Downtown Carson Street Urban Design Project

Addendum No. 2

December 16, 2014

1. The following are based on questions received prior to December 9, 2014:
 1. What is the intent of the rate schedule mentioned in section 5.1.2.4?
[See Addendum 1.](#)
 2. Does this project require a licensed engineering or architectural professional acting as Project Manager?
[Not a requirement, but each consultant or consultant team shall provide an approach that is suitable to complete the project.](#)
 3. What elements are driving the schedule?
See the approved plan of expenditure and updates to the Board of Supervisors referenced in Addendum 1. Construction is scheduled for 2016, driving the project design schedule.
 4. To what degree will the City's Public Outreach Consultant be available to assist with logistics for and conducting public outreach meetings?
[The Design Consultant will be responsible for logistics and conducting public outreach meetings including meeting content, the Public Outreach Consultant will be responsible for disseminating the project information and meeting topics, graphics etc.](#)
 5. Will City Council approval be required for any of the stages during the design process?
[Yes.](#)

End of Addendum 2
