FUJI DOG PARK TO TEMPORARILY CLOSE FOR IMPROVEMENTS

Carson City, Nevada. - Fuji Dog Park will be temporarily closed to the public from May 21 - May 25, 2018. The park will reopen at 4:00pm on May 25th.

Carson City Parks, Recreation and Open Space Department will be closing the dog park to install new concrete pads under the water faucets. The new pads will improve drainage, reduce muddy conditions, and create a cleaner and safer environment for both humans and dogs.

Funds for this project were generously provided by community donations through “Parks for Paws” and “The Foundation for Carson City Parks and Recreation.”

Fuji Dog Park is located at 601 Old Clear Creek Rd. in Carson City. For further information, please contact Dan Kastens at Carson City Parks, Recreation and Open Space, at 775-283-7339 or visit www.carson.org.
