## SUMMARY

Carson City is accepting sealed bids for all labor, materials, tools and equipment necessary for the North-South Water Transmission Main Project – Phase I. The project consists of installing approximately 10,000-feet of new 24" PVC water line in the area of Butti Way, Fairview Drive, and Hells Bells Road in Carson City, Nevada. Project includes, but is not limited to, all trench excavation, new pipe and related appurtenances, trench backfill, pipe boring, asphalt and concrete replacement and all other common phases of construction customarily associated with this type of project. Sealed bids must be submitted in accordance with the bid documents, drawings and plans, specifications and special conditions related hereto.

---

**CONTRACTOR'S LICENSE:** This is a Federal-aid contract and the requirements for such shall apply. On a Federal-aid contract, any Contractor otherwise qualified by the State of Nevada to perform such work is not required to be licensed nor to submit application for license in advance of submitting a bid or having such bid considered, provided, however, that such exception does not constitute a waiver of the State's right under its license laws to require a Contractor, determined to be a successful bidder, to be licensed to do business in the State of Nevada in connection with the award of the contract to him.

**BID DOCUMENTS** may be obtained as follows and the cost is non-refundable.

You may download this Bid Document, excluding the drawings, and a pdf version of the Bid Bond and Bid Proposal to prepare your bid from the Carson City website <http://www.carson-city.nv.us/Index.aspx?page=998>. **Downloading this bid document from the website does not put you on the plan holders list; you must click the link at the bottom of the page and provide your information to add your company name to the plan holders list.**

You may purchase the drawings separately from the following businesses, please call ahead to place your order.
