Subject Title: Action to adopt the 2010-2015 Collective Bargaining Agreement between Carson City and the Carson City Supervisory Association on behalf of the Carson City Sheriff's Lieutenants/Captains. (*Melanie Bruketta*)

Staff Summary: City staff approached the Lieutenants/Captains and asked if they would be willing to freeze the 3% contract adjustment due July 1st in order to meet the financial needs of the City due to economic losses that have occurred over the past few years. The City and the Lieutenants/Captains were successful in reaching a new five year Agreement that will assist the City in meeting its current budgetary needs.

Does This Action Require A Business Impact Statement: Yes No

Recommended Board Action: I move to adopt the 2010-2015 Collective Bargaining Agreement between Carson City and the Carson City Supervisory Association on behalf of the Carson City Sheriff's Lieutenants/Captains.

Explanation for Recommended Board Action: Due to the difficult economic times, the City approached the Association and asked if the Lieutenants/Captains would freeze the 3% pay increase they were scheduled to receive July 1st. The Association agreed, and the City and the Association entered into negotiations. After several negotiation sessions, the parties tentatively agreed to terminate the existing collective bargaining agreement and enter into a new agreement that extends over the next five years. The Association agreed to forego the 3% contract adjustment for FY 2011 and agreed to freeze pay through FY 2013.

The new collective bargaining agreement is similar to that entered into between the City and the Sergeants on July 9, 2010. The following is a list of some of the changes that were made to the Cpt./Lt. agreement:

1. The new Agreement adds a designation for Captain. The only difference between

a designation of Lieutenant and a designation of Captain is education. A Captain does not supervise a Lieutenant, and both Lieutenants and Captains are in the same job classification.

2. Paid administrative leave for Association business is changed from 40 hours to 160 hours.
3. Salaries are frozen until fiscal year 2014. For fiscal years 2014 and 2015, the salaries increase 3%.
4. There is an increase in sick leave buy-out beginning July 1, 2011. Currently, compensation for unused sick leave is paid at a rate of one hour for every three hours accrued.
5. Upon meeting the eligibility requirements, health insurance upon retirement will be paid at 90% until the employee is eligible for Medicare and 50% of the spouse and/or eligible dependent(s).
6. POST education incentive was increased for those with certain POST certificates.

RE: Fiscal Impact – NRS 288.153 for Lieutenants/Captains Collective Bargaining Agreement

Carson City has negotiated with the Carson City Supervisory Association on behalf of the Carson City Sheriff's Lieutenants/Captains membership. The fiscal impacts of the five-year agreement as required to be disclosed under NRS 288.153 are as follows:

- The total approximate cost of salaries and benefits for eligible positions covered under this proposed collective bargaining agreement for the 5-year period are estimated to be \$3,164,644.54. If the current contract was still in place and extended out for the 5-year period, the total estimated cost of salaries and benefits would have been \$3,295,354.09, resulting in a savings for the 5-year period of \$130,709.55.
- If you assume the Lieutenants/Captains retire as soon as they are eligible, the increase in benefits under this proposed collective bargaining agreement for the 5-year period is \$68,522.24.

Based on the above analysis, this proposed collective bargaining agreement is expected to save Carson City \$62,187.31 (savings of \$130,709.55 vs increase cost of \$68,522.24) over the 5-year period.

A copy of this annual written performance evaluation will be placed in the employee's personnel file in the City's Human Resources Department. The performance evaluation may be used when considering any employment action. Evaluations are subject to a rebuttal statement and are subject to the grievance process.

(b) As indicated in Article 4 of this Agreement, the employer establishes work performance standards, except for employee safety considerations, and the content of the work performance standards are reserved to the employer and not subject to the grievance provisions of this Agreement.

Article 9. CALLBACK

(b) Scheduling the 12-hour rule set forth in subsection (a) may be activated by an electronic call-out if required for the shift scheduling from the City. Any electronic response system must comply with the 12-hour rule and not allow the employee call-in response to govern notification for purposes of the 12-hour rule.

(c) An employer may not convert what would otherwise be an overtime shift to a call-back shift by waiting until there is less than 12-hours notice to request a return to duty, if the employer has knowledge more than 12 hours before the start of the shift to be staffed, either through notification or through normal staffing policies, of the staffing need.

(d) Subsections (a) through (c) apply to all members with an effective date of membership on or before June 30, 2008.

(e) Except as it may conflict with the Nevada Administrative Code 284.214, call-back pay is defined as compensation earned for returning to duty after a member has completed his regular shift and is requested to return to duty with less than 12 hours notice to respond to an emergency, except for any member who is (1) called into work while on standby status, (2) not required to leave the premises where he is residing or located at the time of notification in order to respond, or (3) called back to work if the work begins 1 hour or less before or after his scheduled work shift.

(f) For call-back pay purposes "emergency" means a sudden, unexpected occurrence that involves clear and imminent danger and requires immediate action to prevent or mitigate the endangerment of lives, health, or property. Such an emergency must be declared by the governing body or chief administrative officer of the City.

(g) Scheduling the 12-hour rule set forth in subsection (a) may be activated by an electronic call-out if required for the shift scheduling from the City. Any electronic response system must comply with the 12-hour rule and not allow the employee call-in response to govern notification for purposes of the 12-hour rule.

(h) An employer may not convert what would otherwise be an overtime shift to a call-back shift by waiting until there is less than 12 hours notice to request a return to duty, if the employer has knowledge more than 12 hours before the start of the shift to be staffed, either through notification or through normal staffing policies, of the staffing need.

(i) Subsections (e) through (h) apply to all members with an effective date of membership on or after July 1, 2008.

(j) Whenever an employee is called back to work by his supervisor pursuant to the terms of this Article, he shall be credited with a minimum two (2) hours work at the rate of time and one-half.

Article 10. OVERTIME

(a) OVERTIME DEFINED: Overtime will be defined as any hours worked in excess of the regularly scheduled workday (ten (10) hours, or other shift pursuant to Article 23) or forty hours in any City schedule pay period, with the exception of any other shift pursuant to Article 23. Any overtime must be approved by the employee's supervisor. The seven (7) day pay period is defined as Friday, 12:00 a.m. through Thursday, 11:59 p.m. The following paid time off shall be considered time worked for overtime purposes: holidays, annual leave, sick leave and compensatory time off. Overtime will not accrue for any travel time between the employee's residence and the Sheriff's office. If scheduled overtime (this does not include court time) is canceled with less than 8 hours notice, the Lieutenant/Captain is entitled to receive 2 hours of overtime pay.

(b) OVERTIME COMPENSATION RATE: Overtime shall be compensated at the rate of time and one-half of the standard rate for all non-exempt employees. The standard rate for overtime purposes shall be the base hourly rate of the employee and shall not include travel and other non-wage payments, or premiums for work outside his normal working hours or for Saturday, Sundays or holidays.

(c) OVERTIME PAID IN CASH OR COMPENSATORY TIME OFF: Overtime earned may be paid in cash or converted into compensatory time off under the following conditions:

1) Overtime earned during a work week may be converted as compensatory time at the rate of time and one-half at the election of the employee.

2) Following a work week for which an employee received cash payment for overtime, he may not be directed to reduce work hours in order to maintain a constant level of earnings over the pay period in which the overtime was performed.

3) An employee may elect to receive payment for all compensatory time

earned as accrued on July 1 and December 1 up to a maximum of 120 hours in any one fiscal year. To elect a payment, an employee must submit to management, only during the months of June and/or November of each fiscal year, a request in writing for payment of a specific number of accrued compensatory hours.

(d) TRAVEL TIME: Travel time will be compensated at the normal overtime rate when the time in transit exceeds regular working hours but is between work locations, and not between an employee's residence and the Sheriff's office.

When a designated holiday falls on Saturday or Sunday, the Friday before or the Monday after, respectively, shall be granted as a holiday. For non-standard workweek employees who normally work Saturday or Sunday, if the designated holiday falls on Saturday or Sunday, such day shall be granted as a holiday for purposes of

holiday pay. The non-standard workweek employee shall not accrue additional holiday time for Friday or Monday that is observed as the holiday for standard workweek employees.

(b) If a holiday falls during an employee's leave it shall not be charged as leave.

(c) HOLIDAY PAY: Pay for holidays will be as follows:

1. An employee shall be paid twice his/her base rate of pay for the actual number of hours worked that coincide with the designated City holiday. The holiday rate of pay begins on the graveyard shift the day before the designated City holiday. Holiday work may be granted in cash or in compensatory time off to be taken off with supervisory approval. An employee not scheduled to work on a designated City holiday will receive holiday time equal to a regularly scheduled shift in accordance with Article 6.

If the previously approved scheduled leave is canceled by management and no additional time is available prior to the date when the employee will forfeit accrued annual leave as provided above, then the hours which the employee would have lost due to management's cancellation of approved leave, shall be allowed to accrue beyond the two hundred and forty (240) hour maximum or, at the employee's option, may be paid at the employee's regular hourly rate for the hours in excess of the two hundred forty (240) hour maximum. The maximum number of hours which can be accrued due to management's cancellation of approved leave shall be three hundred (300). The employee's new maximum of accrued leave shall exist only until management is able to schedule annual leave for the employee that reduces his/her accrued leave to the normal two hundred and forty (240) hour maximum.

(c) TIME ANNUAL LEAVE TAKEN: All annual leave will be taken at a time mutually agreeable to the employee and his supervisor. The selection of annual leave schedules shall be made in each department on a seniority basis.

Such annual leave must be taken prior to the effective date of any such resignation or retirement or layoff, or in lieu of such annual leave, the employee may be granted a lump sum payment for annual leave time accrued to his credit. However, employees shall not be paid for accumulated annual leave upon termination of his service unless he or she has been employed six months or more. An employee nearing retirement will be required to provide the City at least thirty days notice in order to allow the City sufficient lead time in hiring a successor.

(f) **TIME ANNUAL LEAVE TAKEN:** All annual leave will be taken at a time mutually agreeable to the employee and his supervisor. The selection of annual leave schedules shall be made in each department on a seniority basis. For reasons deemed sufficient by the department head, an employee may, with the consent of the department head, take less than the normal annual leave one year with a correspondingly longer annual leave the following year.

Article 13. SICK LEAVE

(A) **ACCRUED SICK LEAVE:** Each employee shall be entitled to ten (10) hours of sick leave with pay for each month or major fraction thereof of actual service without limitation for use purposes, but with a maximum of 1080 hours for purposes of compensation upon termination due to death or retirement from service of those employees having 10 years or more of service with Carson City and in the public retirement system.

Article 14. GROUP HEALTH INSURANCE

(A) All Employees, except those on temporary status and those excluded from enrollment by the terms and conditions of the insurance contract, may enroll in Employer's group health insurance plan, and shall be covered after a waiting period in accordance with City policy.

(B) EMPLOYER-EMPLOYEE SHARE OF PREMIUM

1. Employer shall pay one-hundred (100) percent of the Employee's premium for a group health insurance plan and fifty (50) percent of the Dependent's premium for a group health insurance plan.

2. The Employee shall have the option of converting the health insurance coverage at the time of his separation from employment by Employer by commencing to pay 100% of the total premium. The City will pay 90% of retiree group health insurance medical coverage premiums plus 50% of the spouse's and eligible dependent's premium except as provided below. The City agrees to cover eligible retirees and dependents, as the term "dependents" is defined in the City's group health insurance plan in existence on the date of retirement, under the City group health insurance plan offered to active employees, as modified from time-to-time, not including dental, vision and life insurance coverage which if available may be obtained and be paid solely by the retiree or eligible dependent(s) if retiree is deceased.

a. In order to be eligible for the benefits provided in this Section 14(B)(2), the bargaining unit employee/retiree of the Carson City Sheriff's Department will have (i) a minimum of 20 years of full time service with the Carson City Sheriff's Department; (ii) reached at least 47 years of age; and (iii) shall have actually retired under the Nevada PERS retirement qualifications in existence on the date of the retirement. Provided that, if a bargaining unit employee retires prior to age 47 and meets the requirements of (i) and (iii) above, the bargaining unit employee/retiree will be eligible for the benefits of this subsection 14(B)(2) upon attaining the age of 47, and, prior to age 47, shall be entitled continue as a retiree on the City group insurance plan and shall be entitled to payment for insurance which the bargaining unit employee

b. The City will pay premiums for:

1. The bargaining unit employee/retiree from the effective date of Nevada PERS retirement until death. After the retiree reaches the eligibility age for federal benefits under Medicare or age 65, whichever occurs first, the health insurance coverage premium paid by the City on behalf of the retiree will be reduced to either (i) 50% of the "single employee with Medicare premium", or (ii) the payment to which the retiree would otherwise be entitled under the then existing City policy or regulation providing for insurance payments for retired City employees, were the retiree eligible for insurance contribution under the policy or regulation. The retiree shall, in the retiree's sole discretion, elect between (i) and (ii), at the time of Medicare eligibility. Under both (i) and (ii) such coverage under the City's group insurance plan is secondary to Medicare coverage. Provided that, if Medicare age has been increased beyond age 65, the 50% payment under (i) shall apply to the "Employee without Medicare" premium. In the event the City eliminates the policy or regulation for subsidizing payment of retiree health insurance, any retiree who elected (ii) above shall automatically revert to receiving the benefits specified in (i) above. In order to receive payment under either (i) or (ii), the retiree must comply with any requirements pertaining to Medicare, which are imposed by the City's insurance carrier, as a precondition to being eligible to qualify as a retiree covered by the insurance plan, as modified from time-to-time, or required by law.
2. The spouse of the bargaining unit employee/retiree (current at time of the employee's separation from the City) until death or divorce. After the spouse reaches the eligibility age for federal benefits under Medicare, or age 65, whichever occurs first, the health insurance coverage premium paid by the City on behalf of the spouse will be reduced to 25% of the "single dependent with Medicare" premium. After reaching the eligibility age for federal benefits under Medicare, such coverage under the City's group insurance plan is secondary to Medicare coverage. In order to receive payment once the spouse has reached the eligibility age for federal benefits under Medicare,

the spouse must comply with any requirements pertaining to Medicare, which are imposed by the City's insurance carrier, as a precondition to being eligible to qualify as a spouse covered by the insurance plan, as modified from time-to-time, or required by law. In the event a retiree remarries after separation from the City, the spouse will not be included in the health insurance premium subsidy.

3. Dependents (current at time of bargaining unit employee's separation from the City), as defined by the rules of the City group health insurance plan in effect at the time of separation. After the dependent reaches the eligibility age for or is otherwise eligible for federal benefits under Medicare, or age 65, whichever occurs first, the health insurance coverage premium paid by the City on behalf of the dependent will be reduced to 25% of the "single dependent with Medicare premium". After reaching the eligibility age for, or if otherwise eligible for federal benefits under Medicare, such coverage under the City's group health insurance plan is secondary to Medicare coverage. In order to receive payment once the dependent has reached the eligibility age for or is otherwise eligible for federal benefits under Medicare, the dependent must comply with any requirements pertaining to Medicare, which are imposed by the City's insurance carrier, as a precondition to being eligible to qualify as a dependent covered by the insurance plan, as modified from time-to-time, or required by law.
4. In the event of death of the bargaining unit employee/retiree, the spouse will continue to receive the subsidy benefit until death or remarriage subject to the requirements in b2. Dependents, as defined in b3, will continue to receive benefits in the event of death of the employee/retiree, as long as they meet the definition of dependents in the City group health insurance plan in effect at the time of retirement.
5. In the event of a catastrophic injury or medical illness which forces a bargaining unit employee who has not reached 20 years of full-time service with the Carson City Sheriff's Department and age 47 to retire from service of the Carson City Sheriff's Department under NRS 616 and 617 (Work Related Injury or Illness) or as a Nevada PERS disability retirement, this benefit will be prorated for the employee at 5% per year of service after the employee has worked for the Carson City Sheriff's Department for 10 years, up to a maximum of 90% and subject to the provisions of paragraph b1 above concerning the bargaining unit employee reaching

the eligibility age for or being otherwise eligible for federal benefits under Medicare, or age 65, whichever occurs first. Ten years starts at 50%. The benefit under this subparagraph 5 does not apply to spouse or dependents and does not trigger any spousal or dependent benefits under this Article.

c. If the benefits provided to retirees, their spouse and dependents under section B2 are modified (reduced or eliminated) in the future by mutual agreement of the City and the Association including binding fact-finding or interest arbitration pursuant to NRS Chapter 288, such modification shall not apply to retirees, their spouses and dependents then receiving the benefits, and the retiree, their spouse or dependent shall continue to receive the benefit on the basis specified by the collectively bargained agreement in effect as of the date of retirement.

(C) This provision of the contract is in exchange for a permanent 5% reduction in the cost of living increase that is due July 1, 2012 in the bargaining unit employee's biweekly base salary and is therefore in effect on this same date. Should the Retirement Insurance benefit provided for in this Article be eliminated, the 5% permanent reduction in the employee's biweekly base salary shall be restored on the effective date of elimination of this benefit and shall include compounded interest (based on prime rate) accrued from July 1, 2012 to and including the date of the benefit elimination.

(D) Nothing contained in subsection B2 is intended to revoke, repeal, replace or otherwise modify the rights created in Article 13C of this Agreement.

(E) An Employee on leave without pay may continue the group health insurance coverage for a maximum period of one year by making application to the Human Resources Department and enclosing a certified check payable to Carson City.

(a) The employees may authorize payroll deductions for the purpose of paying the Association dues. Upon the execution of the proper personnel payroll document filed with the Director of Finance, and coinciding with the commencement of a payroll period, the City agrees to deduct from the wages of an employee, on a bi-weekly basis, such sums as the employee may specify for Association dues, the City's approved group health and dental insurance and the City's approved credit union.

(b) The Association will indemnify, defend and hold the City harmless against any claims made and against any suits instituted against the City on account of any action taken or not taken by the City in good faith under the provisions of this Article. The Association agrees to refund to the City any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence thereof.

(c) The employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the appropriated Association dues. When a member in good standing of the Association is in non-pay status for an entire pay period, no withholding will be made to cover that pay period from future earnings. In the case an employee who is in non-pay status during only part of the pay period, and the wages are not sufficient to cover the full withholding, no deductions shall be made. In this connection, all other legal and required deductions have priority over Association dues.

If the Sheriff denies the grievance, the Sheriff shall so indicate in writing, providing the reason for the denial, signed and dated, on the grievance form and return

it to the employee for his/her response. The Sheriff has ten (10) working days from the date of receipt to respond.

If the employee does not agree with the decision of the Sheriff, the employee may forward the grievance and all attachments to the Personnel Director within ten (10) working days of receipt from the Sheriff.

(c) The grievant shall meet informally with the Sheriff and discuss the matter. (5) The Arbitrator shall convene a hearing as soon as reasonably possible at the mutual convenience of the Arbitrator and the parties. (7) Time limits prescribed in this Article are intended to expedite the grievance procedure. Failure of the aggrieved Employee(s) to comply with this Article within the set time limits shall constitute a waiver of the grievance. Any time limits may be extended by mutual written agreement of the parties which shall not be unreasonably withheld.

(8) The Sheriff will neither settle nor deny the grievance without first notifying the Association that the grievance has been filed. In all instances, the Association has the right to intervene. If the Association did not agree to arbitration, it shall not be

responsible for any fees or expenses under subsection 5. The grievant, however, will be responsible for any fees or expenses under subsection 5. In addition, if the Association does not agree to arbitration, the Arbitrator may require the payment of one-half the estimated cost of the arbitration in advance of any hearing. If the payment is not made, the grievance shall be deemed denied or settled on the basis of the last administrative decision.
