Agenda Report**

Date Submitted: March 21, 2012

Agenda Date Requested: April 5, 2012

Time Requested: Five Minutes

To: Mayor and Supervisors

From: Purchasing and Contracts

Subject Title: For Possible Action: To determine that Contract No. 1112-174 is a contract for items which may only be contracted from a sole source and therefore not suitable for public bidding pursuant to NRS 332.115 and to approve Contract No. 1112-174 a request for Communication Equipment Purchase provided by Sierra Electronics for a not to exceed cost of \$427,000.00 with a contingency of \$42,000.00 to be funded from Fleet- Radio Maintenance Funds for Fiscal year 2012/2013. *(Kim Belt)*

Staff Summary: All two-way radios that the city uses must comply with the Federal Communications Commission (FCC) requirement to transmit using narrowband capability. This capability allows the separation between assigned "channels" to be doubled there-by increasing capacity in the two-way radio spectrum. Many of Carson City's radios are not narrowband capable; these radios must be replaced by December 31, 2012. This purchase will bring Carson City into compliance with the FCC's narrowband requirement by providing new radios and having them installed within our radio system.

This contract will be a task based contract with Task 1 to be the replacement of wideband radios with narrowband compliant radios including infrastructure upgrade and Task 2 will be to improve coverage by adding fill in sites.

CONTRACT FOR SERVICES OF INDEPENDENT CONTRACTOR

Contract No. 1112-174

Titled: Communication Equipment Purchase and Installation

4.5 **CONTRACTOR** represents that neither the execution of this Contract nor the rendering of services by **CONTRACTOR** hereunder will violate the provisions of or constitute a default under any other contract or agreement to which **CONTRACTOR** is a party or by which **CONTRACTOR** is bound, or which would preclude **CONTRACTOR** from performing the **SERVICES** required of **CONTRACTOR** hereunder, or which would impose any liability or obligation upon **CITY** for accepting such **SERVICES**.

4.6 Before commencing with the performance of any work under this Contract, **CONTRACTOR** shall obtain all necessary permits and licenses as may be necessary. Before and during the progress of work under this Contract, **CONTRACTOR** shall give all notice and comply with all the laws, ordinances, rules and regulations of every kind and nature now or hereafter in effect promulgated by any Federal, State, County, or other Governmental Authority, relating to the performance of work under this Contract. If **CONTRACTOR** performs any work that is contrary to any such law, ordinance, rule or regulation, he shall bear all the costs arising therefrom.

5 CONSIDERATION:

5.1 The parties agree that **CONTRACTOR** will provide the **SERVICES** specified in **Section 4 Scope of Work** and **CITY** agrees to pay **CONTRACTOR** the **CONTRACT SUM** based upon time and materials and the attached Quote for a not to exceed maximum amount of Four Hundred Twenty Seven Thousand Dollars and No Cents (\$427,000.00).

5.5 **CITY** does not agree to reimburse **CONTRACTOR** for expenses unless otherwise specified.

6 TIMELINESS OF BILLING SUBMISSION:

6.1 The parties agree that timeliness of billing is of the essence to this Contract and recognize that **CITY** is on a fiscal year which is defined as the period beginning July 1 and ending June 30 of the following year. All billings for dates of service prior to July 1 must be

submitted to **CITY** no later than the first Friday in August of the same year. A billing submitted after the first Friday in August will subject **CONTRACTOR** to an administrative fee not to exceed \$100.00. The parties hereby agree this is a reasonable estimate of the additional costs to **CITY** of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to **CONTRACTOR**.

7 CONTRACT TERMINATION:

7.1 Termination Without Cause:

7.2 Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.

7.6 A default or breach may be declared with or without termination.

7.7 This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:

7.7.1 If **CONTRACTOR** fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or

7.7.2 If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by **CONTRACTOR** to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

7.7.6 If it is found by **CITY** that **CONTRACTOR** has failed to disclose any material conflict of interest relative to the performance of this Contract.

7.10 Winding Up Affairs Upon Termination:

7.11 In the event of termination of this Contract for any reason, the parties agree that the provisions of this paragraph survive termination:

7.11.1 The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

7.11.2 **CONTRACTOR** shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by **CITY**;

7.11.3 **CONTRACTOR** shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by **CITY**;

Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any **CITY** breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to **CONTRACTOR**, for the fiscal year budget in existence at the time of the breach. **CONTRACTOR'S** tort liability shall not be limited.

In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of this Contract after the intervening cause ceases.

11 INDEMNIFICATION:

11.1 To the extent permitted by law, including, but not limited to, the provisions of Nevada Revised Statutes Chapter 41, each party shall indemnify, hold harmless and defend, not excluding the other's right to participate, the other party from and against all liability, claims, actions, damages, losses, and expenses, including but not limited to reasonable attorney's fees and costs, arising out of any alleged negligent or willful acts or omissions of the indemnifying party, its officers, employees and agents. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of the indemnity which would otherwise exist as to any party or person described in this paragraph.

11.2 Except as otherwise provided in Subsection 11.4 below, the indemnifying party shall not be obligated to provide a legal defense to the indemnified party, nor reimburse the indemnified party for the same, for any period occurring before the indemnified party provides written notice of the pending claim(s) or cause(s) of action to the indemnifying party, along with:

11.5 After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall not be obligated to fund or reimburse any fees or costs provided by any additional counsel for the indemnified party, including counsel through which the indemnified party might voluntarily choose to participate in its defense of the same matter.

11.6 After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall be obligated to reimburse the reasonable attorney's fees and costs incurred by the indemnified party during the initial thirty (30) day period of the claim or cause of action, if any, incurred by separate counsel.

12 INDEPENDENT CONTRACTOR:

12.1 An independent contractor is a natural person, firm or corporation who agrees to perform services for a fixed price according to his or its own methods and without subjection to the supervision or control of the other contracting party, except as to the results of the work, and not as to the means by which the services are accomplished.
