CARSON CITY herewith submits the (TENTATIVE) --- (FINAL) budget for the
fiscal year ending June 30, 2010

This budget contains 5 funds, including Debt Service, requiring property tax revenues totaling \$ 18,472,339

The property tax rates computed herein are based on preliminary data. If the final state computed revenue limitation permits,
the tax rate will be increased by an amount not to exceed 1.7070 If the final computation requires, the tax rate will be
lowered.

This budget contains 25 governmental fund types with estimated expenditures of \$ 83,577,762 and
10 proprietary funds with estimated expenses of \$ 37,314,234

Copies of this budget have been filed for public record and inspection in the offices enumerated in NRS 354.596 (Local
Government Budget and Finance Act).

CERTIFICATION

APPROVED BY THE GOVERNING BOARD

I Nick Providenti

CARSON CITY, NEVADA

CONSOLIDATED MUNICIPALITY AND STATE CAPITAL

May 18, 2009

Dear Citizens, Mayor, and Board Members:

The budget includes 25 governmental funds with estimated expenditures of \$83.6 million and 10 proprietary funds with expenditures of \$37.3 million.

General Fund Revenues

Total general fund revenues are expected to increase 2.32% from our estimate for fiscal 2009. Property tax revenue is expected to increase 5.5%, Licenses and Permits .3%, and Charges for Services 5.7%. A law limiting the growth of property tax bills was passed by the 2005 Legislature; generally tax bills for homeowners may not increase by more than 3%, while tax bills for business may increase up to 8%. The effect of the property tax cap to the general fund was \$12.6 million in fiscal 2009 and is estimated to be \$11.9 million in fiscal 2010. Consolidated tax revenue is the largest single source of general fund revenue comprising 36.09% of total estimated revenue or \$20.6 million in fiscal 2010. Because our fiscal 2009 estimate of Consolidated taxes is down 23.1% (\$6.2 million) from its peak in fiscal 2006, we are anticipating the numbers to level out in fiscal 2010 and is the reason why we are leaving the budgeted Consolidated taxes number flat in fiscal 2010. General fund per capita revenues are expected to be \$992 in fiscal 2010.

General Fund Expenditures

Total general fund expenditures are projected to decrease 1.1% from estimated fiscal 2009. Total general fund expenditures are projected to be \$60.3 million in fiscal 2010. Salaries and benefits comprise 75.40% of total general fund expenses; services, supplies and capital the remaining 24.60%. Estimated expenditures by function are (amounts expressed in thousands):

General Government	\$ 13,871
Judicial	4,915
Public Safety	26,969
Public Works	2,141
Sanitation	1,874
Health	1,602
Welfare	382
Culture and Recreation	6,193
Community Support	2,383
	\$ 60,330

2.3

Capital Projects and Reserves

The City through conservative budgeting and fiscal practices has accumulated resources over the last several years to fund reserves. The City's policy is to retain 8.3% current year expenditures as an operating reserve in the general fund. Because of the current economic conditions, a transfer of \$1.6 million from the Stabilization Fund will be necessary in fiscal 2010 to maintain that percentage. Because of the economy general government capital projects have been put on hold as we are not appropriating any new money for capital expenditures in fiscal 2010.

Enterprise Funds

We are including several rate increases for the enterprise funds in fiscal 2009-10.

The Storm Drainage Fund is including a 10% increase in rates which will be used to offset rising operating costs and to pay for debt service for additional capital needed for the Curry Street project.

The Sewer utility is including a 5% increase in rates effective July 1, 2009. This increase in rates is necessary to offset rising operating costs and to compensate for the loss of Connection Fees due to the slowing economy and lack of construction. This rate does include funding for some capital projects – mainly for freeway related utility relocations. Should the utility decide to fund additional capital projects in the future, further rate increases will be analyzed.

The Water utility is including a rate increase of 5% starting July 1, 2009. This increase in rates is necessary to offset rising operating costs and to compensate for the loss of Connection Fees due to the slowing economy and lack of construction. This rate does include funding for some capital projects – mainly for a new Prison Hill water tank, which is on the verge of failure. Should the utility decide to fund additional capital projects in the future, further rate increases will be analyzed.

There are no other proposed rate increases in any of the other enterprise funds. Because of the slowing economy and lack of building in the area, staff has continued to scale back the Building Permits fund. This has been accomplished mainly through the reassignment of employees to other areas in the government.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lawrence Werner', with a long horizontal flourish extending to the right.

Lawrence Werner
City Manager
