This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of American Fire and Casualty Company, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS – Section 12. Power of Attorney. Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts – SECTION 5. Surety Bonds and Undertakings. Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes Gregory W. Davenport, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, David M. Carey, the undersigned, Assistant Secretary, of American Fire and Casualty Company, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 10th day of February, 2014.

BP. 71

WORKERS EMPLOYED REPORT INSTRUCTIONS FOR COMPLETION

Effective July 1, 2013, contractors who receive a preference in bidding on a public work must submit an affidavit to the public body certifying that 50 percent of all workers employed on the public work, including any employees of the contractor and of any subcontractor, will hold a valid driver's license or identification card issued by the Nevada Department of Motor Vehicles. Pursuant to NRS 338.070(4), a contractor and each subcontractor engaged on a public work shall keep an accurate record showing, for each worker employed by the contractor or subcontractor in connection with the public work who has a driver's license or identification card, the name of the worker, the driver's license number or identification card number of the worker, and the state or other jurisdiction that issued the license or card. A copy of this record must be received by the public body no later than 15 days after the end of the month. Additionally, the contractor and any subcontractor will maintain and make available for inspection within Nevada his or her records concerning payroll relating to the public work.

- EACH contractor and subcontractor must complete the Workers Employed Report.
- You may make additional copies of the report as necessary.
- A copy of this report must be submitted with the monthly certified payroll report.
- For the first report submitted, each contractor and subcontractor should list every worker employed in connection with the public work. The workers listed should be the same as those reported on the certified payroll report.
- For each subsequent month, add only those workers not previously reported to the Workers Employed Report and submit the newly-revised report. If no additional workers have been added, you may submit the previous month's report.
- If a worker has been reported on a previous month's report, but does not work during a subsequent month or is no longer employed by the contractor, his or her name should remain on the report. DO NOT DELETE ANY NAMES. This report is intended to serve as a cumulative list of all workers employed by the contractor and subcontractor over the duration of the project to verify compliance with the minimum requirements of the affidavit.

BID PROPOSAL

Local Preference Affidavit

(This form is required to receive a preference in bidding)

I, Linda Burdick, on behalf of the Contractor, Burdick Excavating Co Inc., swear and affirm that in order to be in compliance with NRS 338.XXX* and be eligible to receive a preference in bidding on Project No. PWC-CC-2014-096, Project Name Costco Intertie, certify that the following requirement will be adhered to, documented and attained on completion of the contract. Upon submission of this affidavit on behalf of Burdick Excavating Co, I recognize and accept that failure to comply with any requirements is a material breach of the contract and entitles the City to damages. In addition, the Contractor may lose their preference designation and/or lose their ability to bid on public works for one year, pursuant to NRS 338. XXX*:

1. The Contractor shall ensure that 50 percent of the workers employed on the job possess a Nevada driver's license or identification card;
2. The Contractor shall ensure all vehicles used primarily for the public work will be registered and (where applicable) partially apportioned to Nevada;
3. The Contractor shall ensure at least 50 percent of the design professionals who work on the project (including sub-contractors) have a Nevada driver's license or identification card.
4. The Contractor shall ensure payroll records related to this project are maintained and available within the State of Nevada.

***Note that specific sections of NRS 338 detailing the continued procedures associated with the use of the "bidder's preference" have been amended by the passage of Assembly Bill 172 effective 7/1/13, requiring this affidavit and subsequent record keeping and reporting by the General Contractor using the preference program and awarded this project. These requirements are not applicable to Contractors who do not use the "Bidder's Preference" eligibility certificate in their bid.**

Linda Burdick - Secretary Treasurer
BURDICK EXCAVATING COMPANY INC
5 BROWN DR,
Carson City, NV 89706-7747

Dear Linda Burdick:

Welcome to the HUBZone Program!

I am pleased to advise you as that effective 09/10/2012 your application for certification as a "qualified HUBZone small business concern" (SBC) has been approved. Your firm is now eligible to receive HUBZone contracting opportunities, and will be included in the listing of qualified HUBZone small business concerns found on the Internet at http://dsbs.sba.gov/dsbs/search/dsp_searchhubzone.cfm. Congratulations!

Your responsibilities as a HUBZone certified concern

As a HUBZone certified concern, the benefits you may receive from the program come with the following important responsibilities:

- **Keep your Central Contractor Registration (CCR) and Dynamic Small Business Search (DSBS) records up-to-date:** To apply for HUBZone Program certification, your firm had to be registered in the CCR and DSBS information systems. For your firm to receive benefit from the HUBZone Program (i.e., to be identified by contracting officers as eligible to receive HUBZone contracts and to be paid under any such contracts), it is essential that these records remain up-to-date. We strongly recommend that you validate your information at least annually. If you need assistance in updating your CCR or DSBS information, please contact the Federal Service Desk at (866) 606-8220 or (334) 206-7828.
- **Inform HUBZone Program of any material changes to your concern:** If there are material changes to your concern you must notify the HUBZone Program by sending an e-mail to HZMCN@sba.gov. Material changes include a change in size, ownership, business structure, or principal office location, in addition to falling below the 35% HUBZone residency requirement when your firm is not performing on a HUBZone contract. Failure to notify the HUBZone Program of material changes may result in decertification from the program. If at any time you feel your concern no longer qualifies for the HUBZone Program, you can complete the "Voluntary Decertification Agreement" available at www.sba.gov/hubzone/hubzoneapplication.

Note the HUBZone Program mails notices regarding program examinations and re-certifications to your firm's most recent address of record. If you were to fail to respond to these notices because you have changed your address without updating your CCR or DSBS profiles and informing the HUBZone Program, SBA would propose your concern for decertification and subsequently decertify it from the Program. Therefore, it is critical that you notify us of any change in address and keep your CCR and DSBS profiles updated.

- **Remain in compliance at all times and stay updated on Program changes:** It is your responsibility to continually ensure that your firm meets the requirements of the program. This includes, for example, continuously meeting the 35% HUBZone residency requirement, with the sole exception if you are making good faith efforts to "attempt to maintain" (see 13 C.F.R. § 126.103) having 35% of your employees reside in a HUBZone during the performance of a HUBZone contract you have received. This also includes complying with contract performance requirements in connection with any HUBZone contracts awarded to your firm as a qualified HUBZone SBC (e.g., the subcontracting limitations requirements set forth in 13 C.F.R. § 126.700, and/or the non-manufacturer rule set forth in 13 C.F.R. § 126.601(e)).

In addition, you should periodically visit our website (www.sba.gov/hubzone) to look for any important announcements concerning changes to the HUBZone Program. As an example, on May 3, 2010 an important change to the HUBZone regulations went into effect concerning the definition of an employee. The new definition, which can be found at our website, is meant to simplify the determination of whether a person working for a concern is counted as an employee of that concern for the purposes of determining eligibility for the HUBZone Program. The new definition may impact your eligibility for the program and ability to meet the principal office and 35% HUBZone residency requirement. (If you applied prior to May 3, 2010, the previous definition was likely used to determine your eligibility as we typically evaluate a firm's eligibility at the time of application submittal using regulations in effect at that time.) It is your responsibility to understand the new definition and to determine whether it impacts your concern's eligibility status. Contact the HUBZone Help Desk if you require assistance. If you find that your firm is not eligible for the program as a result of the definition change, you should inform the HUBZone Program of this material change to your concern or complete the "Voluntary Decertification Agreement" available at www.sba.gov/hubzone/hubzoneapplication.

- **Participate in SBA eligibility monitoring initiatives:** As a result of 2008 and 2009 Government Accountability Office (GAO) audits, which discovered unacceptable levels of fraud and misrepresentation within the HUBZone Program, we are significantly increasing our eligibility monitoring efforts to ensure only eligible SBCs receive the program's benefits. As such, you may be subject to any or all of the following initiatives designed to verify the ongoing eligibility of certified concerns:
 - SBA requiring your concern certify in writing under penalty of perjury that it continues to meet all the eligibility criteria of the HUBZone Program, or voluntarily withdraw
 - SBA requiring your concern to submit updated documentation similar to the information and documents you provided to obtain initial certification in order to verify that you remain eligible for the program
 - If you should receive a HUBZone contract, SBA requiring your concern to demonstrate that it was eligible for the program both at the time of its initial offer and award
 - SBA making unannounced site visits to any or all of your concern's locations to verify the accuracy of any information provided to SBA

NOTE THAT ANY SBC FOUND TO MISREPRESENT ITSELF MAY BE SUBJECT TO A RANGE OF CIVIL OR CRIMINAL PENALTIES AND/OR SUSPENSION OR DEBARMENT FROM FEDERAL CONTRACTING.

How to get the most out of the Program

Although your status as a certified HUBZone small business concern greatly improves your access to Federal contracts, this certification does not guarantee contract awards. Your ability to research contracting opportunities and competitively bid on them will be the key to your success in this program. I recommend you utilize the following web resources designed to help you maximize the Program's benefits:

- SBA's Government Contracting website (www.sba.gov/GC) provides valuable information on Federal contracting, including links to specific contracting opportunities and contact information for the SBA and key Federal acquisition agencies. (Please note that while your concern was approved under the North American Industry Classification System (NAICS) Code found in your firm's CCR and SBA Supplemental Page profiles, you may be awarded contracts under other NAICS Codes. You may benefit from researching and identifying potential HUBZone contracting opportunities outside your profile's NAICS code.)
- SBA's Services website (www.sba.gov/services) is a good starting point for accessing a wide range of resources relevant to HUBZone certified firms, including online courses on how to identify, win, and successfully execute Federal Government contracts.
- SBA's Surety Bond Program website (www.sba.gov/osg) provides information on how to apply for an SBA surety bond guarantee.

Thank you for contributing to US economic development

We wish you the best of luck with your HUBZone certified concern - your success will help improve the economic future of the HUBZone(s) in which you operate. If at any time you have any questions about the Program or how the SBA may be able to support your business objectives, please do not hesitate to call the HUBZone Help Desk at (202) 205-8885, or you may email us at HUBZone@sba.gov.

Sincerely,

Mariana Pardo

RE: Section 2.5 of Addendum 1 - Good Faith Effort Documentation

To whom it may concern:

Please find the documentation that supports the six good faith efforts required to be submitted with our bid proposal.

Cordially,

Linda Burdick
Sec/Tres

The Six Good Faith Efforts

1. Ensure DBEs are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local and Government recipients, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.
 2. Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
 3. Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government recipients, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
 4. Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.
 5. Use the services and assistance of the SBA and the Minority Business Development Agency of the Department of Commerce.
 6. If the prime contractor awards subcontracts, require the prime contractor to take the above steps.
