A Free Public Workshop “Living with Coyotes”

A free public workshop titled “Living with Coyotes” will be held in two separate sessions to try to accommodate those who wish to attend and may have a scheduling conflict. This informative workshop presentation will include step-by-step instruction on how to properly “haze” coyotes, and tips and tricks on predator-proofing yards and enclosures and making properties less coyote-friendly.

These presentations will be conducted by Humane Wildlife Control, a California based organization that advocates non-lethal means for controlling coyotes and other wildlife in both urban and rural settings.

This workshop is sponsored by the Carson City Parks and Recreation Department. For further information please call 775-283-7340. See below for the dates, time, and location of the sessions:

Thursday, February 25th: 6:30 P.M.- 8:00 P.M.

Saturday, February 27th: 1:00 P.M.- 2:30 P.M.

The location is the Carson City Community Center - Sierra Room
