NOTICE TO CONTRACTORS
RFP #1213-172
Community Center LED Sign Project

May 15, 2013

Addendum No. 1

As of May 14, 2013, the following questions and comments have been received.
Answers are provided in italics.

1. Item 10.1 of the RFP says a Sample Contract is attached, yet there is no attachment.
Please refer to the Sample Contract and General Conditions attached to this addendum.
2. In the section "Provisions and Requirements, Quality and features of LED message panels and sign", Item 2, states "Bidder shall provide LED RGB message centers with displays shall be constructed of red, green, and blue diodes in a 3-in-one surface mount diode and arrayed into a matrix display." 3-in-one surface mount diodes are not industry standard for many LED signs, only certain resolutions.
Carson City is open to variations from what is specified in the RFP. If your product is different, please provide an explanation.
3. Is this is a prevailing wage project?
Yes, this is a prevailing wage project.
4. Hi, my bid is ready to go but, I can't seem to find the site plan I am supposed to include at your website?
A copy of Community Center LED Sign Site Plan and Details is attached.
5. In 4 RFP REQUIREMENTS, 4.1.2., should it be understood that the 20mm and 16mm pixel pitches mentioned are for 'true' 20mm and 16mm pixel pitches, and that any 'pixel sharing' or 'virtual' 20mm or 16mm products will not be allowed?
Carson City is open to variations from what is specified in the RFP. If your product is different, please provide an explanation.
6. At the top of page 5 of 8 of the RFP document (listed as '2' at the top of the page), it specifies a 3-in-one surface mount diode. "Surface mount diodes" are typically used only in higher resolution LED displays (6mm-12mm pixel spacing) Given the longevity expectations listed by the city, is the more common "through-hole" or "Discrete Diode" true 20mm or 16mm acceptable to the city?
Carson City is open to variations from what is specified in the RFP. If your product is different, please provide an explanation. Please provide an explanation of the different technologies in your proposal.

7. On page 5 of 8 of the RFP document (listed as '4' on the page), the RFP requests the min and max sign luminance in foot-candles. Most LED display manufacturers list their brightness levels in NITs, but do not list brightness levels in foot-candles. As such, is it acceptable to list min and max NIT-ratings for the display?
Yes.
8. Scope of work #2. What exactly do you mean "coordination with NV Energy for the new power service"? Similarly #5h. "Two wired outlet boxes..." Do you want costs for new electrical service to the sign included in this proposal?
Yes. The successful sign contractor will be required to determine the appropriate size for the electrical service to power the sign and all electrical outlets listed in the RFP. The successful sign contractor will also be required to work with NV Energy to install the power service. All costs associated with the electrical service shall be included in the proposal.
9. What is the Pixel Matrix that we are all bidding? I see cabinet size and pixel spacing but no matrix or count of pixels vertically and horizontally.
Carson City is interested in getting the highest quality sign, while staying within the project budget. As such, we have requested pricing for two pixel pitches, 16mm and 20mm. Please provide pricing for a sign of the stated dimensions at both pixel pitches. We recognize that products from different manufacturers vary, so please explain any variances from the specified pixel pitches. Please explain the technology you intend to use in your proposal.
10. Are we responsible to upgrade the power to accept the sign and the 20amp and 50 amp plugs that are ask for?
Yes. All costs associated with the upgrade to the power service shall be included in the proposal.

Please make the following additions/changes to the above referenced project.

1. A copy of Carson City's Sample Contract is attached.
2. A copy of Carson City's General Conditions is attached.
3. A copy of Community Center LED Sign Site Plan and Detail is attached.

End of Addendum 1

CONTRACT TERMINATION

Termination Without Cause:

Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.

CITY reserves the right to terminate this Contract for convenience whenever it considers termination, in its sole and unfettered discretion, to be in the public interest. In the event that the Contract is terminated in this manner, payment will be made for work actually completed. In no event if termination occurs under this provision shall **CONTRACTOR** be entitled to anticipated profits on items of work not performed as of the effective date of the termination or compensation for any other item, including but not limited to, unabsorbed overhead. **CONTRACTOR** shall assure that all subcontracts which he/she enters related to this Contract likewise contain a termination for convenience clause which precludes the ability of any subcontractor to make claims against **CONTRACTOR** for damages, due to breach of contract, of lost profit on items of work not performed or of unabsorbed overhead, in the event of a convenience termination.

Termination for Nonappropriation:

The continuation of this Contract beyond June 30, 2013 is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the Carson City Board of Supervisors. **CITY** may terminate this Contract, and **CONTRACTOR** waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the funding is not appropriated or is withdrawn, limited, or impaired.

Cause Termination for Default or Breach:

A default or breach may be declared with or without termination.

SAMPLE CONTRACT

This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:

If **CONTRACTOR** fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or

If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by **CONTRACTOR** to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

If **CONTRACTOR** becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or

If **CITY** materially breaches any material duty under this Contract and any such breach impairs **CONTRACTOR'S** ability to perform; or

If it is found by **CITY** that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by **CONTRACTOR**, or any agent or representative of **CONTRACTOR**, to any officer or employee of **CITY** with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or

If it is found by **CITY** that **CONTRACTOR** has failed to disclose any material conflict of interest relative to the performance of this Contract.

CITY may terminate this Contract if **CONTRACTOR**:

Fails to maintain bonding, Nevada State Contractors' Board License, State Industrial Insurance requirements or insurance policies for limits as defined in this Contract;

Persistently or repeatedly refuses or fails to supply properly skilled workers or proper materials;

Fails to make payment to subcontractors for materials or labor in accordance with the respective agreements between **CONTRACTOR** and the subcontractors;

Persistently disregards laws, ordinances, or rules, regulations or order of a public authority having jurisdiction; Otherwise makes a material breach of a provision of this Contract; or

CONTRACTOR fails to maintain safe working conditions.

When any of the above reasons exist, **CITY** may provide, without prejudice to any other rights or remedies of **CITY** and after giving **CONTRACTOR** and **CONTRACTOR'S** Surety, seven (7) calendar days written notice, terminate employment of **CONTRACTOR** and may, subject to any prior rights of the surety:

Take possession of the site and of all materials, equipment, tools and construction equipment and machinery thereon owned by **CONTRACTOR**;

Accept assignment of subcontractors pursuant to this Contract (Contingent Assignment of Subcontracts to Carson City if this Contract is terminated); and,

Finish the Work by whatever reasonable method **CITY** may deem expedient.

If **CITY** terminates this Contract for one of the reasons stated above, **CONTRACTOR** shall not be entitled to receive further payment until the Work is finished.

If the unpaid balance of the Contract Amount exceeds the cost of finishing the Work including expenses made necessary thereby, such excess shall be paid to **CONTRACTOR**. If the costs of finishing the Work exceed the

SAMPLE CONTRACT

unpaid balance, **CONTRACTOR** shall pay the difference to **CITY**. The amount to be paid to **CONTRACTOR** or **CITY**, as the case may be, shall survive termination of this Contract.

In the event of such termination, all monies due **CONTRACTOR** or retained under the terms of this Contract shall be held by **CITY**; however, such holdings will not release **CONTRACTOR** or its sureties from liability for failure to fulfill this Contract. Any excess cost over and above the Contract Amount incurred by **CITY** arising from the termination of the operations of this Contract and the completion of the Work by **CITY** as provided above shall be paid for by any available funds held by **CITY**. **CONTRACTOR** will be so credited with any surplus remaining after all just claims for such completion have been paid.

If at any time before completion of the Work under this Contract, the Work shall be stopped by an injunction of a court of competent jurisdiction or by order of any competent authority, **CITY** may give notice to **CONTRACTOR** to discontinue the Work and terminate this Contract. **CONTRACTOR** shall discontinue the Work in such manner, sequence, and at such times as **CITY** may direct. **CONTRACTOR** shall have no claim for damages for such discontinuance or termination, nor any claim for anticipated profits on the Work thus dispensed with, nor for any claim for penalty, nor for any other claim such as unabsorbed overhead, except for the work actually performed up to the time of discontinuance, including any extra work ordered by **CITY** to be done.

Time to Correct:

Termination upon a declared default or breach may be exercised only after service of formal written notice as previously specified, and the subsequent failure of the defaulting party within five (5) calendar days of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.

Winding Up Affairs Upon Termination:

In the event of termination of this Contract for any reason, the parties agree that the provisions of this paragraph survive termination:

The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

CONTRACTOR shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by **CITY**;

CONTRACTOR shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by **CITY**;

CONTRACTOR shall preserve, protect, and promptly deliver into **CITY** possession all proprietary information in accordance with City Ownership of Proprietary Information.
