# CDBG-R Amendment to 2008-09 Action Plan

## CARSON CITY, NEVADA

### Executive Summary

The purpose of this amendment to the 2008-09 CDBG Annual Action Plan is to identify projects for the allocation of \$118,516 in Community Development Block Grant funds to Carson City authorized under the American Recovery and Reinvestment Act of 2009 (ARRA). These funds are also known as CDBG-R program funds.

While the use of CDBG-R funds must meet the basic requirements of the regular CDBG program, there are also specific ARRA requirements to facilitate the expeditious use of the funds and to meet the ARRA objectives.

### Ensuring Responsible Spending of Recovery Act Funds

Funding available under the Recovery Act has clear purposes – to stimulate the economy through measures that modernize the Nation’s infrastructure, improve energy efficiency, and expand educational opportunities and access to health care. HUD strongly urges grantees to use CDBG-R funds for hard development costs associated with infrastructure activities that provide basic services to residents or activities that promote energy efficiency and conservation through rehabilitation or retrofitting of existing buildings. While the full range of CDBG activities is available to grantees, the Department strongly suggests that grantees consider the public perception of the intent of the Recovery Act in identifying and selecting projects for CDBG-R funding.

#### A. Proposed Activities

This Action Plan amendment adds two activities to be funded with the city’s CDBG-R allocation. These activities were selected based upon prior application for regular CDBG funding and lack of available CDBG funds to fully fund the activities. The attached spreadsheet summarizes each proposed activity in a format required by HUD for reporting CDBG-R activities. Following is a summary of the proposed activities and funding for each activity, and more detailed project descriptions as required by HUD are below.

**Activity Summary Table**

Activity	Total activity budget
Empire Elementary School Area ADA-Sidewalk Project	\$100,739
Family Enrichment Program Case Coordinator	\$17,777
Total Available CDBG-R funding:	\$118,516

## B. CDBG-R Information by Activity

### 1. EMPIRE ELEMENTARY SCHOOL AREA ADA-SIDEWALK IMPROVEMENT PROJECT.

CDBG-R funds budgeted	Other funds budgeted	Total activity budget
\$100,739	\$10,000	\$110,739

**Activity description:** There are streets in the neighborhood surrounding the Empire Elementary School without adequate sidewalks or sidewalks that do not comply with Americans with Disabilities Act (ADA) standards. This presents a safety issue since the neighborhood children do not have school bus service and walk to school. This also presents an accessibility issue for those in the neighborhood with disabilities who are unable to navigate existing streets and sidewalks to services within and around the neighborhood.

The project will construct new sidewalks as well as ADA-compliant corner curb ramps. Disabled persons and school children will benefit from increased accessibility in the neighborhood. The city will contribute by designing the improvements, managing the construction project, and inspecting the improvements, leaving the full amount of CDBG-R funding to be used towards the actual construction of improvements.

**Eligibility category:** Public facilities and improvements. (CFR 24 Sec. 570.201[c])

**National objective:** Benefiting low- to moderate income persons; suitable living environment, accessibility. (CFR 24 Sec. 570.208(a)[1])

**Meeting ARRA requirements:** HUD requires the Action Plan to address ARRA Title XII of Division A and Section 1602 compliance as follows:

- Recipients shall give priority to projects that can award contracts based on bids within 120 calendar days from the date the funds are made available to the recipients.

Response: Design work for the Sidewalk-ADA Project has been completed by the City and it is anticipated the contract can be awarded in mid-June. The City will use the pre-award cost reimbursement provisions of 24 CFR 570.200(h), allowing the project to go to bid before the grant funds are officially awarded and available, to ensure timely start of construction in compliance with the ARRA Title XII.

- For CDBG-R funds being used for infrastructure investments, recipients shall give preference to activities that can be started and completed expeditiously, including a goal of using at least 50 percent of the funds for activities that can be initiated not later than 120 calendar days after February 17, 2009.

Response: The city anticipates the Sidewalk-ADA Project can be started and completed in the 2009 calendar year. The activity will be initiated within days after the Action Plan amendment is submitted to HUD in accordance with the pre-award cost reimbursement provisions of 24 CFR 570.200(h).

**Maximizing job creation and economic benefit:** HUD requires the amended Action Plan to address how the use of CDBG-R funds will maximize job creation and economic benefit in relation to the CDBG-R funds obligated, and will address the ARRA by:

- Preserving and creating jobs and promoting economic recovery;
- Assisting those most impacted by the recession;
- Providing investment needed to increase economic efficiency;
- Investing in transportation, environmental protection, or other infrastructure that will provide long-term economic benefits;
- Minimizing and avoiding reductions in essential services; or
- Fostering energy independence.

The use of CDBG-R funds for the Empire Elementary School Area ADA Sidewalk Improvement Project will meet one of the primary objectives of the ARRA by **preserving and creating jobs and promoting economic recovery**. Eighty-five percent of the City's total CDBG-R fund allocation will be used to pay contractors for the proposed Sidewalk-ADA work, creating and preserving jobs. The funds will be spent on activities that would otherwise not receive funding this year. Therefore, the jobs that will be created or retained would not have otherwise existed. This will have direct impacts on the economy by paying salaries and purchasing materials. Keeping contractors and others employed helps sustain the economy and will help promote economic recovery.

**Estimated job creation:** The ARRA requires the reporting of the number of jobs created by all ARRA funds spent. HUD requires the amended Action Plan to estimate the number of full- and part-time jobs to be created and retained by the proposed activity (including permanent, construction and temporary jobs).

It is estimated that the Empire Elementary School Area ADA Sidewalk Improvement Project will create or retain **eight** construction and temporary jobs.

**Additional ARRA requirements:** The ARRA and HUD require the amended Action Plan to provide a description of the activities that will be carried out with CDBG-R funds that promote:

- Energy conservation;
- "Smart growth" principles;
- Green building technologies; or
- Reduced pollution emissions.

The Empire Elementary School Area ADA Sidewalk Improvement Project helps implement one of the ten tenants of "smart growth," **to create walkable neighborhoods**. The Empire Elementary School area presently has piece-meal sidewalks, sidewalks that do not have ADA-compliant ramps, and no sidewalks in some areas. The project will help provide needed pedestrian connection to the Elementary School (a safety concern), bus stops and services surrounding and within the neighborhood.

**Responsible organization:** This activity will be implemented by the Carson City Public Works Department, Transportation Division. For more information on this activity, contact:

Patrick Pittenger, Transportation Manager

## **2. FAMILY ENRICHMENT PROGRAM CASE COORDINATOR.**

<b>CDBG-R funds budgeted</b>	<b>Other funds budgeted</b>	<b>Total activity budget</b>
\$17,777	\$0*	\$17,777

\* Additional grant funding is being sought by the Carson City Health and Human Services Department to continue funding the position.

**Activity description:** The Family Enrichment Program is designed to give housing assistance to low-income individuals and families in order to help them achieve self sufficiency. Currently, Human Services can only provide one-time emergency rental assistance and does not offer an opportunity for people to improve their current situation. Clients who meet eligibility criteria and agree to the guidelines of the program will receive case management, direct support services, and financial assistance with housing. The housing assistance will be designed to assist with rent up to six months, at a maximum of \$750 per month, or 30%, whichever is less. Clients will pay a percentage of the rent, which will gradually increase through their participation in the program, providing for a transition to total client pay within the six month program.

CDBG-R funds will be used to pay the salary and benefits of the Case Coordinator. The role of the Case Coordinator will be to mutually develop strategies for self-sufficiency while providing advocacy and referrals for the client. The ultimate outcome for the client is to leave the program with the skills they need to build a better life. The program will begin by assisting 10 families or individuals and increase to 20 by the end of the year. All of the participants of the program will be low- to moderate income. The Health and Human Services Department will continue to seek grant and other funding opportunities to continue to fund the Case Coordinator position beyond the CDBG-R funding, as well as funding other aspects of the program. This activity comprises 15 percent of the total CDBG-R allocation.

**Eligibility category:** Public services. (CFR 24 Sec. 570.201[e])

**National objective:** Benefiting low- to moderate income persons; suitable living environment, availability. (CFR 24 Sec. 570.208[a])

**Meeting ARRA requirements:** This activity is not awarding a contract for infrastructure improvements. However, it is anticipated that funds for the Family Enrichment Program Case Coordinator will be fully expended by the end of the 2009 calendar year in compliance with the ARRA requirements for expeditious spending of the funds.

**Maximizing job creation and economic benefit:** The use of CDBG-R funds for the Family Enrichment Program Counselor will meet one of the primary objectives of the ARRA by **preserving and creating jobs and promoting economic recovery**. The funds will be used directly to fund the creation of a counselor/case manager position for the Family Enrichment Program. The funds will be spent on an activity that would otherwise not receive funding this year. Therefore, the job that will be created would not have otherwise existed and will help promote economic recovery.

Furthermore, the Family Enrichment Program will **assist those most impacted by the recession**. With fewer jobs available, it becomes more difficult for families to transition out of poverty and into sustainable living arrangements. The Family Enrichment Program helps families achieve self-sufficiency.

**Estimated job creation:** The funding of the Family Enrichment Program Case Coordinator will create **one** additional job.

**Additional ARRA requirements:** These additional requirements are not applicable to the funding of the Family Enrichment Program Case Coordinator.

**Responsible organization:** This activity will be implemented by the Carson City Health and Human Services Department. For more information on this activity, contact:

## C. Public Participation and Comment

HUD waives the regular CDBG program requirement to provide a 30-day public review and comment period for this Action Plan amendment in order to quickly implement the expenditure of CDBG-R funds. HUD is instead requiring no fewer than seven calendar days for citizen comment on the CDBG-R Action Plan amendment.

Carson City made the Action Plan amendment available to the public from May 13 to at least May 21, 2009. Notice was placed in the local newspaper of the availability of the amended Action Plan, and the Plan was placed on the Carson City Board of Supervisors public agenda for May 21, 2009. Public comments will be posted on the Carson City CDBG (Planning Division) website along with the Amended Action Plan in compliance with HUD CDBG-R requirements.

No public comments have been submitted regarding this amended Action Plan as of the submittal of this plan, nor were any public comments made at the public meeting.

#### **D. CDBG-R Contact Information**

For additional information on the regular CDBG or CDBG-R programs, or to make comments regarding the CDBG-R Action Plan amendment, contact:

#### **E. Administrative Costs**

HUD allows allow up to 10 percent of CDBG-R funds to be used for administrative costs. None of Carson City's CDBG-R funds will be used for administrative costs.

#### **F. Limitation on Public Service Activities**

A maximum of 15 percent of the total CDBG-R allocation may be used for public service activities. The Family Enrichment Program Counselor activity is the only public service activity proposed and will account for 15 percent of the allocation.

#### **G. Benefits to Low- to Moderate-Income Persons**

At least 70 percent of the total CDBG-R allocation must be used to benefit low- to moderate-income persons. All the City's CDBG-R allocation is designated to benefit low- to moderate-income persons.

## CERTIFICATIONS

- (1) **Affirmatively furthering fair housing.** The jurisdiction will affirmatively further fair housing, which means that it will conduct an analysis to identify impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting the analysis and actions in this regard.
- (2) **Anti-displacement and relocation plan.** The jurisdiction will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601), and implementing regulations at 49 CFR part 24; and it has in effect and is following a residential anti-displacement and relocation assistance plan required under section 104(d) of the housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under CDBG-R.
- (3) **Drug Free Workplace.** The jurisdiction will or will continue to provide a drug-free workplace by:
1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
  2. Establishing an ongoing drug-free awareness program to inform employees about –
    - (a) The dangers of drug abuse in the workplace;
    - (b) The grantee's policy of maintaining a drug-free workplace;
    - (c) Any available drug counseling, rehabilitation, and employee assistance programs; and
    - (d) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
  3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
  4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will -
    - (a) Abide by the terms of the statement; and
    - (b) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
  5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
  6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted:
    - (a) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(b) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

(4) **Anti-lobbying.** To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and

3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

(5) **Authority of Jurisdiction.** The jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations and other program requirements.

(6) **Consistency with Plan.** The housing activities to be undertaken with CDBG-R funds are consistent with its consolidated plan.

(7) **Section 3.** The jurisdiction will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), and implementing regulations at 24 CFR part 135.

(8) **Community development plan.** The jurisdiction certifies that the consolidated housing and community development plan identifies housing and community development needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the statute authorizing the CDBG program.

(9) **Following a plan.** The jurisdiction is following a current consolidated plan that has been approved by HUD.

(10) **Use of funds.** The jurisdiction has developed activities so as to give the maximum feasible priority to activities that will benefit low- and moderate-income families or aid in the prevention of slums or blight. Additional activities may be included that are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs. It has complied with the following criteria:

1. **Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG-R funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);

2. **Special Assessments.** The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG-R funds by assessing any amount against properties owned and occupied by persons of low- and moderate-income, including any fee charged or assessment made as a condition of obtaining access to such public improvements. However, if CDBG-R funds are used to pay the proportion of a fee or assessment attributable to the capital costs of public improvements (assisted in part with CDBG-R funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG-R funds. The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG-R funds, unless CDBG-R funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG-R funds. In addition, with respect to properties owned and occupied by moderate-income (but not low-income) families, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG-R funds if the jurisdiction certifies that it lacks CDBG-R or CDBG funds to cover the assessment.

(11) **Excessive Force.** The jurisdiction certifies that it has adopted and is enforcing: (1) a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and (2) a policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location that is the subject of such non-violent civil rights demonstrations within its jurisdiction.

(12) **Compliance with anti-discrimination laws.** The CDBG-R grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d), the Fair Housing Act (42 U.S.C. 3601-3619), and implementing regulations.

(13) **Compliance with lead-based paint procedures.** The activities concerning lead-based paint will comply with the requirements of part 35, subparts A, B, J, K, and R of this title.

(14) **Compliance with laws.** The jurisdiction will comply with applicable laws.

(15) **Compliance with ARRA.** The jurisdiction will comply with Title XII of Division A of the American Recovery and Reinvestment Act of 2009.

(16) **Project selection.** The jurisdiction will select projects to be funded, by giving priority to projects that can award contracts based on bids within 120 days from the date the funds are made available to the recipient, and that will ensure maximum job creation and economic benefit.

(17) **Timeliness of infrastructure investments.** When the jurisdiction uses CDBG-R funds for infrastructure investments, the grantee will give preference to quick-start and finish activities, including a goal to use at least 50 percent of the funds for activities within 120 days of enactment of the Recovery Act.

(18) **Buy American provision.** The jurisdiction will ensure that all iron, steel and manufactured goods used in construction, alteration, repair, or maintenance of a public building or public work project assisted with CDBG-R funds under the Recovery Act must be produced in the United States unless the Secretary finds that: (1) the requirement is inconsistent with public interest; (2) those goods are not reasonably available or produced in sufficient quantity in the U.S.; (3) or the use of the goods will increase the project cost by more than 25 percent.

(19) **Appropriate use of funds for infrastructure investments.** The Governor, mayor, or other chief executive, as appropriate certifies, that any infrastructure investments have received the full review and vetting required by law and that the chief executive accepts responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. Alternatively, a grantee's chief elected official certifies that infrastructure investments will receive the full review and vetting required by law and that the chief executive accepts responsibility that the infrastructure investment is an appropriate use of taxpayer dollars.

(20) **70% of CDBG-R for LMI.** The aggregate use of CDBG-R funds shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the grant is expended for activities that benefit such persons over the life of the CDBG-R grant.
