(CARSON CITY, NV) Carson City Parks, Recreation & Open Space is hosting its first Community Garage Sale on September 23, 2017 from 9:00 a.m. to 1:00 p.m. All are invited to participate as either a buyer or a seller.

There are two ways sellers can sell items during the Community Garage Sale event. First, sellers may purchase a “shop space” which consists of two parking stalls. Sellers will use their *shop space* to setup their garage sale area anyway they see fit. Sellers must provide their own pop-up tents and tables if desired. In addition, sellers may purchase more than one space. The fee for a *shop space* is \$10.00 per two parking stalls. The Community Garage Sale will be located at the Carson City Community Center east side parking lot. Vehicles will be permitted to enter the parking lot to setup between 6:30 a.m. and 9:00 a.m., after 9:00 a.m. all vehicles must be parked outside of the Community Garage Sale event area. Only sellers who register with Carson City Parks and Recreation by 5 p.m. on Friday, September 22nd will be allowed to participate. Weapons and any other potentially dangerous or illegal items are not allowed for any sale or distribution at the event.

Secondly, sellers can participate by arranging *shop space* at their residence. For sellers who wish to avoid relocating their garage sale items they can simply register to be placed on the Community Garage Sale locator map. Sellers who register can display their address on an interactive map which can be found at carson.org/sale. The fee is \$5.00 to display residential garage sales on the interactive map. This service is only available for garage sales occurring on September 23rd.

All community members are invited to come to the Community Center from 9 a.m. to 1:00 p.m. to shop at the Community Garage Sale and tour surrounding garage sales using the locator map at carson.org/sale. To register as a seller for the Community Garage Sale event contact Dan Earp at (775) 283-7422 or email at djearp@caron.org.
