12-1. OFFICE OF BUSINESS DEVELOPMENT

12-1(A) ACTION TO APPROVE AND RECOMMEND TO THE BOARD OF SUPERVISORS THEIR CONSENT TO A \$40,000.00 INCENTIVE REQUEST BY PARADISE COVE CAFÉ TO REDEVELOP THE PROPERTY AT CARSON MALL, WITH THE REDEVELOPMENT AUTHORITY FINDING THAT THIS PROJECT MEETS THE INCENTIVE PROGRAM CRITERIA AND THE NECESSARY FINDINGS SET FORTH IN NRS 279.486, SPECIFICALLY THAT THE PROJECT BENEFITS THE CURRENT REDEVELOPMENT PLAN AREA, THAT THE PROJECT HAS NO OTHER REASONABLE MEANS OF FINANCING AVAILABLE, THAT THE INCENTIVE WILL BE PAID ON A REIMBURSEMENT BASIS FOR MONEY EXPENDED BY THE APPLICANT ON THE PROJECT, THAT OTHER FINANCING IS AVAILABLE TO PAY FOR THE REMAINING COSTS OF THE PROJECT, AND THAT THE INCENTIVE IS SUBJECT TO THE APPLICANT FULFILLING CITY REQUIREMENTS (8:58:29) - Chairperson Williamson introduced this item, and Business Development Manager Joe McCarthy reviewed the agenda report. (9:00:23) At Chairperson Williamson's request, Doug Cramer described plans for the Paradise Cove Café, as outlined in the agenda materials. He responded to questions of clarification regarding project funding and tenant improvements. Member Livermore expressed surprise over the Carson Mall being designated as an area of blight. Discussion took place with regard to Mr. Cramer encumbering his residence as collateral against the redevelopment incentive funding declining lien.

Vice Chairperson Aldean noted that the additional rents, i.e., the pro rata contribution to the operating costs of the mall, are "to be determined," and expressed concern over the sustainability of the base rents over time. At Mr. Cramer's request, Chairperson Williamson recessed the meeting at 9:16 a.m. and reconvened at 9:22 a.m. In response to a previous question, Mr. Cramer discussed the benefits of a restaurant which serves dinner in the subject location. In response to a comment, Vice Chairperson Aldean expressed

confidence in Mr. Cramer's ability as a restaurateur, but no faith in the economy. She expressed additional concern over the lack of "substantial reserves." She noted Mr. Cramer's "established reputation in town," but also noted that new businesses often take away from other establishments "which will probably include Mom and Pop's." She expressed concern over risking the \$40,000 "of taxpayers' money," and for the Cramers personally. In response to a question, Mr. Cramer advised of having checked the value of his house "online." "It's still about \$175,000." Mr. Cramer offered Mom and Pop's Diner as collateral against the declining lien. Mr. McCarthy responded to questions regarding the mechanism of the declining lien. Vice Chairperson Aldean inquired as to the assignment provision in the Carson Mall lease contract. Mr. Cramer advised that his wife and children have been working at Mom and Pop's Diner "all along." He acknowledged that the lease agreement was executed with no contingency in consideration of the redevelopment incentive program application.

Chairperson Williamson entertained public comment; however, none was forthcoming. Mr. Cramer discussed his restaurant experience, and requested the Redevelopment Authority's consideration of the redevelopment incentive program application. He acknowledged that his plans will have to be scaled back or modified without the incentive funding.

Chairperson Williamson advised that the Redevelopment Authority Citizens Committee ("RACC") had reviewed, discussed, and approved the subject application, and entertained a motion. **Member Crowell moved to approve and recommend to the Board of Supervisors their consent to a \$40,000.00 incentive request by Paradise Cove Café to redevelop the property at Carson Mall, with the Redevelopment Authority finding that this project meets the incentive program criteria and the necessary findings set forth in NRS 279.486, specifically that the project benefits the current redevelopment plan area, that the project has no other reasonable means of financing available, that the incentive will be paid on a reimbursement basis for money expended by the applicant on the project, that other financing is available to pay for the remaining costs of the project, and that the incentive is subject to the applicant fulfilling Carson City requirements, one of which is that the homestead will be removed from the Cramers' residence if a second mortgage is taken out as collateral against the declining lien associated with the incentive program funding. Member Walt seconded the motion.** Vice Chairperson Aldean advised she would vote in opposition to the motion. She noted that Mr. Cramer had "raised the bar in terms of what the [Redevelopment Authority] will now be expecting with respect to information brought before us in connection with these incentive applications." She reiterated concern over the "riskiness of this venture," in consideration of "the public's money." She expressed uncertainty over investing personal funds in such a venture, and the opinion that the public's money should, therefore, not be invested. She reiterated confidence in Mr. Cramer's restaurant management experience, but noted "there are a lot of very capable operators who have gone under through no fault of their own." Member Livermore concurred with Vice Chairperson Aldean, and expressed concern over the unknown "common area maintenance" costs. He expressed appreciation for Mr. Cramer's investment in the community. Chairperson Williamson entertained public comment and, when none was forthcoming, called for a vote on the pending motion. **Motion carried 3-2.** Ms. Bruketta advised Mr. Cramer of the requirement for a two-thirds majority vote of the Board of Supervisors, and suggested that he "stick around for that."

12-1(B) ACTION TO APPROVE AND RECOMMEND TO THE BOARD OF SUPERVISORS THEIR CONSENT TO A \$26,144.00 INCENTIVE REQUEST BY THE BLUE BULL TO REDEVELOP THE PROPERTY AT 107 EAST TELEGRAPH STREET, WITH THE REDEVELOPMENT AUTHORITY FINDING THAT THIS PROJECT MEETS THE INCENTIVE

PROGRAM CRITERIA AND THE NECESSARY FINDINGS SET FORTH IN NRS 279.486, SPECIFICALLY THAT THE PROJECT BENEFITS THE CURRENT REDEVELOPMENT PLAN AREA, THAT THE PROJECT HAS NO OTHER REASONABLE MEANS OF FINANCING AVAILABLE, THAT THE INCENTIVE WILL BE PAID ON A REIMBURSEMENT BASIS FOR MONEY EXPENDED BY THE APPLICANT ON THE PROJECT, THAT OTHER FINANCING IS AVAILABLE TO PAY FOR THE REMAINING COSTS OF THE PROJECT, AND THAT THE INCENTIVE IS SUBJECT TO THE APPLICANT FULFILLING CITY REQUIREMENTS (9:34:50) - Chairperson Williamson introduced this item. Mr. McCarthy introduced Terry and Lara Poor, and reviewed the agenda report. Vice Chairperson Aldean described the subject application as “classic redevelopment,” in consideration of the “building that is falling into disrepair,” and the capital required to restore historic buildings. She inquired as to the legal status of the stairwell walkway, and whether there is actually a public easement which encumbers it.

(9:35:40) Mr. Poor advised of having executed an easement agreement between Dennis Steele and John Davidson, who own the two buildings directly to the west. “We all are partial owners” of the sidewalk “that we’re doing the public improvement on.” Mr. Poor acknowledged that the easement agreement is private, and not in favor of the general public.

Chairperson Williamson entertained public comment and, when none was forthcoming, entertained a motion. **Vice Chairperson Aldean moved to approve and recommend to the Board of Supervisors their consent to a \$26,144.00 incentive request by The Blue Bull to redevelop the property at 107 East Telegraph Street, with the Redevelopment Authority finding that this project meets the incentive program criteria and the necessary findings set forth in NRS 279.486, specifically that the project benefits the current redevelopment plan area, that the project has no other reasonable means of financing available, that the incentive will be paid on a reimbursement basis for money expended by the applicant on the project, that other financing is available to pay for the remaining costs of the project, and that the incentive is subject to the applicant fulfilling City requirements. Member Livermore seconded the motion. Motion carried 5-0.**

12-1(D) ACTION TO APPROVE AND RECOMMEND TO THE BOARD OF SUPERVISORS THE APPROVAL OF THE EXPENDITURE OF \$4,500.00 FROM THE REVOLVING FUND FOR THE REDEVELOPMENT AGENCY TO SUPPORT THE SILVER AND SNOWFLAKES HOLIDAY TREE LIGHTING, AS AN EXPENSE INCIDENTAL TO CARRYING OUT THE REDEVELOPMENT PLAN WHICH HAS BEEN ADOPTED BY THE CARSON CITY BOARD OF SUPERVISORS, AND BASED UPON THE FINDINGS THAT

In response to a question, he advised that Carson Nugget representatives consider the development project “an imperative.” Vice Chairperson Aldean noted that Exhibit E had been distributed to the Redevelopment Authority members, and advised that it should be attached to the Second Amendment to the Settlement Agreement.

Chairperson Williamson entertained public comment and, when none was forthcoming, a motion. Ms. Bruketta provided an overview of the revised Second Amendment to the Settlement Agreement. (9:45:12) Carson Nugget, Inc. Vice President Steve Neighbors advised that Nugget representatives have considered the traffic signal to not be “in the best interests of the community” long-term. He expressed understanding for the revisions and waived the right to the traffic signal. **Vice Chairperson Aldean moved to approve and recommend to the Board of Supervisors their consent to a \$438,589.00 incentive request by the Carson Nugget to cover the costs associated with the Nugget Development Project as set forth in the Second Amendment to the Settlement Agreement, as amended, between Carson City Nugget, Inc., Carson Nugget, Inc., and Carson City, and authorizing the expenditure of money from the revolving fund for the Redevelopment Authority for the payment of the incentive. She expressed the hope there will be no need for Mr. Thind to appear again before the board, and wished him the best of luck. PROPERLY RELATED THERETO (10:40:03) - Mayor Crowell reconvened the meeting at 10:40 a.m., and introduced this item. In response to a question, Animal Services Director Pat Wiggins advised that a revision was made to the definition of “garbage,” at page 2 of the proposed ordinance. He read the same into the record, and responded to questions of clarification.

Mayor Crowell entertained public comment. (10:41:36) Gil Yanuck thanked Mr. Wiggins and Mr. Werner for helping to facilitate development of the proposed ordinance. Mr. Yanuck also thanked NDOW staff Kim Jolly and Kelly Clark, both of whom were present in the audience, for providing informational materials for the public workshops held last summer. Mr. Yanuck advised that the public input was “well received and very constructive. It resulted in some improvements in the language and understanding ...” which promotes acceptance of change. Mr. Yanuck commended the City for “getting the word out.” In response to a question, he advised that the ruling as to whether or not the sage grouse will be listed as an endangered species will not “come out until next year.”

(10:45:29) NDOW Management Analyst Kim Jolly commended the Carson City Advisory Board to Management Wildlife, Mr. Werner, Mr. Wiggins, and the Board members for facilitating development of the proposed ordinance. “This is going to really help, especially boundary to boundary, to have a seamless ordinance ...” She also commended the Board on including the provision, at Section 7.01.060(1), prohibiting intentional feeding of bears.

(10:46:17) NDOW Conservation Education Chief Kelly Clark advised she is a Carson City resident, and expressed appreciation for the proposed ordinance. She advised that Carson City joins Gardnerville and Incline Village in enacting an ordinance. “We know, from past experience, ... that these type of activities require a three-legged stool,” including enforcement, education, and “wildlife managers doing the hazing activity to make sure that we can protect bears and protect our public as well.” Ms. Clark encouraged the Board to enact the proposed ordinance, and offered her assistance as NDOW Conservation Education Chief. In response to a question, Ms. Clark advised of having worked cooperatively with the Sheriff’s Office “to put on community forums to educate the public.” She further advised of having done direct mailings “to zip codes in the areas that we know are affected along the Sierra Front.” She discussed the importance of a “consistent message.”

Mayor Crowell entertained additional public comment and, when none was forthcoming, a motion. **Supervisor Aldean moved to approve Bill No. 126, on second reading, Ordinance No. 2009-25, an ordinance amending the Carson City Municipal Code, Title 7, Animals, by adding Chapter 7.01, Bear Proof Collection Bins, Containers, and Structures, and adding Section 7.01.010, Definitions, Section 7.01.020, Statement of Intent, Section 7.01.030, Applicability, Section 7.01.040, Collection Bin, Container, and Structure Maintenance, Section 7.01.050, Authority to Issue Citations, Section 7.01.060, Violation and Penalty, Section 7.01.070, Severability, and other matters properly related thereto. Health and Human Services Department Director Marena Works reviewed the agenda report. Supervisor Williamson commended Ms. Works on the successful immunization clinic held last Saturday, October 10th. In response to a question, Ms. Works advised that 4,844 immunizations were provided. Supervisor Williamson noted the figure represented “just under ten percent of the population,” and that Health and Human Services Department staff demonstrated their ability to provide widespread immunization support in the event of a catastrophe. She congratulated Ms. Works.

In response to a question, Ms. Works advised that accreditation would be a separate process from participation in the subject beta test site program. “It will just prepare us so that we could apply.” Ms. Works acknowledged sufficient staff to handle the increased work load. She explained the funding provides for hiring a consultant. Additionally, a Health and Human Services Department staff member, who is working on an advanced degree, will be assisted by participating. Supervisor Livermore commended Ms. Works on the subject item. In response to a question, she advised that two immunization clinics will be held on Saturday, October 17th, one in Douglas County and one in Lyon County. Supervisor Livermore noted “all this ... just adds to the credibility of the district health board.” In response to a question, Ms. Works advised that flu vaccinations are available every Thursday at the Health and Human Services Department “until our supplies are exhausted.” Supervisor Walt advised of having received positive feedback regarding the organization and efficiency of last Saturday’s immunization clinic, and commended Ms. Works. In response to a question, Ms. Works advised of “very small supplies” of the H1N1 vaccination. “We have been working really hard to get our health care providers vaccinated.”

Mayor Crowell entertained a motion. **Supervisor Williamson moved to adopt an agreement between the National Association of County and City Health Officials and Carson City, a consolidated municipality and political subdivision of the State of Nevada, on behalf of the Carson City Health and Human Services Department, to provide support for participation in the Public Health Accreditation Board (“PHAB”) Beta Test Site Program, and other matters properly related thereto. Sheriff Ken Furlong reviewed the agenda report, and discussed the objectives of the grant. In response to a question, he discussed the likelihood that the Nevada Sheriffs and Chiefs Association will be funding purchase of the GangNet software. In response to a further question, he advised that the subject grant period is twelve months. He has proposed providing sufficient information with regard to successes “to go back and receive further ongoing funding, more toward the three-year grant period that we had initially asked for.” He advised of several Sheriff’s Office deputies who are assigned full-time to gang operations and work them “constantly.” If the grant is not funded beyond twelve months, Sheriff Furlong expressed the opinion that achieving the primary goal of intelligence gathering “would go a long way toward the other counties and us continuing to share information and continuing the operations.” He discussed the importance of regional cooperation, and advised “these geographical or governmental barriers need to be removed when it comes to this type of an operation.” He noted the concept is similar to the TriNet Task Force, and advised of having requested, through the Congressional representatives, support from the Immigration and Naturalization Service and the State of Nevada Division of Investigation.

Supervisor Livermore inquired as to the possibility of including Storey County in the task force. Sheriff Furlong advised of having considered Storey County, and discussed the emphasis on the South Lake Tahoe region, along the southern areas of Lyon County. Storey County representatives have not indicated a “significant issue to join in with this collaborative effort.” In response to a further question, Sheriff Furlong expressed support for employers being able to check the possibility of a potential employee’s gang affiliation through the Sheriff’s Office. Discussion followed.

Mayor Crowell entertained additional questions or comments and, when none were forthcoming, a motion. **Supervisor Livermore moved to approve the acceptance of the Regional Gang Initiative grant, 09-ARRA-04, in the amount of \$350,000.00, supported by the American Recovery and Reinvestment Act through the Nevada Department of Public Safety, Office of Criminal Justice Assistance. At Mayor Crowell's request, Ms. Bruketta explained the proposed provisions pertinent to the hearings officer. In response to a question, Ms. Bruketta recommended reviewing the provisions of Section 4.13.115. Mayor Crowell questioned the appropriateness of a corporation being required to report changes in its list of corporate officers if said corporate officers have no direct management responsibility. He requested Ms. Bruketta to review Section 4.13.115, and suggested language to indicate the requirement to report a change in management of the corporation sufficient to cause a question pertinent to the liquor license. Discussion followed, and Mayor Crowell noted there was no requirement in the ordinance for a corporation to identify a liquor manager. Mr. Werner advised that the language would be further reviewed.

Mayor Crowell entertained a motion. **Supervisor Aldean moved to introduce, on first reading, Bill No. 127, an ordinance amending the Carson City Municipal Code, Title 4, as amended, published, and amended. Supervisor Livermore seconded the motion. Motion carried 5-0.**

Ms. Martell-DeLuca advised that her current employment position is internal auditor at a local financial institution. In reference to Ms. Martell-DeLuca's participation in the Northern Nevada Chapter of the Institute of Internal Auditors, Supervisor Walt inquired as to the programs over which Ms. Martell-DeLuca serves as vice president. Ms. Martell-DeLuca provided background information on the Northern Nevada Chapter of the Institute of Internal Auditors, and discussed her involvement in facilitating educational programs in northern Nevada. In response to a further question, she discussed the importance of an audit committee, independent of the governing body, which most important function would be "to bring value to what the City does overall."

In response to a question, Ms. Martell-DeLuca discussed her experience outsourcing audit services. She discussed the importance of a specific scope of work and ensuring "it's priced right." He acknowledged a familiarity with the public record associated with the audit committee, and stated he will be "very comfortable" with it.

Supervisor Aldean inquired as to Mr. McKenna's style of interaction, and provided examples. Mr. McKenna acknowledged the ability to be both collaborative and confrontational, as necessary. He explained his tendency to work toward goals, which "may not be a product but more of a feeling among the citizenry that things are being done right and that they're getting the total answer and that there is nothing hidden." He expressed a preference to be cooperative and work toward a goal. In response to a further question, he expressed the opinion that a Board member should serve on the audit committee "simply because you are the decision makers and you need to have one of your members there" to provide oversight. Mayor Crowell invited Mr. McKenna to stay for the remainder of the interview process, and thanked him for his application.

(1:52:38) Mayor Crowell thanked Richard Moore for his application, and provided an overview of the interview process. In response to a question, Mr. Moore discussed his interest in serving as an audit committee member and provided background information on his experience.

In response to a question, Mr. Moore described his style of interaction as "participative." He noted that the audit committee "is one part of the process," and that Finance Department representatives would likely be involved. He discussed the responsibility to represent the community. In response to a question regarding having a Board member serve on the audit committee, Mr. Moore reiterated his opinion that the audit committee "is just the first step of the budget process ..." In response to a further question, he expressed the opinion that a Board member serving on the audit committee is "a positive move."

Supervisor Williamson thanked Mr. Moore for his application. Mr. Moore acknowledged his availability to meet in the evenings, and an understanding of the concept of a public record. He expressed the opinion that the process should be open to the public. "The more information communicated to the community, the better off you are." In response to a further question, Mr. Moore expressed the opinion that the audit committee's major function is to provide input as a first step in the budget process to the Board of Supervisors.

Supervisor Livermore thanked Mr. Moore for his application, and provided background information on the recently contracted external auditor. In response to a question, Mr. Moore discussed his experience working with internal auditors. Supervisor Livermore described the composition of the audit committee, including one member of the Board of Supervisors. (2:02:25) Mayor Crowell thanked William Prowse for his application, and provided an overview of the interview process. In response to a question, Mr. Prowse discussed his interest in serving as a member of the audit committee. In response to a question regarding whether Mr. Prowse's motivation for serving was a concern over waste, fraud, and abuse in Carson City government, he expressed the belief that he can help the City improve its operations. "From an audit standpoint," he expressed the belief that "every audit can find some deficiencies. The big concern ... is whether they're raised to the level of a problem ..." Mr. Prowse expressed the opinion that the City is "no different than any other government on the planet." The question is "how serious it is, whether it is such that it is hindering the provision of services to the public, ... taking financial resources that should be used elsewhere ..."

In response to a question, Mr. Prowse provided background information on his current position with the Attorney General's Bureau of Consumer Protection. Supervisor Livermore provided background information on the recently contracted external auditor. In response to a question, Mr. Prowse discussed his experience with the Department of the Interior Inspector General's Office in Guam. In response to a comment, he advised "there's no way to prosecute the thousands of fraudsters ... We need to work on prevention. That is exactly the focus of internal audits, internal controls, how to avoid problems, catch problems before they get too big."

Supervisor Walt inquired as to Mr. Prowse's opinion of the audit committee's function. Mr. Prowse suggested that the functions are described in the ordinance. In consideration of limited resources, he further suggested that the audit committee could provide a more broad set of services than "if you had a full-fledged internal audit group." He discussed the traditional concept of audit committees to serve as "an intermediary and ... representative of the Board of Supervisors ... to get into the nitty-gritty of what the audit is, what audits should be done, to what level, and then evaluate the audit report, and hopefully allow a good and effective audit to be presented to the community as a whole." He expressed uncertainty as to how much the contract auditors will be able to accomplish with \$30,000.

Supervisor Williamson thanked Mr. Prowse for his application. In response to a question, he discussed the flexibility in his schedule which would allow him to attend afternoon or evening meetings. Supervisor Williamson discussed the public nature of the audit committee meetings, and Mr. Prowse acknowledged an understanding of the details surrounding a public record.

Supervisor Aldean inquired as to Mr. Prowse's style of interaction, and provided examples. Mr. Prowse advised that he tends to be more collaborative than confrontational and that he tries "hard to avoid defeating your argument by being, in effect, confrontational ..." He further advised that his entire career has "been working on teams." In response to a further question, Mr. Prowse expressed the opinion that a Board member serving on the audit committee represents "a two-edged sword." He discussed the benefit of an insight into "what the Supervisors are thinking about and a perspective," and the detriment that an elected official would "naturally have a lot more clout than the rest of the members" of the committee. Mayor Crowell thanked Mr. Prowse for his application, and invited him to stay for the Board's deliberation.

Mayor Crowell reiterated the suggestion to first fill the terms ending December 2010, and the Board members concurred. Discussion took place with regard to suggested recommendations, and Mayor Crowell entertained a motion. **Supervisor Livermore moved to appoint John McKenna and Bill Prowse to serve on the audit committee for two-year terms ending December 2010. Supervisor Aldean seconded the motion. Motion carried 5-0.** Mayor Crowell congratulated Mr. McKenna and Mr. Prowse. Supervisor Livermore seconded the motion. Motion carried 5-0.** Supervisor Williamson commended all the applicants, and thanked them for their willingness to volunteer. A brief discussion followed.
