*** PUBLIC COMMENT LIMITATIONS - The Carson City Board of Equalization will provide at least two public comment periods in compliance with the minimum requirements of the Nevada Open Meeting Law prior to adjournment. In addition, it is the Board's aspirational goal to also provide for item-specific public comment as follows: In order for members of the public to participate in the public body's consideration of an agenda item, the public is strongly encouraged to comment on an agenda item when called for by the chair during the item itself. No action may be taken on a matter raised under public comment unless the item has been specifically included on the agenda as an item upon which action may be taken. The chair also retains discretion to only provide for the Open Meeting Law's minimum public comment and not call for or allow additional individual-item public comment at the time of the body's consideration of an item when: (1) it is deemed necessary by the chair to the orderly conduct of the meeting; (2) it involves an off-site non-action facility tour agenda item; or (3) it involves any person's or entity's due process appeal or hearing rights provided by statute or the Carson City Municipal Code.*

AGENDA MANAGEMENT NOTICE: Items on the agenda may be taken out of order; the public body may combine two or more agenda items for consideration; and the public body may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.
