1. **Section 8. Past Performance**

We are requested to provide a letter certifying our firm has not been disqualified from any project per NRS 338.1691.2. Is this a standard letter that we draw up or is there a form available for use? Is this letter counted as part of the 25 pages, or can it be excluded from the count? *Yes a standard letter from the contractor is acceptable, we have no standard form. Yes, this will be counted as part of the page count for this section.*

2. **Section 11. Insurance and Bonding**

In regards to the Insurance limits, Devcon currently holds \$1,000,000 Per Occurrence and \$2,000,000 General Aggregate under the General Liability policy. Will Carson City accept the rest of the \$9,000,000 limit under the Excess Liability policy. We have attached a sample insurance certificate for your review. *Yes, it is acceptable for the balance of the coverage to be covered under an excess liability policy.*

3. Please confirm that a Table of Contents Page will not be included as part of the 25 page maximum. *TOC is EXCLUDED from page count.*
