Article 6. PAY RATES AND HOURS OF WORK

(a) PAYMENT OF BARGAINING UNIT EMPLOYEES FOR FISCAL YEAR 2008:

Employees will be paid on a bi-weekly basis. Each employee shall receive a wage-rate adjustment in Fiscal Year 2008 retroactive to January 1, 2008 as set forth in Exhibit A.

(b) PAYMENT FOR EMPLOYEES FOR FISCAL YEARS 2009-2011: Each

employee shall receive a base wage-rate percentage increase effective July 1 in Fiscal Years 2009 through 2011 as follows:

2009: 3.0% (Effective July 1, 2008)

2010: 4.5% (Effective July 1, 2009)

2011: 5.0% (Effective July 1, 2010)

See Exhibit A

(c) **NEWLY PROMOTED PROBATION:** Employees promoted to sergeant or employees who are rehired as sergeants, shall be considered on probation for a period of twelve (12) months from date of hire, during which time the appointing authority will have the right to dismiss or retain the employee at its sole discretion. During the probationary period, the employee shall not accrue any seniority rights; however, upon the expiration of the probationary period, the employee shall be deemed a regular employee and his seniority shall date back to his date of promotion or rehire.

All probationary employees are entitled to accrue all benefits of this Agreement unless otherwise specified.

Promoted employees shall be considered on probation for a period of twelve (12) months, during which time the appointing authority shall have the right to demote the employee if the employee fails to successfully complete the probation.

(d) **POSITION REDUCTION:** If one of the sergeant's positions is reduced or reclassified to a deputy position through no fault of the employees, the sergeant with the least seniority shall be reduced to a deputy and shall continue to be paid at his last rate of pay until such time as the salary at which the employee was retained comes within the range of pay for the class due to adjustments in the compensation or classification plan. This retained rate may be applied only under the following conditions:

(1) The employee has standard or better performance during the preceding year.

(2) The employee was in the higher class six months preceding the

reclassification.

(3) The reclassification/reduction is a result of a legitimate reason over which the employee has no control.

(e) Except as provided herein, the preferred work day, e.g., shift for all employees covered by this Agreement shall be ten (10) hours. However, should there be insufficient staffing to cover a ten (10) hour work day schedule, the Sheriff may require employees to work a nine (9) hour work day until adequate staffing levels are restored. Additionally, should the Board of Supervisors declare a state of emergency, the Sheriff may require employees to work twelve a (12) hour work day. The Sheriff may impose alternative work days (9 hour or 12 hour) for ninety (90) calendar days with the mutual agreement of the Sheriff and the Association.

1. The scheduling of work days and work weeks shall be at the direction of the Sheriff, provided that all employees have consecutive days off.

2. At the request of either party, on or about November 1 and April 1 of each year, the parties shall meet and review the effectiveness of the work day and schedules utilized and, if necessary, renegotiate the length of the work day.

#### Article 7. SPECIAL SALARY ADJUSTMENTS

The City Manager may approve requests from appointing authorities for special salary adjustments in order to:

(a) Meet difficult recruiting problems or to obtain a person with markedly superior qualifications.

(b) Give a one-grade (approximately 5%) increment recognition to employees carrying responsibility beyond those required for the class as a whole. Such responsibilities would be supervising other employees in the same class, or working under less supervision than is typical of the class.

Article 8. ANNUAL PERFORMANCE EVALUATION

(a) Each employee will receive an annual written performance evaluation on his/her anniversary date of hire following 12 months from the effective date of hire, and every anniversary date thereafter. A copy of this annual written performance evaluation will be placed in the employee's personnel file in the City's Human Resources Department. The performance evaluation may be used when considering any employment action. Evaluations are subject to a rebuttal statement and are subject to the grievance process.

(b) As indicated in Article 4 of this Agreement, the employer establishes work performance standards, except for employee safety considerations, and the content of the work performance standards are reserved to the employer and not subject to the grievance provisions of this Agreement.

Article 9. CALLBACK

(a) Except as it may conflict with the Nevada Administrative Code 284.214, call-back pay is defined as compensation earned for returning to duty after a member has completed his regular shift, is off duty for any period of time, and is requested to return to duty with less than 12 hours notice.

(b) Scheduling the 12-hour rule set forth in subsection (a) may be activated by an electronic call-out if required for the shift scheduling from the City. Any electronic response system must comply with the 12-hour rule and not allow the employee call-in response to govern notification for purposes of the 12-hour rule.

(c) An employer may not convert what would otherwise be an overtime shift to a call-back shift by waiting until there is less than 12-hours notice to request a return to duty, if the employer has knowledge more than 12 hours before the start of the shift to be staffed, either through notification or through normal staffing policies, of the staffing need.

(d) Subsections (a) through (c) apply to all members with an effective date of

membership on or before June 30, 2008.

(e) Except as it may conflict with the Nevada Administrative Code 284.214, call-back pay is defined as compensation earned for returning to duty after a member has completed his regular shift and is requested to return to duty with less than 12 hours notice to respond to an emergency, except for any member who is (1) called into work while on standby status, (2) not required to leave the premises where he is residing or located at the time of notification in order to respond, or (3) called back to work if the work begins 1 hour or less before or after his scheduled work shift.

(f) For call-back pay purposes "emergency" means a sudden, unexpected occurrence that involves clear and imminent danger and requires immediate action to prevent or mitigate the endangerment of lives, health, or property. Such an emergency must be declared by the governing body or chief administrative officer of the City.

(g) Scheduling the 12-hour rule set forth in subsection (a) may be activated by an electronic call-out if required for the shift scheduling from the City. Any electronic response system must comply with the 12-hour rule and not allow the employee call-in response to govern notification for purposes of the 12-hour rule.

(h) An employer may not convert what would otherwise be an overtime shift to a call-back shift by waiting until there is less than 12 hours notice to request a return to duty, if the employer has knowledge more than 12 hours before the start of the shift to be staffed, either through notification or through normal staffing policies, of the staffing need.

(i) Subsections (e) through (h) apply to all members with an effective date of membership on or after July 1, 2008.

(j) Whenever an employee is called back to work by his supervisor pursuant to the terms of this Article, he shall be credited with a minimum two (2) hours work at the rate of time and one-half.

Article 10. OVERTIME

(a) OVERTIME DEFINED: Overtime will be defined as any hours worked in excess of the regularly scheduled workday (ten (10) hours, or other shift pursuant to Article 23) or forty hours in any City schedule pay period, with the exception of any other shift pursuant to Article 23. Any overtime must be approved by the employee's supervisor. The seven (7) day pay period is defined as Friday, 12:00 a.m. through Thursday, 11:59 p.m. The following paid time off shall be considered time worked for overtime purposes: holidays, annual leave, sick leave and compensatory time off. Overtime will not accrue for any travel time between the employee's residence and the Sheriff's office. If scheduled overtime (this does not include court time) is canceled with less than 8 hours notice, the sergeant is entitled to receive 2 hours of overtime pay.

(b) OVERTIME COMPENSATION RATE: Overtime shall be compensated at the rate of time and one-half of the standard rate for all non-exempt employees. The standard rate for overtime purposes shall be the base hourly rate of the employee and shall not include travel and other non-wage payments, or premiums for work outside his normal working hours or for Saturday, Sundays or holidays.

(c) OVERTIME PAID IN CASH OR COMPENSATORY TIME OFF: Overtime earned may be paid in cash or converted into compensatory time off under the following conditions:

1) Overtime earned during a workweek may be converted as compensatory time at the rate of time and one-half at the election of the employee.

2) Following a work week for which an employee received cash payment for overtime, he may not be directed to reduce work hours in order to maintain a constant level of earnings over the pay period in which the overtime was performed.

3) An employee may elect to receive payment for all compensatory time earned as accrued on July 1 and December 1 up to a maximum of 120 hours in any one fiscal year. To elect a payment, an employee must submit to management, only

during the months of June and/or November of each fiscal year, a request in writing for payment of a specific number of accrued compensatory hours.

(d) TRAVEL TIME: Travel time will be compensated at the normal overtime rate when the time in transit exceeds regular working hours but is between work locations, and not between an employee's residence and the Sheriff's office.

Article 11. HOLIDAYS

(a) The following are paid holidays for employees of Carson City:

- New Year's Day
- Martin Luther King
- President's Day
- Memorial Day
- Independence Day
- Labor Day
- Nevada Day
- Veteran's Day
- Thanksgiving Day
- Family Day
- Christmas Day

or any other day that may be appointed by the President of the United States, the Governor of Nevada or the Board of Supervisors for public fast, Thanksgiving or holiday. When a designated holiday falls on Saturday or Sunday, the Friday before or the Monday after, respectively, shall be granted as a holiday. For non-standard workweek employees who normally work Saturday or Sunday, if the designated holiday falls on Saturday or Sunday, such day shall be granted as a holiday for purposes of holiday pay. The non-standard workweek employee shall not accrue additional holiday time for Friday or Monday that is observed as the holiday for standard workweek employees.

(b) If a holiday falls during an employee's leave it shall not be charged as leave.

(c) HOLIDAY PAY: Pay for holidays will be as follows:

1. An employee shall be paid twice his/her base rate of pay for the actual number of hours worked that coincide with the designated City holiday. The holiday rate of pay begins on the graveyard shift the day before the designated City holiday. Holiday work may be granted in cash or in compensatory time off to be taken off with supervisory approval. An employee not scheduled to work on a designated City holiday will receive holiday time equal to a regularly scheduled shift in accordance with Article 6.

2. An employee who is required to work a holiday on his/her regularly scheduled day off will be compensated at two and one-half times his/her base rate of pay for all hours worked..

Article 12. ANNUAL LEAVE

(a) SCHEDULE:

(1) An employee may earn but is not entitled to take annual leave until he/she has completed six months of service with the City. A regular, full time classified employee will be granted annual leave benefits as follows:

<u>Time in Service</u>	<u>Accrual Rate</u>
from 0 - 12 months	6 hours per month
from 12-24 months	8 hours per month
from 24-60 months	10 hours per month
60 months or more	14 hours per month
Maximum Accrual	240 hours

This schedule is based on continuous employment.

(b) ACCRUED ANNUAL LEAVE IN EXCESS OF THIRTY DAYS: Except as provided below any annual leave in excess of two hundred and forty (240) hours

accrued in the manner provided for, shall be used prior to January 1st of the year following the year in which the annual leave in excess of two hundred and forty (240) hours is accumulated or the amount of annual leave in excess of two hundred and forty (240) hours shall be forfeited.

If the previously approved scheduled leave is canceled by management and no additional time is available prior to the date when the employee will forfeit accrued annual leave as provided above, then the hours which the employee would have lost due to management's cancellation of approved leave, shall be allowed to accrue beyond the two hundred and forty (240) hour maximum or, at the employee's option, may be paid at the employee's regular hourly rate for the hours in excess of the two hundred forty (240) hour maximum. The maximum number of hours which can be accrued due to management's cancellation of approved leave shall be three hundred (300). The employee's new maximum of accrued leave shall exist only until management is able to schedule annual leave for the employee that reduces his/her accrued leave to the normal two hundred and forty (240) hour maximum.

(c) TIME ANNUAL LEAVE TAKEN: All annual leave will be taken at a time mutually agreeable to the employee and his supervisor. The selection of annual leave schedules shall be made in each department on a seniority basis.

(d) TEMPORARY EMPLOYEES: Employees hired on a temporary basis of less than six months are not covered employees under this agreement and shall not accrue leave. However, should a temporary employee be appointed to fill a non-temporary position, any leave he would have accrued shall be credited to him.

(e) TERMINATION AND ANNUAL AND ACCRUED LEAVE: A person about to resign or about to retire under the provisions of the state Retirement Act, or who is to be laid off without fault on his part who has earned annual leave may be granted annual leave for the time so earned not to exceed a period of thirty working days. Such annual leave must be taken prior to the effective date of any such resignation or retirement or layoff, or in lieu of such annual leave, the employee may be granted a lump sum

payment for annual leave time accrued to his credit. However, employees shall not be paid for accumulated annual leave upon termination of his service unless he or she has been employed six months or more. An employee nearing retirement will be required to provide the City at least thirty days notice in order to allow the City sufficient lead time in hiring a successor.

(f) ACCRUED ANNUAL LEAVE IN EXCESS OF THIRTY DAYS: Except as provided below, any annual leave in excess of thirty (30) working days accrued in the manner provided for, shall be used prior to January 1<sup>st</sup> of the year following the year in which the annual leave in excess of thirty (30) working days is accumulated or the amount of annual leave in excess of thirty (30) working days shall be forfeited.

If the previously approved schedule leave is canceled by management and no additional time is available prior to the date when the employee will forfeit accrued annual leave as provided above, then the hours which the employee would have lost due to management's cancellation of approved leave, shall be allowed to accrue beyond the two hundred forty (240) hour maximum or, at the employee's option may be paid at the employee's regular hourly rate for the hours in excess of the two hundred forty (240) hour maximum. The maximum number of hours which can be accrued due to management's cancellation of approved leave shall be three hundred (300). The employee's new maximum of accrued leave shall exist only until management is able to schedule enough annual leave for the employee to reduce his accrued leave to a lower level, and eventually down to the normal two hundred forty (240) hour maximum.

(g) TIME ANNUAL LEAVE TAKEN: All annual leave will be taken at a time mutually agreeable to the employee and his supervisor. The selection of annual leave schedules shall be made in each department on a seniority basis. For reasons deemed sufficient by the department head, an employee may, with the consent of the department head, take less than the normal annual leave one year with a correspondingly longer annual leave the following year.

Article 13. SICK LEAVE

(a) ACCRUED SICK LEAVE: Each employee shall be entitled to ten (10) hours of sick leave with pay for each month or major fraction thereof of actual service without limitation for use purposes, but with a maximum of 720 hours for purposes of compensation upon termination due to death, retirement or separation from service of those employees having 10 years or more of service in the public retirement system.

(b) COMPENSATION FOR UNUSED SICK LEAVE:

(1) Compensation for unused sick leave as described in paragraph (a) will be at the rate of one hour for every three hours accrued, to be paid at the eligible employees hourly rate of pay. In the event of death, such payment will be made to a legitimate heir. As an alternative to the cash payout described in this paragraph, upon retirement after 10 years of satisfactory service, employees may elect in writing to utilize a maximum of 720 hours of accrued unused sick leave on the basis of one hour for every three (33 1/3%) at the employee's regular hourly rate of pay unadjusted for retirement to pay for the employee's post-retirement group health insurance. If used for this purpose, the sick leave will be given a present value on the effective date of the Nevada PERS retirement base on one-third (1/3) of accrued sick leave up to a maximum of 720 hours (i.e. 240 hours) and will be accounted for by the City in a non-cash, non-interest bearing account in the employee's name to pay for the employee's premium for post-retirement group health insurance from the City-approved group insurance plan at the then-existing premium at the time of the monthly premium. The employee's account will be automatically debited monthly and will automatically expire when exhausted or when the retiree dies or becomes covered by another group or private health insurance policy or Medicare. The employee/retiree is responsible for any premium payments once his or her account is exhausted. The employee will be notified at least one month before the account is exhausted. The employee remains solely liable for any premiums for qualified dependants if allowed by the terms of the City group health insurance policy. If the employee elects cash payment, he or she waives

post-retirement conversion of sick leave to pay for post-retirement health insurance. If the employee elects post-retirement conversion of sick leave, he or she waives any cash payoff for accrued sick leave.

(2) In addition to the compensation for unused sick leave described in paragraph (a)(1) of this section, an employee who is eligible for purchase of service credits under the Nevada Public Employee's Retirement system (PERS) and applicable law, may, at his or her option convert unused sick leave into service credit under PERS at the rate of one hour of service credit for one hour of sick leave, subject to the following conditions and limitations:

(a) Employees must maintain a balance of at least 400 hours of unused sick leave to be eligible to convert sick leave into retirement service credit. Accrued, unused sick leave in excess of 400 hours may be converted into retirement service credit.

(b) An employee's conversion of unused accrued sick leave into retirement service credits shall be in increments of at least eight hours, subject to a maximum annual limit of 280 hours.

(c) Employees desiring to convert unused accrued sick leave into retirement service credits shall submit a written request, on a form approved by the City, to the Sheriff and City Manager on or before December 1 of each year. If the employee meets all the conditions set forth in this section, then the City shall deduct the designated amount of sick leave from the employee's account and proceed to purchase retirement service credits from PERS in an amount equal to the number of hours elected to be converted by the employee.

(d) Upon retirement under PERS while employed by the City, an employee may elect in writing to convert their unused accrued sick leave into retirement service credits up to a maximum of 680 hours.

(c) FAMILY/MEDICAL LEAVE: An employee may be eligible for Family/Medical Leave subject to the provisions of the Carson City policy and Federal

Law to a maximum of twelve (12) weeks or four-hundred and eighty (480) hours in any twelve (12) month period.

(d) The City Human Resources Department will administer this leave and any leave granted is subject to requested and submitted medical documentation. All medical documentation will be maintained in strictest confidence by the City Human Resources Department.

(e) Medical documentation may be requested by the City Human Resources Department following any employee absence of more than three (3) consecutive days.

(f) In accordance with City policy, no sick time may be used when an employee is not sick.

(g) **WORKER'S COMPENSATION:** Employees who suffer an injury or illness in the line of duty with Carson City and such injury or illness prevents the employee from performing his normal duties and are being compensated pursuant to NRS Chapter 616 shall receive full salary for a period of up to, but not exceeding, sixty calendar days. When hospital confinement is warranted in a duly licensed hospital as a result of industrial injury or illness, the sixty calendar days for which the City pays the entire salary commences the day following release from the hospital. For the purpose of this subparagraph, the Board of Supervisors may, at their discretion, approve at the employee's request "home care" to constitute "hospital confinement". After expiration of the sixty calendar days subsequent to the on-the-job injury, if the employee is still unable to work, he may elect to use accrued sick leave, during which period the employee shall receive full compensation from the City. It is the intent of the City to pay the difference between his salary and that provided by NRS Chapter 616 as a salary continuance. The employee shall return to the Personnel Department all workmen's compensation while receiving full City pay and benefits.
