Senate Bill No. 516—Committee on Government Affairs

CHAPTER.....

AN ACT relating to public officers; revising the provisions governing the compensation of certain elected county officers; revising certain provisions relating to the payment of per diem allowances and travel expenses; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill increases, by 4 percent for each of Fiscal Years 2007-2008, 2008-2009, 2009-2010 and 2010-2011, the maximum amount at which the board of county commissioners may set the annual salary for a county commissioner of that county. **Section 1** also increases the compensation to be paid to certain other elected county officers. For Fiscal Year 2007-2008, the total increase is 7 percent, which includes a base salary increase of 4 percent and an additional increase in compensation of 3 percent. For each of Fiscal Years 2008-2009, 2009-2010 and 2010-2011, the increase in compensation is 3 percent. (NRS 245.043)

Under existing law, a board of county commissioners must reimburse an eligible county or township officer or employee of the county for the actual living expenses incurred during travel conducted for the transaction of public business and may allow reimbursement for traveling by private conveyance, but if a private conveyance is used for reasons of personal convenience in the transaction of state business, the standard mileage reimbursement rate for traveling by private conveyance is limited to one-half the established rate for which a deduction is allowed for the purposes of federal income tax. (NRS 245.060, 281.160) **Section 2.5** of this bill allows the board of county commissioners of a county to provide to such an officer or employee a per diem allowance and travel expenses at the full rate established for employees of the Federal Government, provided that the travel for the transaction of public business is for a period of not more than 5 consecutive working days at a time.

Pursuant to **section 3** of this bill, the increases in salary and compensation applicable pursuant to **section 1** of this bill for: (1) Fiscal Year 2007-2008, become effective on July 1, 2007; (2) Fiscal Year 2008-2009, become effective on July 1, 2008; (3) Fiscal Year 2009-2010, become effective on July 1, 2009; and (4) Fiscal Year 2010-2011, become effective on July 1, 2010. However, **section 4** of this bill authorizes a county that has not commenced payment of the increased annual salaries to request and receive a waiver from payment of the increases based on insufficient financial resources. If a waiver is granted for any fiscal year, **section 4** prohibits retroactive payment of the increases for that fiscal year.

Section 1 of this bill also changes the salary classification of Storey County to the category of a county of class 4, thereby increasing the amount of the annual salaries paid to its elected county officers. **Section 3.5** of this bill provides that the change in the salary classification of Storey County is retroactive to January 1, 2003, for the purpose of determining the maximum salary payable to members of the board of county commissioners of Storey County. **Section 2** of this bill clarifies that county commissioners are eligible for longevity pay. (NRS 245.044)
