### MEMORANDUM

Board of Supervisors meeting of December 3, 2009

**TO:** Mayor and Board of Supervisors

**FROM:** Lee Plemel, Planning Director; Juan Guzman, Open Space Manager

**DATE:** November 20, 2009

**SUBJECT:** **Direction to BLM regarding the sale of federal properties pursuant to the Omnibus Public Land Management Act of 2009.**

The Omnibus Public Land Management Act of 2009 (the "Act") was signed by the President of the United States in March 2009. The bill provides for the disposition of more than 8,000 acres of federal lands within Carson City, including the sale of approximately 150 acres of federal land by BLM. The Act further provides that the lands are to be sold within one year of the enactment of the Act unless Carson City postpones or excludes the properties from sale. The purpose of this action is to provide direction to BLM on the timing of sales of certain properties before the one-year deadline arrives.

The Act designates several properties for sale by BLM. Those properties are described in this staff report as follows (refer to the maps below in this memo and the attached Lands Bill Map):

- 1) "Parcel 1" – Approximately 50 acres (subject to the NDOT right-of-way through the property) at Highway 50 West near South Carson Street.
- 2) "South Edmonds" – Approximately 2 acres on South Edmonds Drive between Clearview Drive and Bennett Drive.
- 3) "Pinion Hills Parcels" – Fourteen parcels of approximately 2 acres each in the Pinion Hills neighborhood.
- 4) "Flint Drive" – Approximately 60 acres adjacent to Flint Drive near Highway 50 East.
- 5) "Colorado Street" – Approximately 5 acres at Colorado Street and South Edmonds Drive, predominantly within the future freeway right-of-way.

BLM is required to bear the cost of the sale of these properties. The properties are required to be offered by competitive bid for not less than fair market value. The City will certify to BLM that qualified bidders have agreed to comply with the City Master Plan and zoning ordinances prior to sale. The proceeds from the sale of these properties are required to be distributed as follows:

- 5 percent is paid directly to the State for the general education program.
- 95 percent goes into a special account in the Treasury of the United States available to the Secretary of the Interior to be used for:
  - Reimbursing BLM for the costs of selling these properties;
  - Reimbursing BLM and the Forest Service for the cost of transferring other lands described in the Act to Carson City; and
  - Acquisition of environmentally sensitive land or an interest (e.g. conservation easement) in environmentally sensitive land in the City.

Following are the recommendations for sale of the specific properties identified in the Act. Note that it is estimated that it could take approximately 12-18 months to complete the sale of any property from initiating the sale process. Also note that BLM does not have dedicated funds to use to initiate the sale of properties, including any necessary environmental impact reports. Therefore, the “easier” parcels to sell, e.g. those that do not require extensive surveying, are recommended to be sold first to generate money to fund additional sales.

**1) Parcel 1** – Highway 50 West near South Carson Street (see map below).

Parcel 1A Priority: Initiate the sale of Parcel 1A immediately, approximately 3 acres behind the existing Costco building, subject to granting a right-of-way to Carson City over the south portion of the property containing drainage facilities within an existing easement.

Parcel 1B Priority: Postpone the sale indefinitely pending further direction from Carson City after investigation of existing easements and rights-of-way for the NDOT materials operation.

#### **PARCEL #1**

## 2) South Edmonds

Priority: Initiate the sale of South Edmonds property immediately.

### SOUTH EDMOND DRIVE PARCEL

## 3) Pinion Hills Parcels

Priority: Postpone the sale of the Pinion Hills parcels indefinitely in order to explore options for disposal of the parcels. Some of the parcels do not have roads to the property frontage and have other topographic constraints.

### PINION HILLS PARCELS

#### 4) Flint Drive

Priority: Postpone the sale of the Flint Drive property indefinitely. Parcel A shall be sold as one property to facilitate cohesive development of the property. Parcel B should be offered to the adjacent private property owner to the east of Parcel B to allow the property owner to improve their highway frontage and prevent another owner from controlling the highway frontage adjacent to the current private lands.

Rationale: The sale of this property will require survey work to determine the property boundaries along Flint Drive and Eastgate Drive. Adequate right-of-way must be maintained along Flint Drive and Eastgate Drive to accommodate future access and roadway improvement for the development of this property, and this access requirement still needs to be determined. BLM currently does not have funding available to complete the required survey work. The sale of other properties will help fund the work necessary to sell this property.

Also, the V&T Railroad is exploring the possibility of using this property for a permanent depot site. The delay of the sale will give more time to explore the various alternatives for the sale and development of the property.

#### FLINT DRIVE PARCELS

## 5) Colorado Street

Priority: Postpone the sale of the Colorado Street property indefinitely pending the completion of the freeway through the property to determine what remaining land is available.

### COLORADO STREET PARCEL

### Summary of Recommendations:

- 1A) Initiate the sale of Parcel 1A (approximately 3 acres) immediately, subject to the exclusion of a right-of-way to Carson City for existing drainage improvements.
- 1B) Postpone the sale of Parcel 1B indefinitely in order for the City to investigate existing easements and uses on the property.
- 2) Initiate the sale of the South Edmonds property immediately.
- 3) Postpone the sale of the Pinion Hills Parcels indefinitely.
- 4) Postpone the sale of the Flint Drive properties indefinitely.
- 5) Postpone the sale of the Colorado Street property indefinitely.
