Explanation for Recommended Board Action: The Fund for a Healthy Nevada was created under Chapter 432 of Nevada Revised Statutes in 1985 to fund programs and services designed to prevent abuse and neglect of children.

This grant program targets children ages 8-13 and will provide preventative measures for long-term health impacts. This will be accomplished by providing educational programs which will increase the awareness of the benefits of fitness and nutrition, as well as promote coordination within several community agencies such as Carson Wellness Coalition, Ron Wood Family Resource Center, Carson City Juvenile Hall and Parks & Recreation, Fremont Elementary School, and the Cooperative Extension in Carson City.
