AGREEMENT

This Agreement is entered into this 7th day of June, 2012, by and between Carson City, a political subdivision of the State of Nevada, hereinafter referred to as "City", and the Carson City Employees Association, hereinafter referred to as "Association".

PREAMBLE

WHEREAS, the City and the Association provide public services essential to the health, safety and welfare of the residents of Carson City; and

WHEREAS, the parties to this agreement and the employees of the City recognize their responsibility to provide such services to the community; and

WHEREAS, it is the duty of the City to negotiate in good faith with the Association and it is the duty of the Association to negotiate in good faith with the City concerning wages, hours, and other terms and conditions of employment; and

WHEREAS, the parties have reached certain understandings which they desire to confirm in this agreement;

It is hereby agreed as follows:

ARTICLE 1 RECOGNITION

1.1 ASSOCIATION RECOGNITION

The City hereby recognizes the Association as the sole and exclusive representative for purposes of collective bargaining of employees in the job classifications listed in Schedule A attached hereto and working more than 1,040 hours per year except for those employees that are:

- a. Unclassified, which includes all positions exempt from overtime pursuant to the Fair Labor Standards Act.
- b. Newly hired persons in a probationary status.
- c. Represented by another Collective Bargaining Agreement.
- d. Hourly recreational employees.

The City agrees not to recognize or bargain with any other organization purporting to represent the members of the bargaining unit for as long as the Association remains eligible for recognition

1 as an employee organization.

2
3 1.2 EMPLOYEE DEFINITION

4 As used herein, unless the context otherwise requires, the words and terms listed below
5 shall have the meanings ascribed to them in this section.

6 a. "Regular employee" means an employee who has been retained in a regular
7 position after completion of the probationary period.

8 b. "Regular part-time employee" means a regular employee whose regular workweek
9 consists of at least 21 hours but less than forty hours.

10 c. "Hourly Recreational Employee" means a person who works in the Recreation
11 Department in a seasonal or cyclical position whose term of employment does not exceed
12 270 consecutive days in any fiscal or calendar year.

13 1.3 ELIGIBILITY FOR BENEFITS

14 The rights and benefits provided herein shall be accorded to all employees recognized
15 pursuant to Article 1.1 of this agreement. Employees working less than 2080 hours per year shall
16 receive prorated annual leave, sick leave and merit salary increase benefits according to the
17 number of hours worked. The term of any probationary period shall be credited for the purposes
18 of determining annual leave, sick leave, merit salary increases, promotional rights and insurance
19 eligibility.

20 ARTICLE 2 ASSOCIATION RIGHTS

21 2.1 RIGHT TO ORGANIZE

22 Employees shall have the right to form, organize, join and administer an employee
23 organization and to designate their representatives for purposes of collective bargaining. The
24 City shall not restrain, coerce, discriminate against or otherwise interfere with an employee in the
25 exercise of these rights.

26 2.2 PERTINENT INFORMATION

27 The Association may request reasonable information concerning any subject matter
28 included in the scope of mandatory bargaining which it deems necessary for and relevant to

1 collective bargaining, or necessary for the administration or application of this agreement. The
2 City shall furnish the information requested without unnecessary delay.

3 2.3 ASSOCIATION BUSINESS

4 Representatives of the Association and its affiliates will be permitted to transact
5 Association business on City property, provided that this shall not disrupt normal work.
6 Designated representatives of the Association shall be allowed to receive telephone calls or other
7 communiques concerning Association business at any time during working hours.

8 2.4 ASSOCIATION USE OF BUILDINGS

9 The Association may use the City's buildings for meetings if such use does not interfere
10 with the City's operations. The department head's permission must be obtained before any
11 meeting, but such permission may not be unreasonably withheld.

12 2.5 NOTIFICATION TO ASSOCIATION OF NEW EMPLOYEES

13 The City shall notify the Association of the name, classification and starting grade for
14 each new employee within thirty days of the new employee's starting date.

15 2.6 ASSOCIATION USE OF INTER OFFICE COMMUNICATION FACILITIES

16 The Association shall have the right to post notices of activities and matters of
17 Association concern on bulletin boards, at least one of which shall be provided in each
18 department. The Association shall have the right to use the inter office mail for Association
19 business.

20 2.7 ADMINISTRATIVE LEAVE

21 On July 1st of each year, the Association shall be credited with 160 hours of
22 administrative leave to be used for Association business by employees during working hours
23 without loss of pay. The department head's approval must be obtained before administrative
24 leave may be used, but such approval may not be unreasonably withheld. Administrative leave is
25 separate and distinct from release time as provided in Section 2.8.

26 2.8 RELEASE TIME FOR NEGOTIATION/GRIEVANCE COMMITTEE'S

27 When the City and Association agree to conduct negotiations during normal work hours,
28 the City shall allow release time, with pay, to those employees who are members of the

1 Association's negotiation committees. Grievance hearings shall be conducted during normal
2 work hours with release time, with pay, for those employees who are members of the
3 Association's grievance committee. Release time is separate and distinct from, and exclusive of
4 Association Leave in Section 2.7. The Association shall notify City Human Resources Director
5 and City Manager in writing of a maximum of seven employees who will serve on their
6 negotiation committee, five of whom may attend negotiation sessions as discussed above.

7 2.9 EXCLUSIVE RIGHTS OF ASSOCIATION

8 The rights and privileges of the Association and its representatives as set forth in this
9 Agreement shall be granted only to the Association as the exclusive representative of the
10 employees in the bargaining unit.

11 ARTICLE 3 ASSOCIATION DUES

12 3.1 DUES DEDUCTION AUTHORIZATION

13 The City agrees to deduct Association dues from the employees who authorize the
14 deduction in writing.

15 3.2 NOTIFICATION AND TRANSMITTAL OF MONIES

16 The Association will periodically certify to the City, in writing, the current rate of
17 membership dues and provide the City with an appropriate payroll deduction authorization from
18 each employee prior to the effective date for instituting such deductions. Authorizations
19 currently on file with the City will continue to be recognized by the City.

20 All such fees, together with records of any corrections and changes, shall be transmitted
21 to the appropriate office of the Association on a monthly basis.

22 3.3 INDEMNIFICATION

23 The Association will indemnify, defend and hold the City harmless against any claims
24 made and against any suits instituted against the City on account of any action taken or not taken
25 by the City in good faith under the provision of this article. The Association agrees to refund to
26 the City any amounts paid to it in error on account of the payroll deduction provisions after
27 presentation of proper evidence thereof.

ARTICLE 4 MANAGEMENT RIGHTS

4.1 CITY'S RIGHT TO MANAGE

Except as otherwise provided herein and or as provided by NRS 288, or in any supplement hereto, the City retains all rights reserved to local government employers under the laws of Nevada. The retention of these rights does not preclude any employee from filing a grievance or seeking a review of the exercise of these rights. The City shall provide reasonable prior notice to the Association before it implements changes in personnel practices or general working conditions that will affect an entire department or division.

ARTICLE 5 NONDISCRIMINATION

The City will not discriminate against any employee because of race, creed, color, religion, sex, age, physical or visual handicap, national origin or because of political or personal reasons or affiliations. The City will not interfere, restrain or coerce any employee in the exercise of any right guaranteed under this agreement or under the laws of Nevada or the United States of America. The City will not discriminate in any way among its employees on account of membership in or activities on behalf of the Association. The City will not discriminate in regard to hiring, tenure or any term or condition of employment to encourage or discourage membership in any employee organization.

ARTICLE 6 EMPLOYEE RIGHTS

6.1 CIVIC, JUDICIAL AND QUASI-JUDICIAL DUTY

An employee called to appear for legal proceedings before any judicial or quasi-judicial or administrative tribunal, as a result of a job related incident or in the course of performance of employment obligation or for jury duty, shall be granted administrative leave and shall not lose compensation for responding or participating in such proceedings.

Such leave shall include appearances as a witness or as a juror for jury duty, and any witness or juror fees received shall be paid over to the City.

6.2 PERSONAL LIFE

The personal life of any employee is not an appropriate concern of the City unless it in fact adversely affects job performance or productivity.

1 paid out in the first payday in June, 2004. This process of eligibility determination and longevity
2 payment payout will continue semi-annually thereafter in the first payday in December and June
3 of each fiscal year.

4 If, on the eligibility determination date, an employee has completed six years of full-time
5 continuous, regular City service in a bargaining unit position, s/he will receive \$100 semi-
6 annually payable on the first payday in December and the first payday in June. This payment is
7 not an adjustment to an employee's base salary but a lump-sum payout that is subject to PERS
8 contribution. For each additional year of full time, continuous service in a bargaining unit
9 position after the sixth year that has been achieved by the eligibility determination date, the
10 employee will receive an additional \$50 semi-annually payable as above. Longevity payments
11 shall be capped at a level for completion of 25 years of service and an employee with more than
12 25 years of service is paid the same amount as those who have completed 25 years of service.
13 The semi-annual and total annual payments are set forth in the table listed below.

Completed	Semi-Annual	Total
1-5	none	
6	100.00	200.00
7	150.00	300.00
8	200.00	400.00

14	500.00	1000.00
15	550.00	1100.00
16	600.00	1200.00
17	650.00	1300.00
18	700.00	1400.00

1	19	750.00	1500.00
2	20	800.00	1600.00
3	21	850.00	1700.00

6	24	1000.00	2000.00
7	25	1050.00	2100.00

- 8 a. Regular, full-time, part-time, or intermittent employees covered under the
- 9 Agreement who have had a break in service [i.e., separation, resignation,
- 10 termination, retirement, etc.], will begin a new, initial eligibility period starting
- 11 with the date of their last re-employment or reinstatement as a regular employee of
- 12 the City in a bargaining unit position. However, employees who have been
- 13 separated as a result of an involuntary reduction in force who are re-called to a
- 14 bargaining unit position within two years will not be required to begin a new
- 15 eligibility period. Regular seasonal employees' furlough periods (periods of leave
- 16 without pay during the "off" season) will not be considered as breaks in service,
- 17 but only regularly scheduled and paid hours in City employment in a seasonal
- 18 bargaining unit position will be used to determine when a regular seasonal
- 19 employee has completed a year of service as described below in 7.1(C).
- 20 b. Periods of employment as a temporary, hourly, or time limited employee are not
- 21 creditable for longevity.
- 22 c. An employee who has had continuous service as a regular employee in a
- 23 bargaining unit position but who has worked less than full time or without pay
- 24 during any part of an eligibility period may receive credit for regularly scheduled
- 25 hours in a pay status. That is, periods of regular continuous seasonal, part-time or
- 26 intermittent employment will be credited on a regularly scheduled, paid-hour
- 27 basis. Employees who, during their regular continuous employment period with
- 28 the City, have periods of regular service that is less than full-time (40 hours per

1 week) must complete at least 1900 hours in a pay status to be credited with a full
2 year of continuous service.

3 7.2 OTHER REQUIREMENTS FOR LONGEVITY PAY

4 An employee shall be eligible for a semi-annual longevity payment if, at the last annual
5 performance evaluation on file in the employee's official personnel folder, the employee received
6 a summary performance rating of "meets expectations" or better. Employees who lose their
7 eligibility for semi-annual longevity payment because of a performance evaluation below "meets
8 expectations", will not become eligible for restoration of the longevity payment until (a) they
9 receive a "meets expectations" or better evaluation at the next regularly scheduled annual
10 evaluation; and (b) the effective date of the "meets expectations" evaluation occurs before the
11 next eligibility determination date. While the employee loses a year of longevity payments for a
12 performance evaluation below "meets expectations", the time spent during that year is counted as
13 part of the continuous service under the longevity benefit when longevity payments have been
14 restored after the subsequent "meets expectations" evaluation is achieved by the employee.

15 ARTICLE 8 EMPLOYEE WORK SHIFT AND WORKWEEK

16 8.1 STANDARD WORK SHIFT

- 17 a. The City shall determine the regularly scheduled work shift based upon
18 operational needs and demand for services.
19 b. In the event the City decides to change a regularly scheduled work shift, the City
20 shall provide 15 days advance notice to and discussion with the Association and
21 affected employees.

22 8.2 STANDARD WORK WEEK

- 23 a. Regular full-time employees' regularly scheduled workweek shall be 40 hours.
24 b. Regular part-time employees' regularly scheduled workweek shall be not less than
25 21 hours.
26 c. This section does not establish nor should it be understood to establish a
27 guaranteed work week for employees covered by this Agreement but defines the
28 basic workweek for purposes of a subject of mandatory negotiation and overtime.

1 8.3 REST PERIOD

- 2 a. Employees' shall receive a 15 minute rest period for each four hours worked.
- 3 b. Insofar as workload and staffing permit and subject to approval of the employee's
- 4 supervisor, the City agrees to allow employees to accumulate their two allotted
- 5 15-minute rest periods daily and to allow employees to utilize said rest periods in
- 6 conjunction with their allotted lunch period. It is agreed that such utilization must
- 7 occur during the current shift and may not be utilized on a subsequent shift.

8 ARTICLE 9 OVERTIME

9 9.1 COMPUTING OVERTIME

- 10 a. "Working hours" means the time an employee is required to be on duty, or
- 11 on the employer's premises, or at a prescribed work place and time during
- 12 which he is permitted to work.
- 13 b. Annual leave, sick leave, approved holidays and compensatory
- 14 time off shall be considered hours worked for the purpose of
- 15 computing overtime.
- 16 c. Full-time employees who work in excess of their assigned work shift shall
- 17 be paid time and one half (1.5) their regular hourly rate unadjusted for
- 18 retirement for the excess hours. Such employees shall also be entitled to
- 19 shift differential in accordance with the provisions of Article 14, §14.6.
- 20 d. Employees who work in excess of 40 hours per week shall be paid time and one
- 21 half (1.5) their regular hourly rate unadjusted for retirement for the excess hours.
- 22 Such employees shall also be entitled to shift differential in accordance with the
- 23 provisions of Article 14, §14.6

24 9.2 COMPENSATORY TIME OFF

- 25 a. In the event an employee works overtime in a particular work week, the employee
- 26 may elect to take compensatory time off at the rate of time and one half (1.5) in
- 27 lieu of overtime cash payment.
- 28 b. In the event an employees compensatory time balance is in excess of 160 hours,

1 compensatory time off in lieu of overtime cash payment may only be made
2 with management approval.

- 3 c. Compensatory time may accumulate to a maximum of 240 hours.
- 4 d. At the election of the employee, all or part of the accumulated compensatory time
5 may be paid to the employee on the first pay day in July and on the first pay day in
6 December of each fiscal year, up to a maximum of 120 hours in any one fiscal
7 year.
- 8 e. Effective upon ratification of this contract, compensatory time off must be used
9 within nine months of accrual of the compensatory time or the City shall pay the
10 employee for the accrued compensatory time on the next regularly scheduled
11 paycheck. However, any compensatory time earned by an employee at the time of
12 ratification of this contract in 2008 will not be subject to the above requirement,
13 but will be subject to use at the election of the employee, subject to normal
14 restrictions on use of annual leave.

15 9.3 EMPLOYEES WORKING ON SEVEN-DAY OPERATIONS

- 16 a. Employees working on necessary continuous seven day operations, whose
17 occupations involve work on Saturdays, Sundays, and holidays, shall be paid
18 overtime compensation for work on those days only for time worked in excess of
19 their regular work shift or 40 hours per week, except as provided herein.
- 20 b. If an employee works a holiday refer to Article 16.6.

21 9.4 ASSIGNMENT FOR OVERTIME WORK

22 Overtime work shall be rotated among eligible and qualified employees in the job
23 classification involved, in the order of their seniority. Such rotation shall be on a continuous
24 basis, that is, the employee next in line of seniority to the employee who was assigned to the
25 immediately preceding period of overtime work shall be first assigned to the current overtime
26 work.

27 ARTICLE 10 PROBATIONARY PERIOD

28 All new employees shall serve a probationary period up to 12 months. Such employees

1 are not subject to this Agreement and may be laid off or discharged during this period for any
2 reason. After such trial period, an employee shall be deemed to be a regular employee, and shall
3 acquire seniority from their first date of hire. Probationary employees shall not be subject to the
4 terms of this Agreement unless expressly provided herein.

5 Probationary periods may be extended for not more than 3 months by mutual agreement.

6 ARTICLE 11 HOURLY EMPLOYEES

7 11.1 EMPLOYMENT STATUS

8 It is recognized that from time to time there is need for the City to hire hourly employees.
9 After an hourly employee has worked a total of 1,040 hours in a fiscal year, the employee shall
10 thereafter be granted all benefits given to regular employees covered by this contract. This
11 provision does not apply to hourly recreational employees who will continue to be hourly
12 employees even if employed for more than 1,040 hours in a fiscal year.

13 ARTICLE 12 GRIEVANCE

14 12.1 DEFINITIONS

- 15 a. A grievance is a claim relating to the interpretation or application of this
16 Agreement and those portions of the Carson City Personnel Regulations that are
17 subjects of mandatory bargaining. This does not preclude informal discussion and
18 attempt to resolve the problem prior to filing a formal grievance, even though
19 such discussions are not part of the formal grievance procedure.
- 20 b. A grievant is a regular employee, or a group of regular employees, or the
21 Association filing a grievance.
- 22 c. Days shall mean working days, Monday through Friday, and shall not include
23 Saturday, Sunday or holidays.

24 12.2 RIGHTS TO REPRESENTATION

25 With the consent of the affected employee, at least one Association representative may be
26 present for any meeting, hearing, appeal, or other proceeding between the City and the grievant
27 relating to a grievance which has been presented under this Article.

28 If, in the judgment of the Association, a grievance affects a group of employees or the

1 Association, the Association may initiate and submit such grievance, in writing, to the Human
2 Resources Department directly, and the processing of such grievance shall commence at Step II.
3 The Association may process such a grievance through all levels of the procedure unless the
4 individual aggrieved person does not wish to do so.

5 When it is necessary for the grievant to investigate a grievance or to attend a meeting or
6 hearing held in connection therewith, he or she will be released from normal duties, without loss
7 of pay, in order to do so.

8 12.3 INDIVIDUAL RIGHTS

9 Nothing contained herein shall be construed as limiting the right of any employee having
10 a complaint to discuss the matter with the appropriate supervisors, and to have the problem
11 adjusted without the intervention of the Association, as long as the Association has had, at the
12 request of the employee, the opportunity to be present at these discussions, and is notified in
13 writing as to the disposition of the matter, and such disposition is not inconsistent with the terms
14 of this Agreement.

15 12.4 PROCEDURE

16 All grievances shall be submitted in writing. Name of the aggrieved person(s); the
17 Department of the person(s); a short, concise statement of the grievance which identifies the
18 section of the contract, rule, regulation, or law alleged to have been violated; the action requested
19 and/or relief sought; and date the grievance was filed.

20 All grievances in the first instance may be submitted to the Association in order to request
21 representation and protection for the employee.

22 Failure to respond at any supervisory level within five days will result in the award being
23 granted to the grievant unless the total direct cost of the grievance is greater than \$250.00 or
24 unless the delay is caused by the absence or unavailability of a person critical to the
25 determination of the grievance. If the total annual direct cost of the grievance is greater than
26 \$250.00, the failure to respond at any supervisory level within five days will result in the
27 grievance being automatically moved to the next step. Direct cost shall not include the City's
28 overhead in processing or responding to the grievance.

1 STEP I

2 Within 21 days of the occurrence, knowledge or condition which is the basis of the
3 complaint, the grievant may present the grievance, in writing, to the Department Director. The
4 Department Director shall attempt to adjust the matter and respond in writing to the grievant
5 within five days. The answer shall include the reasons upon which the decision was based.

6 STEP II

7 If the grievant is not satisfied with the disposition of the grievance at Step I, the grievant
8 may, within five days, submit the grievance in writing to the Human Resources Department. The
9 Human Resources Director shall, by written notice to all parties concerned within five days of
10 receipt of the written grievance, direct that the parties proceed to non-binding mediation.
11 Mediation must be held within 21 days of the written notice provided by the Human Resources
12 Director unless mutually agreed upon by the City and the Association. If the parties are unable to
13 agree on a person to act as a neutral mediator, a request for a mediator shall be made to the
14 Federal Mediation and Conciliation Services (FMCS) by either party. Any costs of mediation
15 shall be split between the Association and the City. If the parties are unable to resolve the issue
16 through mediation, the grievant may, within ten (10) working days of mediation, submit the
17 grievance to arbitration for resolution as provided in Step III.

18 STEP III -- BINDING ARBITRATION

19 The grievant or the Association shall exercise the right of arbitration by giving the
20 Human Resources Director written notice of its intention to arbitrate within 10 days after the
21 parties agree they are unable to resolve the issue through mediation at Step II. If any question
22 arises as to arbitrability, such question will first be ruled upon by the arbitrator selected to hear
23 the dispute.

24 Within 10 days after such written notice of submission to arbitration, the City and the
25 Association will attempt to agree upon a mutually acceptable arbitrator, and to obtain a
26 commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator, or
27 to obtain such a commitment within the 10 day period, a request for a list of arbitrators may be

3 which shall be final and binding upon the parties without recourse except as provided by law.

4 12.5 ARBITRATION COSTS

5 Each party shall bear its own costs of arbitration, except that the fees and charges of the

14 The award of the arbitrator may be entered in any court of competent jurisdiction, should
15 either party fail to implement the award. If a motion to vacate the arbitrator's award is entered in
16 a court of competent jurisdiction, and the initiating party does not prevail in the litigation, such
17 party shall bear the full costs of such action including, but not limited to, the adverse party's court
18 costs, legal fees and other related expenses incurred as a result of defending such action.

2 have to inform the City of the nature of such illness. The City may require a
3 physician's statement as to the authenticity of the reasons for use of sick leave if
4 such sick leave is for more than three consecutive days. Where the City has
5 reasonable cause to believe sick leave is being abused, it may require the
6 employee to submit a physician's statement and, in such event, the appropriate
7 City representative shall state, in writing, the reason for suspecting abuse of sick
8 leave.

6 rate of pay unadjusted for retirement. As an alternative to cash payoff described above, upon
7 retirement after 10 years of satisfactory service, employees may elect in writing to utilize a
8 maximum of 720 hours of accrued unused sick leave on the basis of one hour for every three
9 hours (33 1/3%) at the employee's regular hourly rate of pay unadjusted for retirement to pay for
10 the employee's premium for post-retirement group health insurance. If used for post-retirement
11 medical insurance, the sick leave will be given a present value on the effective date of the
12 Nevada PERS retirement based on one third (1/3) of accrued sick leave up to a maximum of 720
13 hours (i.e. 240 hours) and will be accounted for by the City in a non-cash, non-interest bearing
14 account in the employee's name to pay for the employee's premium for post-retirement medical
15 insurance from the City approved group insurance plan at the then-existing premium in effect at
16 the time of the monthly premium payment. The employee's account will be automatically debited
17 monthly and will automatically expire when exhausted or when the retiree dies or becomes
18 covered by another group or private health insurance policy or Medicare. The employee/retiree is
19 liable for any premium payments once his/her account is exhausted. The employee will be
20 notified by the City at least one month before the account will be exhausted. The
21 employee/retiree remains solely liable for any premiums for qualified dependents if allowed by
22 the terms of the City group health insurance policy. If the employee elects cash payment, he/she
23 waives post-retirement conversion of sick leave to pay for post-retirement health insurance. If the
24 employee elects post-retirement conversion of sick leave, he/she waives any cash payoff for
25 accrued sick leave.

26 18.3 WORKER'S COMPENSATION LEAVE

27 Absence due to injury incurred in the course of employment will not be charged against
28 an employee's sick leave for a period not to exceed sixty (60) calendar days from the date of

12 shall be charged only to the extent not reimbursed by Workers' Compensation.

15 benefits in order to receive full salary. Such accrued annual leave shall be charged
16 only to the extent not reimbursed by Workers' Compensation.
- 17 d. When accrued annual leave has been exhausted, the employee shall receive no
18 additional compensation from the City, and shall receive Workers' Compensation
19 benefits in accordance with their regulations.
- 20 e. An employee who is permanently disabled shall be entitled to use any accrued
21 compensatory time, sick leave and annual leave prior to leaving City employment.

25 essential functions of said job, the City, upon receiving a release from the
26 employee's physician, shall attempt to place the employee in a light duty position.
27 Such light duty may be temporary and need not be in an authorized position. An
28 employee who is released by his or her physician to return to the job held at the

1 time of the injury, must return to work at that position. If the employee's
2 physician determines that the employee will be permanently unable to return to his
3 or her original position, the City will make good faith efforts to place the
4 employee in a different, authorized and available position for which the employee
5 is qualified and which the employee is physically able to perform. If such a
6 position is not available, the City may terminate the employee as provided by the
7 laws and administrative regulations of the State of Nevada or this Agreement, and
8 shall give said employee the right to be rehired when an appropriate position may
9 become available.

11 Employees shall be given a written accounting of accumulated sick leave on employee
12 pay checks.

13 18.5 WELL DAYS

15 hour employees) of any combination of family sick and sick leave in a calendar year will receive
16 16 hours (20 hours for scheduled 10 hour employees) of personal leave off with pay. Time off
17 must be taken within one year of accrual with scheduling of time off agreed to by both the
18 employee and the employee's department head and designated superior. If not used within one

12 an increase in overall responsibility.

13 25.2 PROCEDURES

14 The Department Director may submit a request, or in the event the Department
15 Director refuses to do so, the Association may submit a request to the Human
16 Resources Department on behalf of the bargaining unit employee for a
17 reclassification study. The Human Resources Department will proceed within 30
18 days of receipt of such request to investigate the classification status of the
19 position, and reasonably attempt to conclude the investigation within 90 days after
20 receipt of the request and provide the Department Director, the employee and the
21 Association with a written decision, which shall include the reasons for such
22 decision.

23 25.3 EFFECTIVE DATE

12 department and one copy shall be furnished the employee.

13 A letter of warning shall remain with the employee's service record for a period

15 no further reference will be made to it.

16 26.3 SUSPENSION

17 Where the offense is a serious one, the City may, on written notice suspend the
18 employee from work, without pay, for a period not to exceed 30 calendar days,
19 according to the gravity of the offense and the previous record of the employee
20 concerned. Copies of the notice shall be filed with the employee's service record
21 in the Human Resources Department, and one copy shall be furnished the
22 employee.

23 A written notice of suspension will remain in the employee's service record;

26 26.4 DEMOTION AND DISMISSAL

27 When other forms of discipline or corrective action have proved ineffective, or
28 when the seriousness of the offense or conditions warrant, the Department

20 discipline unless the discipline is ultimately reversed. Reversal of disciplinary
21 demotions, suspensions in excess of ten (10) working days, or disciplinary
22 discharges through the grievance procedure and judicial review will result in
23 reinstatement and back pay to the effective date of discipline.

24 26.7 DISCIPLINE RECORDS

25 Any record of a warning letter and any record of suspension shall remain in the
26 employee's service record for 18 months from the date of issuance. After 18
27 months a letter of warning shall be automatically removed and no further
28 reference to it shall be made thereafter. After 18 months the affected employee

1 may request the Department Director that issued the suspension, (or his agent or
2 successor, if applicable), to remove the notice of suspension from the employee's
3 service record; however, the Department Director is under no obligation to do so.
4 In the event a notice of suspension is removed from an employee's service record,
5 no further reference to it shall be made thereafter.

8 employees in the bargaining unit, the procedures set forth in this Article shall
9 apply.

10 27.1 DEFINITIONS FOR THIS ARTICLE ONLY

11 As used in this Article only, unless the context otherwise requires, the words and
12 terms listed below shall have the meanings ascribed to them in this section.

- 13 a. "Break in service." A break in service occurs when an employee resigns, is
14 discharged for cause or retires. However, city seniority accrued prior to layoff
15 shall be continued upon recall and re-employment. Job classification seniority
16 may be continued provided that the employee is rehired into the same job
17 classification. Should there be a voluntary interruption or break in service,
18 seniority shall commence as of the date of last entrance into city service. Leaves
19 of absence shall not be considered as breaks in service.
- 20 b. "City seniority." City seniority shall be calculated on the basis of calendar days of
21 continuous service since the date of hire.

23 probationary period, an employee shall have job classification seniority calculated
24 on the basis of calendar days of continuous service since the date of appointment
25 to the job classification.

27 department which has been determined by the Department Director.
- 28 e. "Job classification." A job classification is defined as a specific position within a

1 job classification series.

2 f. "Job classification series." A job classification series is defined as the normal line
3 of progression from trainee, entry or preparatory levels to supervisory or
4 administrative levels within a job specialty. The minimum qualifications, test of
5 fitness and the duties and responsibilities are similar but different in level. Job
6 classification series also includes all positions which an employee has previously
7 held in the City service.

8 g. "Regular employee." An employee who has attained regular status, but is serving
9 a new probationary period for any reason, is grouped with regular employees for
10 layoff purposes. If an employee has been employed in a job classification series
11 for a period of time equivalent to the minimum required to complete a
12 probationary period, but because of promotions within the job classification series
13 has never completed a probationary period, the employee shall be considered a
14 regular employee for layoff purposes.

15 27.2 DETERMINATION OF DIVISIONS TO BE AFFECTED BY LAYOFFS

16 The City shall determine the divisions(s) within the department that will be affected by
17 layoff. If there are no divisions within the department, the layoff procedure applies to the entire
18 department.

19 27.3 DETERMINATION OF JOB CLASSIFICATIONS TO BE AFFECTED BY LAYOFFS

20 The City shall determine reductions in staff levels that will have the least detrimental
21 effect on department operations and will specify layoffs accordingly. Job classification seniority
22 will be the determining factor when identifying which regular employee(s) are to be laid off.

23 27.4 NOTICE TO ASSOCIATION

24 Whenever it is determined that a layoff of employees may occur because of lack of work
25 or funds, the City manager shall give written notice of the layoff, including the specific reason(s)
26 such action is necessary and the estimated length of the layoff period, to the Association at least
27 seven (7) calendar days prior to the effective date of notification to employees.

28 27.5 NOTICE TO EMPLOYEE(S)

1 Effective July 1, 1989 all regular employees to be laid off shall be given written notice of
2 such layoff at least thirty (30) calendar days prior to the effective date.

5 following sequence of layoff shall occur:

- 6 a. Temporary and probationary employees within the job classification selected for
7 layoff shall be laid off first.
- 8 b. Thereafter, the employee(s) with the least job classification seniority in the job
9 classification (s) selected for layoff shall be laid off next.
- 10 c. Regular employees shall be laid off only after those layoffs within paragraph a of
11 this provision have been exhausted.

12 **27.7 VACANCIES**

13 Whenever possible, employees will be permitted to fill available vacancies, provided the
14 employee meets minimum qualifications and any necessary tests. If offered, the employee must
15 submit his decision in writing within seven (7) calendar days of notification.

16 **27.8 BUMPING**

- 17 a. Bumping rights shall be exercised in the following sequence of steps:

18 STEP 1 A regular employee who has received a layoff notice may replace an employee
19 in the same job classification, in another division within the same department, if the
20 employee has more job classification seniority than the employee to be displaced; or accept
21 the layoff notice.

22 STEP 2 If a regular employee who has received a layoff notice is unable to exercise
23 bumping rights at Step 1, the employee shall only replace the employee with the least amount
24 of seniority in the same job classification, in another department, if the employee has more
25 job classification seniority than the employee to be displaced; or accept the layoff notice.

26 STEP 3 If the employee is unable to exercise bumping rights at Step 2, the employee
27 shall only replace the employee with the least amount of seniority in a lower job
28 classification within the same job classification series, first in the same department, second

1 in another department, if the employee has more city seniority than the employee to be
2 displaced; or accept the layoff notice.

3 STEP 4 If the employee is unable to exercise bumping rights at Step 3, the employee
4 shall only replace the employee with the least amount of seniority in a lower job
5 classification within another job classification series, in the same or other department, if he
6 has more city seniority than the employee to be displaced and meets the minimum
7 qualifications for the other position, or accept the layoff notice.

8 b. An employee electing to exercise bumping rights shall assume the grade of the
9 employee being bumped and the step closest to his, the employee exercising the
10 bumping right, existing salary at the time of the layoff.

11 c. Any employee who is bumped shall have the right to exercise bumping rights in
12 accordance with the provisions of this section. The decision to bump must be
13 submitted in writing within seven (7) calendar days of notification.

14 d. Whenever it is determined that a layoff of employees shall occur, the City agrees to
15 supply current city seniority lists and job classifications series seniority lists to the
16 Association for the jobs being affected.

17 27.9 COMPUTING SENIORITY; TIES

18 When job classification seniority is equal among employees in the same job classification,
19 ranking of those employees shall be determined by city seniority. When job classification seniority
20 and city seniority are equal, ranking of those employees shall be determined by drawing lots.

21 27.10 RECALL

22 a. The name of an employee who has been laid off shall be placed on the re-
23 employment list and shall be recalled in the inverse order in which the employee was
24 laid off. Persons on such a list will be offered appointment to an opening in the job
25 classification or equated job classification or any vacancy for which the employee is
26 qualified and no new employee will be hired until all qualified employees on layoff
27 status desiring to return to work shall have been offered the position. The employee

2 record.

4 of the receipt of the notice of certification for recall.
- 5 d. An employee recalled to his former or equated job classification must report for re-
6 employment on the date established by the Department Director or be considered to
7 have abandoned his recall rights so long as said date is beyond ten (10) working days
8 from the date of receipt of the recall notice.
- 9 e. An employee recalled to a job classification with a lower salary rate than his previous
10 job classification may refuse such position and remain eligible for recall. In the event
11 that an employee accepts such a position, the employee's name will be removed from
12 the re-employment list.
- 13 f. An employee on layoff accrues no additional sick leave or annual leave. When an
14 employee is recalled from layoff and re-employed, he is considered to have

10 5. The employee has completed his or her probationary period; and
11 6. The degree is not required by the employee's job description and is not a minimum
12 qualification for the employee's job.

13 The Department Director shall determine whether the above criteria are met, but education
14 compensation shall not be unreasonably denied.

ADDENDUM

This Addendum is executed this ___ day of _____, 2012, by and between Carson City, Carson City Employees Association and the First Judicial District Court and Carson City Justice and Municipal Courts, hereinafter referred to as "Courts"; and is an addendum to the Collective Bargaining Agreement between Carson City and the Carson City Employees Association, ("CCEA"), entered into on _____, 2012, hereinafter referred to as "Agreement."

WHEREAS, the parties duly acknowledge that the Courts are a separate branch of government from Carson City; and that, at this time, the parties agree their non-exempt employees are subject to the collective bargaining agreement executed by and between Carson City and the Carson City Employees Association, as set forth in the terms of this Addendum to the collective bargaining agreement; and

WHEREAS, there are certain non-exempt employees employed by the City and who work in the Courts and Juvenile Court and Juvenile Probation/Detention, which are under the supervision of the District Court, which positions are duly set forth in Attachment 1.

WHEREAS, the parties hereto are in agreement that certain rights set forth in the Agreement shall be afforded to the non-exempt employees set forth in Attachment 1, to include the right to be a member of Carson City Employees Association, and that it is the intent of the Addendum to specifically set forth what rights under the Agreement that will be granted to the non-exempt employees at this time,

THEREFORE, it is hereby agreed by and between Carson City, the Carson City Employees Association, and the Courts, that the provisions of the Agreement shall be granted to the Courts' non-exempt employees at this time, except as altered or amended below:

ARTICLE 4 – MANAGEMENT RIGHTS

To the extent that this provision is applicable to the Courts in regard to non-exempt employees, the parties expressly agree that the Courts retain all management rights in respect to these employees provided that the non-exempt employees shall be subject to the rules, policies, and procedures developed by Carson City to the extent that such rules, policies, and procedures do not conflict with the management rights retained by the Courts pursuant to this paragraph. However, the Courts will not implement any changes contrary to the terms of the Agreement in respect to grievances, personnel issues or general working conditions without prior written notice to its non-exempt employees, Carson City and CCEA.

ARTICLE 14 – COMPENSATION

The Courts' non-exempt employees shall be entitled to the same negotiated base salary increase, merit increases, standby premium pay, shift differential, call-back pay, and court time approved for other Carson City employees, pursuant to the terms of the Agreement.

ARTICLE 26 – DISCIPLINARY ACTIONS

This provision shall apply to the Courts' non-exempt employees. The District Court Judges recognize NRS 62G.060 as it relates to the demotion and discharge for non-exempt employees assigned to the Juvenile Probation/Detention facilities who are under the supervision of the District Court Judges. The District Court Judges and/or their designee agree to work with the Carson City Human Resources Department and CCEA as deemed appropriate to comply with NRS 62G.060.

ARTICLE 27 – LAYOFF POLICY AND PROCEDURE

This provision shall apply only to the Courts' non-exempt employees as it relates to the Courts and not to any other employees of Carson City, such that the Courts have the exclusive right to determine if there will be layoffs, the reduction in staff levels (if

1 any), vacancies and any bumping rights. In respect to bumping rights, it is expressly
2 understood that based on the nature of the jobs at the Courts, the Courts reserve the
3 right to disallow bumping rights even within the Courts. No non-court employee shall
4 have any bumping rights as to employment with the Courts of any nature or kind. No
5 Court employee shall have any bumping rights as to employment by Carson City in a
6 non-court position of any nature or kind.

7 The balance of the Articles of the Agreement shall be honored by the Courts as
8 they pertain to the Courts non-exempt employees.

9 This Addendum shall have the same term as the Agreement, except that it may
10 be terminated at any time by the mutual agreement of the parties.

11 WE, the undersigned, as authorized representatives of the Court and City, do
12 hereby approve this agreement. DATED this ___ day of _____, 2012.
