## National Public Works Week

May 19-25, 2013

*WHEREAS*, all communities depend upon public works infrastructure, facilities and services for the well-being and livelihood of their residents, visitors and commerce; and

*WHEREAS*, public works professionals, engineers, managers and employees are vitally important in the planning, designing, building, operation and maintenance of state and local streets, water supplies/treatments, solid waste systems, public buildings and other facilities which serve the citizenry; and

*WHEREAS*, the community recognizes the dedication and skill of all public service employees who play an essential role in preserving the health, safety and comfort of Carson City; and

*WHEREAS*, the year 2013 marks the 53<sup>rd</sup> annual National Public Works Week which is sponsored by the American Public Works Association; and

*WHEREAS*, Carson City deeply appreciates the important contributions the public services profession has made to our city and to the progress of our community.

*NOW, THEREFORE*, I, Robert L. Crowell, Mayor of Carson City, Nevada on behalf of the Board of Supervisors do hereby proclaim the week of May 19-25, 2013 **National Public Works Week** in Carson City.

Dated this 2<sup>nd</sup> day of May 2013.

  
Robert L. Crowell, Mayor
