## Waterfall Trailhead Parking - Temporary Closure

Carson City, Nevada – The Waterfall Trailhead parking area, located at the end of King Street, will be temporarily closed starting Monday, April 2, 2018.

The Waterfall Trail parking area will be temporarily closed due to construction on North Kings Canyon Road, which is being repaired due to flood damage. The parking area will remain closed until construction is completed, likely 1-2 weeks. Both the Waterfall Trail and Ash-Kings Trail will remain open during construction.

For additional information on the Waterfall Trail parking area temporary closure, please contact Lyndsey Boyer, Senior Natural Resource Specialist, 775-887-2262 ext. 7341.
