4.8.2 **CITY** shall provide access to and make all provisions for **CONSULTANT** to enter upon public and private lands, to the fullest extent permitted by law, as reasonably required for **CONSULTANT** to perform the **SERVICES**.

4.8.3 **CITY** shall examine all reports, correspondence, and other documents presented by **CONSULTANT** upon request of **CITY**, and render, in writing, decisions pertaining thereto within a reasonable time so as not to delay the work of **CONSULTANT**.

5 CONSIDERATION:

5.1 The parties agree that **CONSULTANT** will provide the **SERVICES** specified in **Section 4 Scope of Work** and **CITY** agrees to pay **CONSULTANT** the **CONTRACT SUM** based upon time and materials and the attached fee schedule for a not to exceed maximum amount of Eighty Four Thousand, Seven Hundred Ninety Eight Dollars and No Cents (\$84,798.00).

5.5 **CITY** does not agree to reimburse **CONSULTANT** for expenses unless otherwise specified.

6 TIMELINESS OF BILLING SUBMISSION:

6.1 The parties agree that timeliness of billing is of the essence to this Contract and recognize that **CITY** is on a fiscal year which is defined as the period beginning July 1 and ending June 30 of the following year. All billings for dates of service prior to July 1 must be submitted to **CITY** no later than the first Friday in August of the same year. A billing submitted after the first Friday in August will subject **CONSULTANT** to an administrative fee not to exceed \$100.00. The parties hereby agree this is a reasonable estimate of the additional costs to **CITY** of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to **CONSULTANT**.

7 CONTRACT TERMINATION:

7.1 Termination Without Cause:

7.1.1 Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.

7.2.1 The continuation of this Contract beyond June 30, 2011 is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the Carson City Board of Supervisors. **CITY** may terminate this Contract, and **CONSULTANT** waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the funding is not appropriated or is withdrawn, limited, or impaired.

7.3 Cause Termination for Default or Breach:

7.3.1 A default or breach may be declared with or without termination.

7.3.2 This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:

7.3.2.1 If **CONSULTANT** fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or

7.3.2.3 If **CONSULTANT** becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or

7.3.2.4 If **CITY** materially breaches any material duty under this Contract and any such breach impairs **CONSULTANT'S** ability to perform; or

7.3.2.5 If it is found by **CITY** that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by **CONSULTANT**, or any agent or representative of **CONSULTANT**, to any officer or employee of **CITY** with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or

7.3.2.6 If it is found by **CITY** that **CONSULTANT** has failed to disclose any material conflict of interest relative to the performance of this Contract.

7.4 Time to Correct:

7.4.1 Termination upon a declared default or breach may be exercised only after service of formal written notice as specified in **Section 3 Notice**, and the subsequent failure of the defaulting party within fifteen (15) calendar days of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.

7.5 Winding Up Affairs Upon Termination:

7.5.1 In the event of termination of this Contract for any reason, the parties agree that the provisions of this paragraph survive termination:

7.5.1.1 The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

7.5.1.2 **CONSULTANT** shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by **CITY**;

7.5.1.3 **CONSULTANT** shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by **CITY**;

8 REMEDIES:

8.1 Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. The parties agree that, in the event a lawsuit is filed and a party is awarded attorney's fees by the court, for any reason, the amount of recoverable attorney's fees shall not exceed the rate of \$125 per hour. **CITY** may set off consideration against any unpaid obligation of **CONSULTANT** to **CITY**.

9 LIMITED LIABILITY:

9.1 **CITY** will not waive and intends to assert available Nevada Revised Statutes Chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any **CITY** breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to **CONSULTANT**, for the fiscal year budget in existence at the time of the breach. **CONSULTANT'S** tort liability shall not be limited.

10 FORCE MAJEURE:

10.1 Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of this Contract after the intervening cause ceases.

11 INDEMNIFICATION:

11.1 As required by AB 483, and NRS 338.155, **CONSULTANT** shall defend, indemnify and hold harmless the **CITY**, and the employees, officers and agents of the public body from any liabilities, damages, losses, claims, actions or proceedings, including without limitation, reasonable attorneys' fees, to the extent that such liabilities, damages, losses, claims, actions or proceedings are caused by the negligence, errors, omissions, recklessness or intentional

misconduct of the **CONSULTANT** or the employees or agents of the **CONSULTANT** in the performance of the contract. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of the indemnity which would otherwise exist as to any party or person described in this paragraph.

11.2 Except as otherwise provided in Subsection 11.4 below, the indemnifying party shall not be obligated to provide a legal defense to the indemnified party, nor reimburse the indemnified party for the same, for any period occurring before the indemnified party provides written notice of the pending claim(s) or cause(s) of action to the indemnifying party, along with:

11.2.1 a written request for a legal defense for such pending claim(s) or cause(s) of action; and

11.2.2 a detailed explanation of the basis upon which the indemnified party believes that the claim or cause of action asserted against the indemnified party implicates the culpable conduct of the indemnifying party, its officers, employees, and/or agents.

11.3 After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall not be obligated to fund or reimburse any fees or costs provided by any additional counsel for the indemnified party, including counsel through which the indemnified party might voluntarily choose to participate in its defense of the same matter.

11.4 After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall be obligated to reimburse the reasonable attorney's fees and costs incurred by the indemnified party during the initial thirty (30) day period of the claim or cause of action, if any, incurred by separate counsel.

12 INDEPENDENT CONTRACTOR:

12.1 An independent contractor is a natural person, firm or corporation who agrees to perform services for a fixed price according to his or its own methods and without subjection to the supervision or control of the other contracting party, except as to the results of the work, and not as to the means by which the services are accomplished.

12.2 It is mutually agreed that **CONSULTANT** is associated with **CITY** only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted services pursuant to this Contract. **CONSULTANT** is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract.

12.5 Neither **CONSULTANT** nor its employees, agents, or representatives shall be considered employees, agents, or representatives of **CITY**.

13 INSURANCE REQUIREMENTS:

13.1 **CONSULTANT**, as an independent contractor and not an employee of **CITY**, must carry policies of insurance in amounts specified and pay all taxes and fees incident hereunto. **CITY** shall have no liability except as specifically provided in this Contract.

13.2 **CONSULTANT** shall not commence work before: (1) **CONSULTANT** has provided the required evidence of insurance to Carson City Purchasing and Contracts, and (2) **CITY** has approved the insurance policies provided by **CONSULTANT**.

13.3 Prior approval of the insurance policies by **CITY** shall be a condition precedent to any payment of consideration under this Contract and **CITY'S** approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this Contract. Any failure of **CITY** to timely approve shall not constitute a waiver of the condition.

13.4 Insurance Coverage:

13.4.1 **CONSULTANT** shall, at **CONSULTANT'S** sole expense, procure, maintain and keep in force for the duration of this Contract the following insurance conforming to the minimum requirements specified below. Until such time as the insurance is no longer required by **CITY**, **CONSULTANT** shall provide **CITY** with renewal or replacement evidence of insurance no less than thirty (30) calendar days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by this Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as **CONSULTANT** has knowledge of any such failure, **CONSULTANT** shall immediately notify **CITY** and immediately replace such insurance or bond with an insurer meeting the requirements.

Compliance with the insurance requirements of this Contract shall not limit the liability of **CONSULTANT** or its sub-contractors, employees or agents to **CITY** or others, and shall be in addition to and not in lieu of any other remedy available to **CITY** under this Contract or otherwise. **CITY** reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

Re: Ormsby Booster Pump Station – Proposal for Engineering Services

Dear Tom:

I would like to take this opportunity to submit this proposal to you for Engineering Services for the Ormsby Booster Pump Station Project.

As you are aware, Carson City is in the process of making improvements to their water system in accordance with the water system master plan. One of the projects identified is the Ormsby Booster Pump Station. A preliminary design has been provided in the Black and Veatch memorandum dated November 2, 2011 and our proposed scope of services would build on their initial effort. The end result of the proposed scope of services is to create plans and specifications that allow Carson City to bid and build the project.

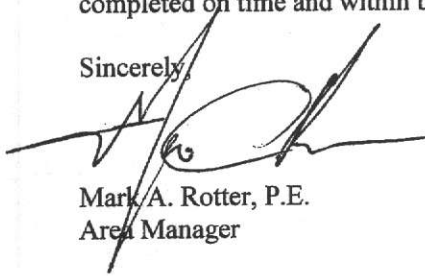

In order to facilitate the design of the proposed booster pump station, Manhard Consulting Ltd., proposes to provide the following principal items of work which are described in greater detail in the attached "Scope of Services:

- **Booster Pump Station Design** - Including all civil, architectural, structural, electrical, mechanical and landscape plans necessary to construct the booster pump station and onsite piping, valves and metering as described in the technical memorandum.
- **Permit Applications** – Preparation and submittal of all required permit applications including Carson City Building Department, NDEP Bureau of Safe Drinking Water, and utility company applications as necessary.
- **Specifications and Contract Documents** - Preparation of contract documents, technical specifications and all additional information necessary to ensure the project will be constructed to the required design standards.
- **Grant of Easement** – Preparation of legal description and exhibit for the booster pump station site.
- **Bidding Assistance** - Bidding assistance to include attendance of pre-bid meeting, preparation of addenda as required, attendance of bid opening, evaluation and summary of bids and recommendation for contract award.

EXHIBIT A

Thank you for allowing us the opportunity to prepare this proposal. Manhard Consulting looks forward to providing detailed engineering and support services to Carson City to ensure that the project will be completed on time and within budget. If you have any questions, please don't hesitate to call.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark A. Rotter', written over a horizontal line.

**SCOPE OF SERVICES
CARSON CITY
ORMSBY BOOSTER PUMP STATION ENGINEERING**

This proposal includes the preparation of plans, specifications and contract documents for use in the construction of the Ormsby Booster Pump Station (BPS). The proposed BPS will be capable of meeting the demand scenarios identified in the conceptual design memorandum by Black and Veatch dated 11/2/2010. The final design will utilize the existing design information and preliminary layout provided in the memorandum, to be modified as required. Furthermore, the final design will utilize a Carson City approved site with equipment to be selected and confirmed with City Staff during the design process. It is anticipated that the work required will include the following:

Task 1 – Booster Pump Station Design

\$55,794
Time & Materials
Suggested Budget

This task will include all civil, architectural, structural, electrical, mechanical and landscape plans necessary to construct the booster pump station and onsite piping, valves and metering further described as follows:

1. Survey – Based on the selected site location and existing topographic information that is available, minimal survey will be required. The minimal effort will be necessary to tie the booster pump station to the property lines and allow the proposed drain piping to catch the nearby drainage swale.
2. Civil – Work will include the site plan, grading plan, landscape and irrigation plan, site piping plan, erosion control plan, building pump and piping plans, chlorine injection equipment design and piping, and all necessary details. In addition, this effort will include coordination with Carson City staff to confirm compatibility with the existing Carson City water model. This effort will allow Manhard to finalize the hydraulic requirements and ensure that the proposed improvements will operate as required.
3. Structural – Work will include the architectural and structural plans for a concrete vault type structure as initially described in the Black and Veatch design memorandum, including preparation of required structural calculations for building department submittal. Manhard Consulting will utilize Wayne Reid to perform this work.
4. Electrical – Work will be performed by Jensen Engineering and will include the following:
 - a. 480Y/277V 3-Phase service from NV Energy including transformer pad, conduit and metering facilities as required.
 - b. 480Y/277V 3-Phase 4-Wire main switchboard and automatic transfer switch and power distribution panel.
 - c. Provision for a portable generator will be provided to allow the pump station to continue to operate if permanent power is lost.
 - d. Variable frequency drive pump starters.
 - e. 240/120V 1-Phase station power system, interior/exterior lighting system, and GFCI convenience outlet system.
 - f. Electrical power and control connections to mechanical equipment flow meters, pressure transducers; and chlorine injection system.
5. Mechanical – Work will include HVAC equipment layout and all necessary details to meet applicable standards. Manhard Consulting will utilize Aspen Engineering to perform this work.

This task does not include design of the transmission mains to and from the booster pump station, the proposed Ormsby Tank or design of the booster pump station access road.

Task 2 – Permit Applications

\$8,280
Time & Materials
Suggested Budget

1. Prepare a Carson City Building Permit application and supporting documents.
2. Prepare a NDEP Bureau of Safe Drinking Water Application and supporting documents.
3. Prepare NV Energy service application and supporting documents.
4. Prepare AT&T service application and supporting documents.
5. Prepare Southwest Gas service application and supporting documents.

Carson City will pay all permit fees. This task includes assisting in obtaining approval from the permitting agencies. This item would include revisions to the plans and supporting documents for the first review comments. All subsequent revisions, submissions, and additional information are not included and will be performed as an additional service.

Task 3 – Specifications and Contract Documents

\$11,400
Time & Materials
Suggested Budget

1. Contract documents to be prepared utilizing Carson City's standard bid documents modified as required for this project.
2. Technical Specifications provided to supplement standard specifications where required.
3. Bid item summaries provided for all bid items.

Task 4 – Grant of Easement

\$3,324
Time & Materials
Suggested Budget

It is assumed that a grant of easement will be required for the pump station site. This item will include preparation and submittal of a legal description and exhibit to Carson City.

Task 5 – Bidding Assistance

\$6,000
Time & Materials
Suggested Budget

Bidding assistance to include attendance of pre-bid meeting, preparation of addenda as required, attendance of bid opening, evaluation and summary of bids and recommendation for contract award.
