Nevada Department of Taxation  
1550 East College Parkway, Suite 115  
Carson City, NV 89706-7921

Carson City herewith submits the ~~(TENTATIVE)~~ (FINAL) budget for the  
fiscal year ending June 30, 2005

This budget contains 6 funds, including Debt Service, requiring property tax revenues totaling \$ 13,757,499

The property tax rates computed herein are based on preliminary data. If the final state computed revenue limitation permits, the tax rate will be increased by an amount not to exceed 1.2220 If the final computation requires, the tax rate will be lowered.

This budget contains 21 governmental fund types with estimated expenditures of \$ 66,642,552 and  
11 proprietary funds with estimated expenses of \$ 33,061,435

Copies of this budget have been filed for public record and inspection in the offices enumerated in NRS 354.596 (Local Government Budget and Finance Act).

CERTIFICATION

APPROVED BY THE GOVERNING BOARD

# CARSON CITY, NEVADA

CONSOLIDATED MUNICIPALITY AND STATE CAPITAL

May 11, 2004

Dear Citizens, Mayor and Board Members:

The total budget includes 21 governmental funds with estimated expenditures of \$66.6 million and 11 proprietary funds with expenditures of \$33 million. The citywide property tax for fiscal year 2004-05 is estimated at 2.6463 per \$100 of assessed value. The proposed tax does not include an increase in any locally assessed rates. The proposed rate is 1.29 cents higher than last year because the State of Nevada reinstated the Hospital Medical Indigent levy of 1.5 cents.

## General Fund Revenues

Total general fund revenues are expected to increase approximately 2% over our estimate for fiscal year 2004. Assessed value and property tax revenues will increase 5% over fiscal year 2004. Although, Carson City experienced a loss of retailers in the recent past, our financial picture is positive. The success of the automobile market and its related growth in taxable sales have provided immediate relief to our City. General fund revenues per capita are projected to be \$865 million. Our sales tax projection is conservative as it does not include revenues that will be realized with the construction of a new Wal-mart Super Center within our borders. The growth in assessed value will provide adequate growth in property tax revenues, therefore, this budget does not include an increase in the general fund operating rate.

## General Fund Expenditures

Total general fund expenditures are projected to increase by 2%, including a one million contingency line item.

In preparing the base budget for fiscal year 2004-05 we were able to identify \$556,000 of on going revenues in excess of expenditures. The budget team reviewed spending requests from various City departments and proposed the following additions to the base budget:

Juvenile Youth Counselor	\$43,149
District Attorney Investigator	86,838
Alternative Sentencing Officer	46,585
7 Firefighters	46,035
2 Deputy Sheriffs	141,161
Alternative Sentencing Overtime	9,638
PC Specialist	52,034
Facilities Maintenance on call pay	5,835
Economic Development Consulting	30,000
2 Part-time Library Assistants	20,378
Debt Service - Future Projects	<u>75,000</u>
	<u>\$556,653</u>

The bulk of new spending is Public Safety related. The remainder address needs in Information Services, the Library and Economic Development.

#### Capital Projects and Reserves

The City through conservative budgeting and fiscal practice has accumulated resources over the last several years to fund capital projects and reserves. The City's policy is to retain 8.3% of current year expenditures as an operating reserve in the general fund, leaving \$4.6 million available for the capital program.

The budget team reviewed requests from various City departments and recommended granting capital spending requests totaling \$2.7 million, additions to the revenue stabilization fund of \$900,000 and \$1 million to a facility/capital project fund. The fund will be used to accumulate resources to construct a new facility to house the Sheriff Administrative functions.

#### Enterprise Funds

The enterprise funds do not include a rate increase in fiscal year 2004-05 with the exception of Emergency Medical Services.

The water and sewer utilities are faced with large capital needs in the near future due to federal mandates. We are currently studying the most cost efficient method of complying with stringent new EPA and Safe Drinking Water Act requirements. For fiscal year 2004-05 the water and sewer utilities have adequate reserves making a rate increase unnecessary. The proposed budget does include a 7.5% increase in ambulance rates. The increase is necessary to offset rising operating costs and decreasing medicare reimbursements.

As approved by the Board, the attached budget is fiscally sound with all funds balanced and stable. The budget includes fund balances established to provide for future financing and cash flow requirements.

I want to thank all the elected officials and staff members who worked hard this year producing this budget which we are proud to present for your review.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Ritter", with a long horizontal flourish extending to the right.

Linda Ritter  
City Manager
