Death Calls McKee Elsey Carson City Daily Appeal, September 30, 1912

This morning one of Carson's pioneers and best know citizens passed away at his home. McKee T. Elsey, who has been ill for several months and whose life was despaired of solved the great mystery. At his bedside was his wife and daughter, who was summoned here by her father's illness.

It was but a few weeks ago that death robbed the father and mother of their one son George Elsey, This worked detrimental to the old gentleman.

McKee Elsey was a native of Ohio, where he was born 77 years ago. He was a member of the GAR and served during the Civil War. It is presumed that he will be buried under the auspices of this fraternity.

Mr. Elsey came to Carson forty years ago. He with his family have made their home in Carson during that time and during this long period of residence has made none but friends. His peaceful disposition and quiet manner made steadfast friends. For many years he followed the carpenter's trade and cabinet making. It was as the passing of one of the real pioneers of Carson.

The funeral arrangements will be announced later.
