## Carson Street Ribbon Cutting Ceremony

(Carson City, NV) – Carson City officials invite you to join them at the ribbon cutting ceremony honoring the completion of Carson Street on October 28th at 12 p.m. Speaking at the event will be Carson City Mayor Bob Crowell, along with other dignitaries. The ribbon cutting will be in front of the Capitol Building on Carson Street.

“I want to thank the businesses for enduring the past eight months,” said Daniel Rotter, City Engineer, “it was evident that downtown businesses were impacted throughout the construction process and I really appreciate your patience.”

Construction broke ground on March 7, 2016. Over the course of the construction phases Carson Street transformed without any delays. As a result construction is ahead of schedule and Carson Street will be cone free the day before the Nevada Day parade.

The Downtown Business Association is partnering with Muscle Powered, the Carson City Visitors Bureau, the Brewery Arts Center and Food for Thought to organize a day full of activities and entertainment to celebrate the completion of Carson Street.
