**Time Requested:** 10 minutes

**To:** Mayor and Supervisors

**From:** Nick Providenti, Director of Finance  
Stacey Giomi, Fire Chief

**Subject Title:** Action to approve the application to remove the uncollectible accounts receivable specified in the application from the records of the Ambulance Fund for a total amount of \$3,250,069.02 in uncollectible accounts receivable.

**Staff Summary:** NRS 354.256 requires that the Controller apply to the Board for permission to remove uncollectible accounts receivable from the records of the County.

**Type of Action Requested:** (Check One)

Resolution                       Ordinance  
 Formal Action/Motion       Other (Specify)

**Does this action require a Business Impact Statement:**  Yes       No

**Recommended Board Action:** I move to approve the application to remove the uncollectible accounts receivable specified in the application from the records of the Ambulance Fund for a total amount of \$3,250,069.02 in uncollectible accounts receivable.

**Explanation of Recommended Board Action:** NRS 354.256 requires that the Controller apply to the Board for permission to remove uncollectible accounts receivable from the records of the County.

There presently exist a number of accounts receivable on the records of the Ambulance Fund which are deemed to be uncollectible. These accounts were worked by the Ambulance Billing Office and Advanced Data Processing, Inc.(ADPI). When all avenues available were exhausted accounts were assigned to collection agencies who then worked them until all reasonable collection efforts available to them were also exhausted. Most of the uncollectible amounts are due from transients from out of state who cannot be located, from senior citizens with no income or assets, or from people who are dead or bankrupt. The unpaid amounts will remain on the credit records of the debtors for seven years.

A listing of the accounts deemed uncollectible is attached including amounts, the name of the debtor, the incident number, and the date of the incident. A letter from ADPI is also attached indicating why the debt is uncollectible and the reasons therefore. The total involved is \$3,250,069.02.

The amounts in question have accumulated over the past 6 years. They have already been recorded in an allowance for doubtful accounts on the books of the Ambulance Fund in prior years, and the expense of the bad debts recognized, so no further fiscal impact will result from removing them from the records of the fund. In fact, during the last 6 years, a total of \$4,728,015 have been recognized as bad debts out of total billings for the same period of \$26,722,195. In their audit recommendations for the fiscal year ending June 30, 1996 Kafoury, Armstrong recommends that clearly old and uncollectible balances be written off against the allowance for doubtful accounts at least on an annual basis.

Staff hereby applies for permission to remove the accounts listed on the attached documents from the records of the Ambulance Fund.

Re: Account Write offs

Dear Chief Giomi:

As part of the monthly reporting, you received a list of accounts to be written off as "uncollectible". Based on our current reporting, the write off reasons and subsequent action are defined as:

1. Send to Collections, Bad Address: These are private pay bills where after a skip tracing through our 3<sup>rd</sup> party service, Accurant, we were unable to secure a valid address and the account is sent to your external collection agency
2. Send to collections, No patient response: No less than 3 bills and a final collection letter have been sent to the patient with no response. This group is also sent to your external collection agency
3. Bankruptcy: Upon receipt of the court letter stating a bankruptcy is in place. Billing cannot proceed and these accounts are written off.
4. Deceased patients: Once we are advised a patient is deceased and no billable insurance or estate is available for payment, these accounts are written off.
5. Small Balance Write-off: Patient balances less than \$5.00 are not billed and accounts less than \$20.00 are not sent to the collection agency.

In addition to the above there is a Membership Write off on any transported patients when they are active in your subscription program. If there is no insurance, or a balance due after the insurance has paid, these accounts are written off with no further action. For reporting purposes, these accounts are detailed as revenue adjustments and while a transaction is made to remove the balance, it is not part of the monthly files sent to your collection agency.

Please do not hesitate to contact me directly at 303.336.3492 if there are any questions or additional information is needed.

Sincerely,

A handwritten signature in cursive script that reads 'Pamela Olkowski'.

Pamela Olkowski

Vice-President
