Terrorism Risk Exclusions

Notwithstanding anything to the contrary in the Construction Contract and Bond, the Bond to which this Rider is attached does not provide coverage for, and the surety thereon shall not be liable for, acts of terrorism, riot, civil insurrection, acts of war or armed hostilities or other national or international calamity, directly or indirectly frustrating performance of, or directly or indirectly causing any loss or damage under, the Construction Contract for which this Bond was issued.

Warranty Time Limitation

Notwithstanding anything to the contrary in the Bond or bonded contract, in no event shall Surety have any obligation for any loss occurring or claim made by Obligee more than twenty-five (25) months after the date on which Principal has substantially completed the work under such contract.

**Exclusion of Liability for
Mold & Environmental Hazards**

Notwithstanding anything to the contrary in the Construction Contract and Bond, the Bond to which this Rider is attached does not provide coverage for, and the Surety thereon shall not be liable for, molds, living or dead fungi, bacteria, allergens, histamines, spores, hyphae, or mycotoxins, or their related products or parts, nor for any environmental hazards, bio-hazards, hazardous materials, environmental spills, contamination, or cleanup, nor the remediation thereof, nor the consequences to persons, property, or the performance of the bonded obligations, of the occurrence, existence, or appearance thereof.

**Important Notice Regarding
Calculation of Premium**

Adjustments to the contract price entitle the Surety to adjust premium charged. Adjustments in premium charged reflect the adjustment in risk to Surety, not a change in the bond amount. Notwithstanding anything to the contrary in the Construction Contract and Bond, adjustments to the contract price or the premium charged shall not change the bond amount.

WORKERS EMPLOYED REPORT INSTRUCTIONS FOR COMPLETION

Effective July 1, 2013, contractors who receive a preference in bidding on a public work must submit an affidavit to the public body certifying that 50 percent of all workers employed on the public work, including any employees of the contractor and of any subcontractor, will hold a valid driver's license or identification card issued by the Nevada Department of Motor Vehicles. Pursuant to NRS 338.070(4), a contractor and each subcontractor engaged on a public work shall keep an accurate record showing, for each worker employed by the contractor or subcontractor in connection with the public work who has a driver's license or identification card, the name of the worker, the driver's license number or identification card number of the worker, and the state or other jurisdiction that issued the license or card. A copy of this record must be received by the public body no later than 15 days after the end of the month. Additionally, the contractor and any subcontractor will maintain and make available for inspection within Nevada his or her records concerning payroll relating to the public work.

- EACH contractor and subcontractor must complete the Workers Employed Report.
- You may make additional copies of the report as necessary.
- A copy of this report must be submitted with the monthly certified payroll report.
- For the first report submitted, each contractor and subcontractor should list every worker employed in connection with the public work. The workers listed should be the same as those reported on the certified payroll report.
- For each subsequent month, add only those workers not previously reported to the Workers Employed Report and submit the newly-revised report. If no additional workers have been added, you may submit the previous month's report.
- If a worker has been reported on a previous month's report, but does not work during a subsequent month or is no longer employed by the contractor, his or her name should remain on the report. **DO NOT DELETE ANY NAMES.** This report is intended to serve as a cumulative list of all workers employed by the contractor and subcontractor over the duration of the project to verify compliance with the minimum requirements of the affidavit.
