sales and Use Tax Act without voter approval only for legislation necessary to comply with a federal law or an interstate agreement, such as the Streamlined Sales and Use Tax Agreement, for the administration, collection, and enforcement of sales and use taxes in Nevada. Authorizing the Legislature to enact legislation without voter approval would allow the Legislature to respond more flexibly and efficiently to federal legislation and interstate agreements.

This amendment does not authorize the Legislature to increase the rate of tax without voter approval. Thus, the sales and use tax rate for the state's portion of the tax (currently 2 percent) could not be increased by the Legislature without voter approval.

The language in the Sales and Use Tax Act of 1955 granting an exemption from the state's portion of the sales and use tax for the sale of aircraft and major components of aircraft to a scheduled air carrier based in Nevada was declared unconstitutional by the Nevada Supreme Court in 1997. This exemption has not been allowed by the Department of Taxation to any air carrier based in Nevada since it was declared unconstitutional. The purpose of repealing this exemption is simply to eliminate obsolete language. The repeal will not impact any air carrier because the unconstitutional exemption is not being offered.

ARGUMENTS AGAINST PASSAGE

Amendments to the Sales and Use Tax Act of 1955 have required voter approval since 1956 when Nevada voters approved the Act through the constitutional referendum process. Since 1956, the Department of Taxation has been able to administer sales and use taxes and the Nevada Legislature has been able to enact appropriate legislation to maintain compliance with federal law and interstate agreements with voter approval when required. The citizens of Nevada should not surrender their right to approve legislation that makes changes to the administration, collection, and enforcement of sales and use taxes whether to comply with federal law or interstate agreements, or for any other reason.

Finally, there is no need to repeal the unconstitutional language concerning aircraft from the Act because it is not being applied.

FISCAL NOTE

Financial Impact – Cannot Be Determined

If this proposal to amend the Sales and Use Tax Act of 1955 is approved by voters, the Nevada Legislature would be authorized to amend the Act without voter approval for legislation necessary to carry out federal law or interstate agreements affecting the administration, collection, or enforcement of the sales and use tax in Nevada. It cannot be determined with any degree of certainty what changes to federal law or existing interstate agreements may occur and the legislative actions that would be required by the Legislature to maintain compliance with the federal law or these interstate agreements, such as the Streamlined Sales and Use Tax Agreement. If this proposed amendment is not approved, and voter approval is still required, it cannot be determined which legislative actions may or may not be approved by voters. Thus, the financial impact on the sales and use taxes collected in the state or individual taxpayers cannot be determined.

Since the proposed amendment to repeal the exemption from the State 2 percent sales and use tax for the sale of aircraft and major components of aircraft to a scheduled air carrier which is based in Nevada has been declared unconstitutional and is not currently provided to any air carrier in the state by the Department of Taxation, there is no financial impact.

FULL TEXT OF MEASURE

Senate Bill No. 502–Committee on Taxation

CHAPTER.....

AN ACT relating to taxes on retail sales; revising various provisions governing sales and use taxes to ensure continued compliance with the Streamlined Sales and Use Tax Agreement; providing for the direct payment by certain purchasers of any sales and use taxes due to an Indian reservation or Indian colony in this State; providing for the submission to the voters of the question whether the Sales and Use Tax Act of 1955 should be amended to repeal a tax exemption for the sale of aircraft and major components of aircraft to an airline based in Nevada and to authorize the Legislature to amend or repeal a provision of that Act without additional voter approval when necessary to carry out a federal law or interstate agreement for the administration of sales and use taxes; repealing certain obsolete provisions for the administration of sales and use taxes; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides for the administration of sales and use taxes in this State pursuant to the Simplified Sales and Use Tax Administration Act, the Sales and Use Tax Act and the Local School Support Tax Law. (Chapters 360B, 372 and 374 of NRS) Under existing law, the Legislature has found and declared that this State should enter into an interstate agreement to simplify and modernize sales and use tax administration to reduce the burden of tax compliance for all sellers and types of commerce. (NRS 360B.020) Existing law requires the Nevada Tax Commission to enter into the Streamlined Sales and Use Tax Agreement and take all other actions reasonably required to implement the provisions of the Agreement. (NRS 360B.110) **Sections 2, 5-7 and 15-17** of this bill set forth and clarify various administrative definitions required pursuant to the Agreement, as amended. **Section 3** of this bill contains the requirements of a recent amendment to the Agreement regarding the certification by the State of the software of certain computer programs that calculate the taxes due on a sale and the provision of a limited waiver of liability for the persons who rely on that certification. **Section 9** of this bill carries out a recent

amendment to the Agreement regarding the conditions under which multiple remittances of taxes may be required for a single tax return from a seller who registers under the Agreement. **Section 10** of this bill clarifies the duties of the Department of Taxation to post on its website certain tax information required by the Agreement. **Section 11** of this bill clarifies the statutory provisions governing the contents and use of a list required by the Agreement for determining the combined rate of taxes imposed in each zip code.

Section 12 of this bill carries out and clarifies the requirements of the Agreement, as amended, to waive the liability of sellers and purchasers who rely on the tax information posted on the Department's website in accordance with the Agreement. Existing law authorizes a person who obtains a direct pay permit to pay any applicable sales and use taxes due on certain purchases directly to this State and its local governments instead of to the seller. (NRS 360B.260)

Section 13 of this bill additionally provides for the direct payment of any applicable sales and use taxes due on such a purchase to an Indian reservation or Indian colony in this State. Under existing law, persons who desire to conduct business as sellers in this State must register pursuant to the Streamlined Sales and Use Tax Agreement or obtain permits from the Department of Taxation. (NRS 372.125 and 374.130)

Sections 18-20 and 28-30 of this bill clarify that the statutory provisions applicable to an application for such a permit do not apply to the registration of a seller pursuant to the Agreement. Existing law creates a presumption that a sale is subject to sales and use taxes unless the seller obtains a certificate from the purchaser indicating that the property is purchased for resale. (NRS 372.155, 372.225, 374.160, 374.230)

Sections 21-25 and 31-35 of this bill revise the statutory provisions governing resale certificates to combine some of the existing provisions for clarity and to carry out the requirements of the Streamlined Sales and Use Tax Agreement regarding the acceptance of resale certificates from certain third-party vendors, the contents of resale certificates and the liability of a seller for the improper use of a resale certificate by a purchaser. Existing law prohibits the Department of Taxation, in administering use taxes, from considering the taxability of certain property acquired free of charge at a convention, trade show or other public event. (NRS 372.7275, 374.726)

Sections 27 and 37 of this bill ensure that existing law does not appear to create a threshold for the application of a sales or use tax, as prohibited by the Streamlined Sales and Use Tax Agreement. Existing law authorizes the adoption of an ordinance for the imposition of a sales and use tax in Clark County to employ and equip additional police officers. (Clark County Sales and Use Tax Act of 2005) **Section 38** of this bill revises the requirements for such an ordinance in accordance with the provisions of the Streamlined Sales and Use Tax Agreement requiring a common state and local tax base and imposing restrictions on the date of implementation of changes in tax rates. Existing law includes various provisions of the Sales and Use Tax Act of 1955. (NRS 372.010-372.115, 372.185-372.205, 372.260-372.284, 372.285-372.325, 372.327-372.345, 372.350) Under existing law, the provisions of that Act, which was submitted to and approved by the voters at the 1956 General Election, cannot be amended or repealed without additional voter approval. (Nev. Const. Art. 19, §1) **Sections 39-47** of this bill provide for the submission to the voters of an amendment to that Act to authorize the Legislature to amend that Act without any additional voter approval as necessary to carry out any federal law or interstate agreement for the administration of sales and use taxes, unless the amendment would increase the rate of a tax imposed pursuant to that Act, and to repeal a section of that Act that was declared unconstitutional by the Nevada Supreme Court in *Worldcorp v. State, Department of Taxation*, 113 Nev. 1032 (1997).

Section 49 of this bill repeals NRS 360B.270 in accordance with a recent amendment to the Streamlined Sales and Use Tax Agreement, NRS 372.160, 372.230, 374.165 and 374.235, the provisions of which have been incorporated into other statutes by **sections 21, 24, 31 and 34** of this bill, NRS 372.728 and

374.728, which are obsolete, and, if the proposed amendment to the Sales and Use Tax Act of 1955 is approved by the voters, NRS 372.726, which provides for the administration of the section that was declared unconstitutional.

The provisions of subsection 2 do not require the waiver of any liability for the incorrect classification of an item or transaction regarding which notice was provided to the certified service provider or registered seller pursuant to this subsection if the incorrect classification occurs more than 10 days after the receipt of that notice.

360B.200 1. The Department shall, in cooperation with any other states that are members of the Agreement, establish and maintain a central, electronic registration system that allows a seller to register to collect and remit the sales and use taxes imposed in this State and in the other states that are members of the Agreement.

2. A seller who registers pursuant to this section agrees to collect and remit sales and use taxes in accordance with the provisions of this chapter, the regulations of the Department and the applicable law of each state that is a member of the Agreement, including any state that becomes a member of the Agreement after the registration of the seller pursuant to this section. The cancellation or revocation of the registration of a seller pursuant to this section, the withdrawal of a state from the Agreement or the revocation of the Agreement does not relieve a seller from liability pursuant to this subsection to remit any taxes previously or subsequently collected on behalf of a state.

3. When registering pursuant to this section, a seller may:

(a) Elect to use a certified service provider as its agent to perform all the functions of the seller relating to sales and use taxes, other than the obligation of the seller to remit the taxes on its own purchases;

(b) Elect to use a certified automated system to calculate the amount of sales or use taxes due on its sales transactions;

4. A seller who registers pursuant to this section agrees to submit its sales and use tax returns, and to remit any sales and use taxes due, to the Department at such times and in such a manner and format as the Department prescribes by regulation. Those regulations must:

(a) Require from each seller who registers pursuant to this section:

(1) Only one tax return for each taxing period for all the sales and use taxes collected on behalf of this State and each local government in this State; and

(2) Only one remittance of taxes for each tax return, except that the Department may require additional remittances of taxes if [:(I) **The seller collects**] *the seller:*

(I) **Collects** more than \$30,000 in sales and use taxes on behalf of this State and the local governments in this State during the preceding calendar year;

(II) **[The] Is allowed to determine the** amount of **[the] any** additional remittance **[is determined]** by a method of calculation instead of by the actual amount collected; and

(b) Allow any seller who registers pursuant to this section and makes an election pursuant to paragraph (a), (b) or (c) of subsection 3 to submit tax returns in a simplified format that does not include any more data fields than are permitted in accordance with the Agreement.

(c) Allow any seller who registers pursuant to this section, does not maintain a place of business in this State and has not made an election pursuant to paragraph (a), (b) or (c) of subsection 3, to file tax returns at a frequency that does not exceed once per year unless the seller accumulates more than \$1,000 in the collection of sales and use taxes on behalf of this State and the local governments in this State.

(d) Provide an alternative method for a seller who registers pursuant to this section to make tax payments the same day as the seller intends if an electronic transfer of money fails. (e) Require any data that accompanies the remittance of a tax payment by or on behalf of a seller who registers pursuant to this section to be formatted using uniform codes for the type of tax and payment in accordance with the Agreement.

5. The registration of a seller and the collection and remission of sales and use taxes pursuant to this section may not be considered as a factor in determining whether a seller has a nexus with this State for the purposes of determining his liability to pay any tax imposed by this State.

Sec. 10. NRS 360B.230 is hereby amended to read as follows:

360B.230 1. The Department shall post on a website or other Internet site that is operated or administered by or on behalf of the Department [:], ***in any format which may be required by the Agreement:*** (a) The rates of sales and use taxes for this State and for each local government ***and Indian reservation or Indian colony*** in this State that imposes such taxes. **[The Department shall identify this State and each local government using the Federal Information Processing Standards developed by the National Institute of Standards and Technology.]**

(b) Any change in those rates.

(c) Any amendments to the statutory provisions and administrative regulations of this State governing the registration of sellers and the collection of sales and use taxes.

(d) Any change in the boundaries of local governments in this State that impose sales and use taxes.

(e) The list maintained pursuant to NRS 360B.240.

(f) ***A matrix for determining the taxability of products in this State and any change in the taxability of a product listed in that matrix.***

(g) Any other information the Department deems appropriate. 2. The Department shall make a reasonable effort to provide sellers with as much advance notice as possible of any changes or amendments required to be posted pursuant to subsection 1 and of any other changes in the information posted pursuant to subsection 1. Except as otherwise provided in NRS 360B.250, the failure of the Department to provide such notice and the failure of a seller to receive such notice does not affect the obligation of the seller to collect and remit any applicable sales and use taxes.

Sec. 11. NRS 360B.240 is hereby amended to read as follows:

360B.240 1. The Department shall maintain a list that denotes for each five-digit and nine-digit zip code in this State the combined rates of sales taxes and the combined rates of use taxes imposed in the area of that zip code, and the applicable taxing jurisdictions **[.] , including, without limitation, any pertinent Indian reservation or Indian colony.** If the combined rate of all the sales taxes or use taxes respectively imposed within the area of a zip code is not the same for the entire area of the zip code, the Department shall denote in the list the lowest combined tax rates for the entire zip code.

2. If a street address does not have a nine-digit zip code or if a registered seller **or certified service provider** is unable to determine the nine-digit zip code **[of a purchaser] applicable to a purchase** after exercising due diligence to determine that information, that seller **or certified service provider** may, except as otherwise provided in subsection 3, apply the rate denoted for the five-digit zip code in the list maintained pursuant to this section. For the purposes of this subsection, there is a rebuttable presumption that a registered seller **or certified service provider** has exercised due diligence if the seller **or certified service provider** has attempted to determine the nine-digit zip code **[of a purchaser] applicable to a purchase** by using software approved by the Department which makes that determination from the street address and five-digit zip code **[of the purchaser.] applicable to the purchase.**

3. The list maintained pursuant to this section does not apply to and must not be used for any transaction regarding which a purchased product is received by the purchaser at the business location of the seller.

Sec. 12. NRS 360B.250 is hereby amended to read as follows:

360B.250 The Department shall **[waive any liability of] :**

1. If a registered seller **[and a certified service provider acting on behalf of a registered seller who,] fails to collect the correct amount of any sales or use tax imposed in this State** as a result of his reasonable reliance on the information posted pursuant to NRS 360B.230 or his compliance with subsection 2 of NRS 360B.240, **[collects the incorrect amount of any sales or use tax imposed in this State,] waive any liability of the registered seller** for:

[1.] (a) The amount of the sales or use tax which the registered seller **[and certified service provider fail] fails** to collect as a result of that reliance; and

[2.] (b) Any penalties and interest on that amount.

2. If a certified service provider acting on behalf of a registered seller fails to collect the correct amount of any sales or use tax imposed in this State as a result of his reasonable reliance on the information posted pursuant to NRS 360B.230 or his compliance with subsection 2 of NRS 360B.240, waive any liability of the certified service provider, and of the registered seller on whose behalf the certified service provider is acting, for:

(a) The amount of the sales or use tax which the certified service provider fails to collect as a result of that reliance; and

(b) Any penalties and interest on that amount.

3. Waive any liability of a purchaser for any sum for which the liability of a registered seller or certified service provider is required to be waived pursuant to subsection 1 or 2 with regard to a transaction involving that purchaser.

4. If a purchaser fails to pay the correct amount of any sales or use tax imposed in this State as a result of his reasonable reliance on the information posted pursuant to NRS 360B.230, waive any liability of the purchaser for:

- (a) *The amount of the sales or use tax which the purchaser fails to pay as a result of that reliance; and*
- (b) *Any penalties and interest on that amount.*

Sec. 13. NRS 360B.260 is hereby amended to read as follows:

[5. If a purchaser who has obtained a direct pay permit purchases tangible personal property that will be available for use digitally or electronically in more than one jurisdiction, he may, to determine the amount of tax that is due to this State or to a local government of this State, use any reasonable, consistent and uniform method to apportion the use of the property among the various jurisdictions in which it will be used that is supported by the purchaser's business records as they exist at the time of the consummation of the sale.]

Sec. 14. NRS 360B.290 is hereby amended to read as follows:

(2) The purchaser identifies himself to the seller as a member of a group or organization entitled to a price reduction or discount. For the purposes of this subparagraph, a preferred customer card that is available to any patron does not constitute membership in such a group.

(3) The price reduction or discount is identified as a third party price reduction or discount on the invoice received by the purchaser or on a coupon, certificate or other documentation presented by the purchaser.

Sec. 10. An ordinance enacted pursuant to this act must include provisions in substance as follows:

1. A provision imposing a tax on the gross receipts of any retailer from the sale of all tangible personal property sold at retail or stored, used or otherwise consumed in the County, including incorporated cities in the County, at a rate of:

(a) One-quarter of 1 percent if the date on which the tax must first be imposed is on October 1, 2005; and

(b) Up to an additional one-quarter of 1 percent if the date on which the increased rate must first be imposed is on or after October 1, 2009, and if the Legislature first approves the increased rate, the total rate not to exceed one-half of 1 percent.

2. Provisions substantially identical to those contained in chapter 374 of NRS, insofar as applicable.

3. A provision that an amendment to chapter 374 of NRS enacted after the effective date of the ordinance, not inconsistent with this act, automatically becomes part of the ordinance imposing the tax.

4. A provision that the Board shall contract with the Department, before the effective date of the ordinance, to perform all the functions incident to the administration or operation of the tax in the County.

5. A provision that **[exempts from the tax the gross receipts from] a purchaser is entitled to a refund, in accordance with the provisions of NRS 374.635 to 374.720, inclusive, of the amount of the tax required to be paid that is attributable to the tax imposed upon** the sale of, and the storage, use or other consumption in the County, including incorporated cities in the County, of, tangible personal property used for the performance of a written contract for the construction of an improvement to real property:

(a) That was entered into on or before the effective date of the tax; or

Sec. 39. The Legislature hereby finds and declares that:

1. There has been a rapid increase during recent years in the conduct of interstate commerce through telecommunication and electronic means.
2. Many of the merchants who transact these forms of interstate commerce have been discouraged by the substantial burdens of ascertaining and complying with the extremely diverse and detailed tax laws of each state from making the efforts necessary to collect sales and use taxes on behalf of the states in which they do not maintain a place of business.
3. As a result of the proliferation of these forms of interstate commerce and federal restrictions on the ability of each state to collect sales and use taxes from merchants who do not maintain a place of business in that state, the people of this State are losing millions of dollars in state and local tax revenue.
4. The nonpayment of Nevada sales and use taxes by merchants in other states provides those merchants with an unfair competitive advantage over local merchants who lawfully pay the sales and use taxes due in this State.
5. As a result of the similarity of these circumstances in the various states, considerable efforts are being made to provide more uniformity, simplicity and fairness in the administration and collection of sales and use taxes in this country, including the introduction and consideration of Congressional legislation and the participation by Nevada and many other states in the Streamlined Sales and Use Tax Agreement.
6. Compliance with the Streamlined Sales and Use Tax Agreement and its amendments has and will continue to require amendments to the Nevada Sales and Use Tax Act, and it is anticipated that any Congressional legislation will also necessitate such amendments.
7. The Nevada Sales and Use Tax Act was approved by referendum at the General Election in 1956 and therefore, pursuant to Section 1 of Article 19 of the Constitution of the State of Nevada, may not be “amended, annulled, repealed, set aside, suspended or in any way made inoperative except by the direct vote of the people.”
8. Unlike the circumstances in other states where legislatures have the direct authority to amend sales and use tax laws in a timely manner, the period required for the legislative enactment and subsequent voter approval of any necessary amendments to the Nevada Sales and Use Tax Act has placed the ability of this State to comply with the Streamlined Sales and Use Tax Agreement and any Congressional legislation in serious jeopardy.
9. It would be beneficial to the public welfare for the people of this State by direct vote to authorize the Legislature to enact without any additional voter approval such amendments to the Nevada Sales and Use Tax Act as it determines to be necessary to carry out any Congressional legislation or interstate agreements for the administration, collection or enforcement of sales and use taxes.

Sec. 40. At the General Election on November 4, 2008, a proposal must be submitted to the registered voters of this State to amend the Sales and Use Tax Act, which was enacted by the 47th Session of the Legislature of the State of Nevada and approved by the Governor in 1955, and subsequently approved by the people of this State at the General Election held on November 6, 1956.

Sec. 41. At the time and in the manner provided by law, the Secretary of State shall transmit the proposed act to the several county clerks, and the county clerks shall cause it to be published and posted as provided by law.

Sec. 42. The proclamation and notice to the voters given by the county clerks pursuant to law must be in substantially the following form:

Notice is hereby given that at the General Election on November 4, 2008, a question will appear on the ballot for the adoption or rejection by the registered voters of the State of the following proposed act:

AN ACT to amend an Act entitled “An Act to provide revenue for the State of Nevada; providing for sales and use taxes; providing for the manner of collection; defining certain terms;

providing penalties for violation, and other matters properly relating thereto.” approved March 29, 1955, as amended.

THE PEOPLE OF THE STATE OF NEVADA DO ENACT AS FOLLOWS:

Section 1. The above-entitled Act, being chapter 397, Statutes of Nevada 1955, at page 788, is hereby amended by adding thereto a new section to be designated as section 153.5, immediately following section 153.2, to read as follows:

Sec. 153.5. The people of the State of Nevada hereby authorize the Legislature to enact, without an additional direct vote of the people, legislation that amends, annuls, repeals, sets aside, suspends or otherwise makes inoperative any provision of this Act, being chapter 397, Statutes of Nevada 1955, at page 762, whenever the Legislature determines that such legislation is necessary to carry out any federal statute or regulation or interstate agreement providing for the administration, collection or enforcement of sales and use taxes, unless such legislation would increase the rate of any tax imposed pursuant to this Act.

Sec. 2. Section 61.5 of the above-entitled Act, being chapter 397, Statutes of Nevada 1955, as added by chapter 466, Statutes of Nevada 1985, at page 1441, is hereby repealed.

Sec. 3. This act becomes effective on January 1, 2009.

Sec. 43. The ballot page assemblies and the paper ballots to be used in voting on the question must present the question in substantially the following form:

Shall the Sales and Use Tax Act of 1955 be amended to repeal an exemption from the taxes imposed by this Act on the gross receipts from the sale of aircraft and major components of aircraft to scheduled air carriers based in this State, and to authorize the Legislature to amend or repeal any provision of this Act without an additional direct vote of the people whenever necessary to carry out any federal law or interstate agreement for the administration, collection or enforcement of sales and use taxes?

Yes _ No _

Sec. 44. The explanation of the question which must appear on each paper ballot and sample ballot and in every publication and posting of notice of the question must be in substantially the following form:

(Explanation of Question)

The proposed amendment to the Sales and Use Tax Act of 1955 would repeal an exemption from the taxes imposed by this Act for the sale of aircraft and major components of aircraft to a scheduled air carrier which is based in Nevada, and would authorize the Legislature to enact legislation amending or repealing any provision of this Act without obtaining additional voter approval whenever that legislation is necessary to carry out any federal law or interstate agreement for the administration, collection or enforcement of sales and use taxes. The proposed amendment would not authorize any legislation that increases the rate of any tax imposed pursuant to this Act.

Sec. 45. If a majority of the votes cast on the question is yes, the amendment to the Sales and Use Tax Act of 1955 becomes effective on January 1, 2009. If less than a majority of votes cast on the question is yes, the question fails and the amendment to the Sales and Use Tax Act of 1955 does not become effective.

Sec. 46. All general election laws not inconsistent with this act are applicable.

Sec. 47. Any informalities, omissions or defects in the content or making of the publications, proclamations or notices provided for in this act and by the general election laws under which this election is held must be so construed as not to invalidate the adoption of the act by a majority of the registered voters voting on the question if it can be ascertained with reasonable certainty from the official

returns transmitted to the office of the Secretary of State whether the proposed amendment was adopted by a majority of those registered voters.

Sec. 48. The amendatory provisions of section 38 of this act do not apply to any ordinance enacted before October 1, 2007.
