Re: Extension request for Combs Canyon I (TSM -06-168) and Combs Canyon II (TSM 07-027)

Dear Mr. Plemel,

I would like to request a two year extension for each of the above subject projects. The real estate and financial market do not permit development at the present time.

I will not be able to be at the meeting of October 7 but am available by phone or email before then if yourself or staff have any questions.

Thank you.

Sincerely,

Steve Selinger, manager for Combs Canyon LLC

MEMO TO: Mayor and Board of Supervisors

FROM: Planning Division

DATE: September 16, 2010

SUBJECT: Action to consider an extension of two years for the filing of a final map for the Tentative Subdivision known as Combs Canyon I (TSM-06-168).

The owner, Steve Selinger, is requesting a two year extension for the filing timeframe of Combs Canyon I Subdivision from October 19, 2010 to October 19, 2012. The project was originally approved in 2006 as a single family subdivision project. Per the applicant the real estate and financial market do not permit development at the present time.

Passage of Assembly Bill 74 in 2009 has provided relief for Subdivisions and Planned Unit Developments (PUD) throughout the state of Nevada, to allow initial approvals to increase from two to four years and to allow extensions to be granted for up to two additional years. Without this relief, Subdivisions would lose their map approvals for no reason other than the economy is in a recession, lending has slowed and in many instances has stopped. The amendment has provided the opportunity for time extensions by the Board of Supervisors (BOS) upon request, to keep maps active for Subdivision/PUD projects. This two-year extension request is the fifth of several such requests, under the recently adopted ordinance.

It is the recommendation of staff that the BOS approve a two-year extension for Combs Canyon I Subdivision. If this extension is approved the new expiration date for recordation of a Final Map for the Combs Canyon I will be October 19, 2012.

RECOMMENDATION

Recommended Motion: "I move to approve a request for a two-year extension of the Final Map for a Tentative Subdivision map known as Combs Canyon I (property owner: Combs Canyon, LLC c/o Selinger, Steve), that consists of 23 lots on approximately 57 acres, located approximately 350 feet northwest of the intersection of Timberline Drive and Combs Canyon Road"
