## Grand Opening of the Carson City Animal Shelter

(Carson City, NV) – Carson City Public Works officials invite you to join them at the ribbon cutting ceremony for the grand opening of the new Animal Shelter located at 549 Airport Road on October 8 at 10 a.m.

“I am so pleased to announce the grand opening of our new Animal Shelter,” said Carson City Mayor Bob Crowell. “The City has a great partnership with Nevada Humane Society and CASI; I am proud of the work they, and the entire community did to make this state of the art facility a reality.”

This new facility is replacing the outdated Animal Services building from the 1960’s. This 10,181 square foot center is fully modernized and ready to house a multitude of dogs, cats and exotics. With the help of the Nevada Humane Society, this new facility will help reach the goal of creating a no-kill community and will enhance the quality of life for all animals in need of rehabilitation and care.

Speaking at the event will be Carson City Mayor, Bob Crowell. A ribbon cutting ceremony will follow. Community members are invited to come down and see the new shelter.

Funding for the shelter came from revenue from the 1/8 percent sales tax, donations from Nevada Humane Society and Carson Animal Services Initiative, as well as generous grants from Maddie’s Fund and The Petco Foundation.
