Staff Summary: NRS 251.030 requires the Finance Director (for the purpose of the statute acting as the County Auditor) to report to the Board of County Commissioners (or in our case the Board of Supervisors), at each regular meeting thereof, the condition of each fund in the treasury. NRS 354.290 requires the County Auditor to report to the Board of Supervisors a statement of revenues and expenditures based on the accounts and funds as were used in the budget. A more detailed accounting is available on the City's website – www.carson.org.

Recommended Board Action: I move to accept the report on the condition of each fund in the treasury and the statements of receipts and expenditures through April 23, 2013 per NRS 251.030 and NRS 354.290.

Explanation for Recommended Board Action: A "Statement of Cash Receipts and Disbursements" is attached indicating the beginning balance, receipts, disbursements, and the ending balance of each cash account for every fund in the City as of April 23, 2013.

It is important to note that there will always be timing differences with these balances - for example while all departments take deposits to the bank on a daily basis, revenue reports are only prepared twice a month and there is usually a lag time between when the reports are prepared and when they are entered into the system.
