NOTICE TO CONTRACTORS
Advertised RFP 1415-094
Fuji Park Sign

November 12, 2014

Addendum No. 1

Please make the following additions/changes/clarifications to the above referenced project.

1. Fluorescent lighting will be considered as an alternative to LED lighting.
2. The mounting system for the scrim banners utilized in Alternative 1 should consist of nuts and washers or another system which would allow for the expeditious changing of banners by City personnel, using a single bucket truck.
3. Please note that the project budget is limited. The City is requesting a number of pricing alternatives in order to maximize the sign given the limited budget.
4. The Alternative 1 sign design should include the ability to upgrade the sign in the future by removing the banner area and adding LED reader boards.
5. The following are based on Request for Information Items received prior to November 12, 2014.
 - a. *Is the message center portion of the sign 12' t x 20' w?*
The upper portion of the sign is envisioned to be approximately 12' tall x 20' wide as shown in Exhibit A of the RFP.
