CARSON CITY PROVISIONS REGULATING HOME OCCUPATION
(FOR ADDRESSES LOCATED IN RESIDENTIAL ZONES)

The Home Occupation Provision is included in recognition of the needs of many people who are engaged in small business ventures which could not be sustained if it were necessary to lease commercial quarters for them, or which in the nature of the home occupation could not be expanded to full scale enterprise. It is the intent of the ordinance that full scale commercial or professional operations which would ordinarily be conducted in a commercial or industrial district continue to be conducted in such districts and not in residential districts.

In granting a business license, it is necessary to verify that the subject property will be used in conformance with the City's Zoning Ordinance. Please read the following information and complete the form as indicated. If you have any questions or require further information, call **(775) 887-2180** or stop by the Planning and Community Development Department at **108 E. Proctor St.**

Once this statement is signed, it will become a part of your business license record with the City.

18.03.010 Home Occupation means a use customarily carried on by a dwelling occupant and incidental to the primary residential use, providing such residential character of the property is not changed and is operated in compliance with 18.05 (Home Occupation).

18.05.045 Home Occupation: Uses which shall not be permitted as home occupations include barber and beauty shops, food processing or packaging, real estate and law offices, restaurants, cabinet shops, adult entertainment businesses, kennels (except for certified training of three or fewer service animals), vehicle repair or similar uses.

ALL HOME OCCUPATIONS SHALL BE SUBJECT TO AND MUST COMPLY WITH SECTION 18.03.010 AND ALL THE FOLLOWING PROVISIONS OF THIS SECTION:

1. **Business license requirements.** All home occupations must obtain a Carson City business license and meet the requirements of this Section.
2. **Sale of merchandise.** Sale of goods, samples, materials, equipment or other objects on the premises is not permitted. Home occupations shall not conduct business in person with clients at the home address, with the exception of federally licensed gun dealers, required by federal regulations to conduct firearm sales at their home location.
3. **Size limits.** No more than 20% of the total ground floor area of the dwelling and accessory structure may be used for home occupation.
4. **Employees.** No on-site office staff or business personnel shall be permitted in any home occupation unless the employees are members of the resident family and reside on the premises.
5. **Character.** The characteristics of the structure shall not be altered, nor shall the occupation within the dwellings be conducted in a manner which would cause the premises to differ from its residential character either by the use of colors, materials, construction, lighting or by signs, or the emission of sounds, noises, dust, odors, fumes, smoke, electrical disturbance or vibrations, or disturbs the peace and general welfare of the area.
6. **Traffic.** Pedestrian and vehicular traffic shall be limited to that normally associated with residential districts. Deliveries from commercial suppliers may not be made more than once each week and the deliveries shall not restrict traffic circulation.

7. **Storage.** There shall be no outdoor storage of materials or equipment; no storage of toxic or hazardous materials, including ammunition and gunpowder; nor shall merchandise be visible from outside the dwelling.
8. **Location.** The home occupation shall be confined within the main building and/or accessory structure as a secondary use of the residential use. When conducted in a garage, the home occupation shall not permanently eliminate the use of the garage as a parking space for a car, nor shall the bay door be open while the home occupation is conducted within the garage.
9. **Use of facilities and utilities.** The use of utilities and community facilities shall be limited to that normally associated with the use of the property for residential purposes.
10. **Advertising.** There must not be any public advertising which calls attention to the fact that the dwelling is being used for business purposes. Telephone listings, business cards, or any other advertising of the business, shall not include the dwelling address. The name, telephone, and purpose of the home occupation may be advertised on not more than one vehicle which is operated by the resident or residents of the dwelling in conjunction with the business. The home address may appear on letterhead and invoices when the home address is also the business address.
11. **Electromagnetic interference.** Electrical or mechanical equipment which creates video or audio interference in customary residential electrical appliances or causes fluctuations in line voltage outside the dwelling unit is prohibited.
12. **Fire safety.** Activities conducted and equipment or material used or stored shall not adversely change the fire safety of the premises.
13. **Parking.** No parking or placement of commercial vehicles such as trucks, trailers, equipment or materials except one panel van or pickup truck, when used for personal transportation.

I _____ will be conducting business as _____
 at my home address located at _____, I have read the above
 information and if granted a home occupation business license, I agree to comply with these regulations as
 set forth above.

INSTRUCTIONS

The provisions of Chapter 616A to D, inclusive, of the Nevada Revised Statutes require every person, firm, voluntary association, and private corporation, including any public service corporation, which has any person, subcontractor, or independent contractor, under contract of hire, to obtain industrial insurance coverage in Nevada or obtain a certificate of self-insurance from the Nevada Commissioner of Insurance. **Subcontractors and independent contractors engaged in the same trade, business, profession or occupation as the hiring person or business, are by law considered to be employees.** One exception to the requirement for industrial insurance is if you or your business hires no employees, subcontractors or independent contractors. You are not required to obtain industrial insurance coverage for the following employees: theatrical or stage performers; casual musicians; household domestics, farm, dairy, agricultural or horticultural laborers, or persons engaged in stock or poultry raising; voluntary ski patrolman; real estate brokers and/or salesmen; direct sellers; or clergy. Businesses which elect to obtain industrial insurance coverage for such persons, gain valuable rights and significantly reduce liabilities for injuries to these persons. **A business which hires persons who are exempt from the provisions of Chapter 616A to 617, inclusive, of the Nevada Revised Statutes may be held liable in tort for injuries to those persons.** A business which hires exempt persons may elect to obtain industrial insurance, including sole proprietor coverage and partnerships.
