

BID PROPOSAL

BID BOND

KNOW ALL MEN BY THESE PRESENTS, that I/We VSS International, Inc.

as Principal, hereinafter called Contractor, and Western Surety Company

a corporation duly organized under the laws of the State of Nevada, as Surety, hereinafter called the Surety, are held and firmly bound unto Carson City, Nevada a consolidated municipality of the State of Nevada, hereinafter called City, for the sum of \$ 5% of the total amount bid Dollars

(state sum in words) Five Percent of the Total Amount Bid

for the payment whereof Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has submitted a bid, identified as **BID # 1314-214** and titled "**2014 Street Maintenance Project**".

NOW, THEREFORE if the City shall accept the bid of the Principal and the Principal shall enter into a contract with the City in Accordance with the terms of such bid, and give such bond or bonds as may be specified in the bidding or Bid Documents with good and sufficient surety for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof, or in the event of the failure of the Principal to enter such Contract and give such bond or bonds, if the Principal shall pay to the City the difference not to exceed the penalty hereof between the amount specified in said bid and such larger amount for which the City may in good faith contract with another party to perform work covered by said bid or an appropriate liquidated amount as specified in the Invitation for Bids then this obligation shall be null and void, otherwise to remain in full force and effect.

Executed on this 3rd day of July 2014

July 7, 2014

Addendum No. 2

Please make the following additions/changes/clarifications to the above referenced project:

1. Please replace the bid proposal entirely with the following:

See attached bid proposal.

2. The following are based on Request for Information items received prior to July 3, 2014.

- 1) On the 2014 Street Maintenance project it states on page NC-2:
CONTRACTOR'S LICENSE: Carson City has determined that the responsive bidder must possess a minimum of a Class A General Engineering license with appropriate sub-classifications such as Class C-5. All Contractors license shall be in good standing and issued by the Nevada State Contractor's Board at the time of the bid.

Can you please clarify if a C-5 classification is required? Not required.

- 2) Project is scheduled for award on August 13,2014 per section GC 3.5 project allows 56 working days to complete project but section SC 5.5 page SC-16 & SC-26 require work to be completed by August 29,2014 allowing only 16 days to complete project. What will the slurry seal and microsurfacing completion date be? November 12, 2014 will be completion date.

Jeff E. Roberts

Education: Bachelor of Science Degree, Building Science (BSC)
Auburn University, 1988

Experience: Over 25 Years of professional experience in the heavy highway construction and pavement preservation & rehabilitation industries with balanced knowledge in hot mix asphalt production, in-place recycling techniques and emulsion applied pavement preservation treatments.

July, 2012–Present: **Chief Operations Officer**
Valley Slurry Seal Company / International Surfacing Systems, Inc.
(Subsidiaries of Basic Resources, Inc.)
West Sacramento, CA

Responsible for the safe and profitable performance of multiple companies performing pavement preservation techniques such as micro surfacing, slurry seal and chip seal applications. Supervise multiple managers and operational personnel working throughout the western United States.

Maintain relationships with State, County and City Public Works officials, commercial clients, vendors, subcontractors, testing laboratories and various trade organizations. Involved with marketing, education & training seminars provided to clients.

2006–June, 2012: **Senior Manager for Hubbard Construction Company based in Winter Park, Florida. Over 17 years of service to U.S. subsidiary of Eurovia of Paris, France where I served in a series of challenging & innovative management roles as follows:**

President & CEO
Roadway Management, Inc., Winter Park, FL
February 2011- June 2012

Chief Executive Officer of pavement preservation Division, responsible for Division's integration into the Hubbard organization following acquisition in early 2011. Re-established Company's name and reputation within the industry. In addition to bottom line performance, responsibilities included market development and application of specialty pavement preservation and rehabilitation techniques such as micro surfacing, chip seal, full depth reclamation and cold-in-place recycling throughout the southeastern US.

USA Technical Director
The Hubbard Group, Winter Park, FL
January 2009 - 2011

Responsible for industry-wide activities in the entire American territory & assisted with the technological implementation and development of the group's increased proficiency in the area of asphalt binders, cold technique applications and recycling processes. Personally led the Company's development of Full Depth Reclamation and Cold-In-Place recycling operations, as well as the construction of state of the art emulsion plant facility in Charlotte, North Carolina. Other responsibilities included knowledge transfer, and implementation of special techniques and processes involving roadway materials & products. Supervised jointly with the North American Technical Center, all requests for laboratory studies that specifically relate to applications intended for the American market.

**Division Manager
Orlando Paving Company, Orlando, FL
2006 - 2008**

Responsible for the oversight of four asphalt-manufacturing facilities with annual production of approximately one million tons of HMA. Accountable for obtaining profitable results for \$80,000,000.00 per year asphalt division which included construction operations, asphalt manufacturing and quality control department through oversight of construction operations and plant management personnel. Responsible for approximately 150 employees and the administration of Hubbard's asphalt contracting, manufacturing and landfill activities in central Florida.

2004 - 2006

**Senior Project Manager
Granite Construction Company, Sacramento, CA.**

Served as Senior Project Manager with primary responsibilities of managing both public and private roadway and infrastructure projects. Also prepared and submitted bids for projects ranging up to \$10,000,000.00 for privately owned projects as well as publicly funded projects for Caltrans and local cities and counties.

1999 - 2004

**Vice President & General Manager
California Pavement Maintenance Company, Sacramento, CA.**

Responsible for the bottom line performance of Company and its operating divisions that included asphalt, seal coating, striping, slurry seal and micro-surfacing operations. Supervised multiple managers and sales personnel. Personally built and maintained relationships with many municipal and private buying agencies throughout the western United States. Additional responsibilities included estimating, bidding and management of pavement preservation operations based in California, Nevada and Arizona.

1988 - 1999

Hubbard Construction Company: Below is a brief summary of roles and responsibilities performed during progression from entry level employee to Division Manager:

**Division Manager
Micro-Surface Technology (Pavement Preservation Division)
1994-1999**

Responsible for the bottom line performance of company acquired in 1994 which performed primarily micro surfacing throughout the southeastern US. Coordinated the movement of resources throughout ten states. Marketed pavement maintenance products and procedures through the introduction of polymer modified bituminous emulsions to many buying agencies. Duties included bid preparation and submittal as well as project budgeting, buyout, pre-construction coordination and project management through acceptance of projects. Worked closely with buying agencies to assure customer satisfaction and product acceptance.

**Operations / Project Manager
Orlando Paving Company (Orlando based hot mix asphalt Division)
1990 - 1994**

Managed hot-mix asphalt paving projects on many State, County and City roadways throughout the central Florida market. Major responsibilities involved airfield and roadway overlays, new construction, complex widening and interchange projects as well as fast track theme park expansion projects. Maintained a heavy project load while managing up to 12-15 projects at any given time.

Managed all field operations which included daily management of production for three hot-mix asphalt plants and 4-5 paving crews (plus subcontracted crews) responsible for placement of asphalt throughout central Florida. Reviewed all work ahead of and followed up behind crews to assure maximum production, quality assurance and best use of Company resources.

**Estimator / Project Engineer
Hubbard Construction Company - Heavy Division
1988 - 1990**

Upon graduation from college, initially worked in Hubbard's Government Division, and then moving to the Commercial Division as an Estimator and Field Engineer with multiple duties including bid preparation for large public works, commercial site work and residential infrastructure projects.

Industry Involvement:

Strong network of industry relationships in both North America and Europe through the large geographical area, multiple organizations as well as the closely related industries in which I have worked.

Below is a sampling of my participation in various industry related associations:

- Asphalt Contractors Association of Florida (ACAF)
 - Board Member (2006-2010)
- Florida Pavement Preservation Council (FPPC)
 - Founding Board Member (2010-2012)
 - Chairman - Micro Surfacing Specification Committee
- National Asphalt Pavement Association (NAPA)
 - Warm Mix Committee (2007-2011)
 - Recycling & Energy Committee (2008-2011)
- Asphalt Recycling & Reclaiming Association (ARRA)
- Transportation Research Board (TRB) - Affiliate Member
- International Slurry Surfacing Association (ISSA)
- Asphalt Emulsion Manufacturers Association (AEMA)
- Florida Transportation Builders Association (FTBA)
- American Public Works Association (APWA) - Florida Chapter
- California Chip Seal Association (CCSA)

I have personally written various articles published in industry magazines, and participated in numerous award winning marketing, community service, asphalt, recycling and pavement preservation projects.

Other Education, Qualifications & Certifications:

- Graduate of Crummer Graduate School of Business Management Program, Rollins College, Winter Park, Florida 2008
- University of Florida TREEO Center Certification for Landfill Operators and C&D Sites, Gainesville, Florida 2007
- Asphalt Paving Technician Certification- Levels 1 & 2. Florida Department of Transportation CTQP Certification. Gainesville, Florida 2007
- Quality Control Manager Certification. Florida Department of Transportation CTQP Certification. Gainesville, Florida 2007
- Final Estimates Certification Levels 1 & 2. Florida Department of Transportation CTQP Certification. Gainesville, Florida 2008
- Shasta College Certification for Caltrans Storm Water Pollution Prevention Plan (SWPPP) Training, Redding, California 2005
- Safety Coordinator Certification. California Trucking Association, Sacramento, California 2003
- Federal Hazardous Materials Certification. California Trucking Association, Sacramento, California 2003
- Alcohol & Drug Testing Certification. CTA Institute, Sacramento, California, 2000
- Supervisor Certification for Reasonable Suspicion Testing. Orlando, Florida 2007
- Certified Traffic Control Supervisor, American Traffic Safety Services Association, 2000

BID PROPOSAL

BP.29 REFERENCES:

Instructions:

List at least three (3) contracts of a similar nature performed by your firm in the last three (3) years. If **NONE**, use your Company's letterhead (and submit with your bid proposal) to list what your qualifications are for this contract. Carson City reserves the right to contact and verify, with any and all references listed, the quality of and the degree of satisfaction for such performance.

BID PROPOSAL

BP. 34

WORKERS EMPLOYED REPORT INSTRUCTIONS FOR COMPLETION

Effective July 1, 2013, contractors who receive a preference in bidding on a public work must submit an affidavit to the public body certifying that 50 percent of all workers employed on the public work, including any employees of the contractor and of any subcontractor, will hold a valid driver's license or identification card issued by the Nevada Department of Motor Vehicles. Pursuant to NRS 338.070(4), a contractor and each subcontractor engaged on a public work shall keep an accurate record showing, for each worker employed by the contractor or subcontractor in connection with the public work who has a driver's license or identification card, the name of the worker, the driver's license number or identification card number of the worker, and the state or other jurisdiction that issued the license or card. A copy of this record must be received by the public body no later than 15 days after the end of the month. Additionally, the contractor and any subcontractor will maintain and make available for inspection within Nevada his or her records concerning payroll relating to the public work.

- EACH contractor and subcontractor must complete the Workers Employed Report.
- You may make additional copies of the report as necessary.
- A copy of this report must be submitted with the monthly certified payroll report.
- For the first report submitted, each contractor and subcontractor should list every worker employed in connection with the public work. The workers listed should be the same as those reported on the certified payroll report.
- For each subsequent month, add only those workers not previously reported to the Workers Employed Report and submit the newly-revised report. If no additional workers have been added, you may submit the previous month's report.
- If a worker has been reported on a previous month's report, but does not work during a subsequent month or is no longer employed by the contractor, his or her name should remain on the report. **DO NOT DELETE ANY NAMES.** This report is intended to serve as a cumulative list of all workers employed by the contractor and subcontractor over the duration of the project to verify compliance with the minimum requirements of the affidavit.

BID PROPOSAL

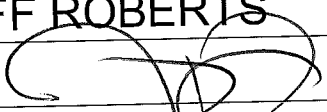

Local Preference Affidavit

(This form is required to receive a preference in bidding)

I, JEFF ROBERTS, on behalf of the Contractor, VSS International, Inc., swear and affirm that in order to be in compliance with NRS 338.XXX* and be eligible to receive a preference in bidding on Project No. 1314-214, Project Name 2014 Street Maintenance Project, certify that the following requirement will be adhered to, documented and attained on completion of the contract. Upon submission of this affidavit on behalf of VSS International, Inc., I recognize and accept that failure to comply with any requirements is a material breach of the contract and entitles the City to damages. In addition, the Contractor may lose their preference designation and/or lose their ability to bid on public works for one year, pursuant to NRS 338. XXX*:

1. The Contractor shall ensure that 50 percent of the workers employed on the job possess a Nevada driver's license or identification card;
2. The Contractor shall ensure all vehicles used primarily for the public work will be registered and (where applicable) partially apportioned to Nevada;
3. The Contractor shall ensure at least 50 percent of the design professionals who work on the project (including sub-contractors) have a Nevada driver's license or identification card.
4. The Contractor shall ensure payroll records related to this project are maintained and available within the State of Nevada.

***Note that specific sections of NRS 338 detailing the continued procedures associated with the use of the "bidder's preference" have been amended by the passage of Assembly Bill 172 effective 7/1/13, requiring this affidavit and subsequent record keeping and reporting by the General Contractor using the preference program and awarded this project. These requirements are not applicable to Contractors who do not use the "Bidder's Preference" eligibility certificate in their bid.**

BID PROPOSAL

In compliance with the provisions of Chapters 338 of NRS and NAC, respectively, I, as an officer, owner or director of the undersigned contractor, hereby certify that this report is a true and accurate statement of worker's earnings employed on this Public Works contract by the undersigned contractor for the following payroll period:

Altered to include State of NV Regulations

(b) WHERE FRINGE BENEFITS ARE PAID IN CASH

- Each laborer or mechanic listed in the above referenced payroll has been paid, as indicated on the payroll, an amount not less than the sum of the applicable basic hourly wage rate plus the amount of the required fringe benefits as listed in the contract, except as noted in section 4(c) below.

Date _____
I, _____ (Name of Signatory Party) _____ (Title)
do hereby state:

(1) That I pay or supervise the payment of the persons employed by _____ (Contractor or Subcontractor) _____ that during the payroll period commencing on the _____ (Building or Work) _____ day of _____, and ending the _____ day of _____, all persons employed on said project have been paid the full weekly wages earned, that no rebates have been or will be made either directly or indirectly to or on behalf of said _____ (Contractor or Subcontractor) _____ from the full _____

weekly wages earned by any person and that no deductions have been made either directly or indirectly from the full wages earned by any person, other than permissible deductions as defined in Regulations, Part 3 (29 C.F.R. Subtitle A), issued by the Secretary of Labor under the Copeland Act, as amended (48 Stat. 948, 63 Stat. 108, 72 Stat. 967; 76 Stat. 357; 40 U.S.C. § 3145), and described below:

(2) That any payrolls otherwise under this contract required to be submitted for the above period are correct and complete; that the wage rates for laborers or mechanics contained therein are not less than the applicable wage rates contained in any wage determination incorporated into the contract; that the classifications set forth therein for each laborer or mechanic conform with the work he performed.

(3) That any apprentices employed in the above period are duly registered in a bona fide apprenticeship program registered with a State apprenticeship agency recognized by the Bureau of Apprenticeship and Training, United States Department of Labor, or if no such recognized agency exists in a State, are registered with the Bureau of Apprenticeship and Training, United States Department of Labor.

(4) That: (a) WHERE FRINGE BENEFITS ARE PAID TO APPROVED PLANS, FUNDS, OR PROGRAMS

- In addition to the basic hourly wage rates paid to each laborer or mechanic listed in the above referenced payroll, payments of fringe benefits as listed in the contract have been or will be made to appropriate programs for the benefit of such employees, except as noted in section 4(c) below.

- 4. The contractor and each subcontractor shall keep or cause to be kept an accurate record showing the name and the actual per diem, wages and benefits paid to each workman employed by him in connection with the public work.
- 5. The record must be open at all reasonable hours to the inspection of the public body awarding the contract no later than 15 days after the end of the month. The copy must be open to public inspection as provided in NRS 239.010. The record in the each calendar month is received by the public body awarding the contract may be discarded by the public body 2 years after final payment is made by the public body for the public work.
- 6. Any contractor or subcontractor, or agent or representative thereof, performing work for a public work who neglects to comply with the provisions of this section is guilty of a misdemeanor.

(c) EXCEPTIONS

EXCEPTION (CRAFT)	EXPLANATION

REMARKS:

NAME AND TITLE	SIGNATURE

THE WILLFUL FALSIFICATION OF ANY OF THE ABOVE STATEMENTS MAY SUBJECT THE CONTRACTOR OR SUBCONTRACTOR TO CIVIL OR CRIMINAL PROSECUTION. SEE SECTION 1001 OF TITLE 18 AND SECTION 231 OF TITLE 31 OF THE UNITED STATES CODE.

NRS 338.070:
4. The contractor and each subcontractor shall keep or cause to be kept an accurate record showing the name and the actual per diem, wages and benefits paid to each workman employed by him in connection with the public work.
5. The record must be open at all reasonable hours to the inspection of the public body awarding the contract no later than 15 days after the end of the month. The copy must be open to public inspection as provided in NRS 239.010. The record in the each calendar month is received by the public body awarding the contract may be discarded by the public body 2 years after final payment is made by the public body for the public work.
6. Any contractor or subcontractor, or agent or representative thereof, performing work for a public work who neglects to comply with the provisions of this section is guilty of a misdemeanor.

STATE OF NEVADA

Preference Bidding Certification

Nevada Public Works Preference Bidding Program
Chapter 338 of Nevada Revised Statutes

2014 Street Maintenance

Contract No.: Project (the "Project")

UNIFORM AFFIDAVIT OF CERTIFICATION

A MATERIAL OR FALSE STATEMENT OR OMISSION MADE IN CONNECTION WITH THIS AFFIDAVIT IS SUFFICIENT CAUSE FOR DENIAL OF CERTIFICATION OR REVOCATION OF A PRIOR CERTIFICATION OR TO BE BARRED FROM BIDDING ON PUBLIC WORKS PROJECTS FOR A PERIOD OF FIVE YEARS, AND MAY SUBJECT THE PERSON AND/OR ENTITY MAKING THE FALSE STATEMENT TO ANY AND ALL CIVIL AND CRIMINAL PENALTIES AVAILABLE PURSUANT TO APPLICABLE FEDERAL AND STATE LAW.

The Undersigned, being first duly sworn, deposes and says:

I, Jeff Roberts (full name printed), swear or affirm under penalty of law that I am Chief Operations Officer (title) of certifying firm VSS International, Inc. (firm name) and fully authorized to submit this Affidavit on behalf of the certifying firm, and that I have read and understood all of the information and statements submitted in this Affidavit and that they are true and correct to the best of my knowledge, and that all responses are full and complete, omitting no material information. The responses include all material information necessary to fully and accurately meet the requirements for obtaining a bidder preference for Nevada public works projects pursuant to Chapter 338 of Nevada Revised Statutes (NRS).

I recognize that the information submitted in this affidavit is for the purpose of certifying that the certifying firm will meet the following requirements for the entire duration of the Project:

- (a) At least 50 percent of all workers employed on the Project, including, without limitation, any employees of the certifying firm and of any subcontractor engaged on the Project, will hold a valid driver's license or identification card issued by the Nevada Department of Motor Vehicles;
- (b) All vehicles used primarily for the Project will be:
 - (1) Registered and partially apportioned to Nevada pursuant to the International Registration Plan, as adopted by the Nevada Department of Motor Vehicles pursuant to NRS 706.826; or
 - (2) Registered in this State;
- (c) At least 50 percent of the design professionals working on the Project, including, without limitation, any employees of the certifying firm and of any subcontractor engaged on the Project, will have a valid driver's license or identification card issued by the Nevada Department of Motor Vehicles;
- (d) At least 25 percent of the suppliers of the materials used for the Project will be located in this State unless the public body requires the acquisition of materials or equipment that cannot be obtained from a supplier located in this State; and
- (e) The certifying firm and any subcontractor engaged on the Project will maintain and make available for inspection within this State his or her records concerning payroll relating to the Project.

I understand that if the certifying firm receives a preference in bidding and is awarded a contract for the Project that such contract will:

- (a) Include a provision in the contract that substantially incorporates the requirements of paragraphs (a) to (e), inclusive, above; and
- (b) Provide that a failure to comply with any requirement of paragraphs (a) to (e), inclusive, above at any time during the duration of the Project is a material breach of the contract and entitles the Nevada Department of Transportation (the "Department") to liquidated damages against the party responsible for a failure to comply with a requirement of paragraphs (a) to (e), inclusive above. If a party to the contract causes a material breach of contract between the contractor, applicant or design-build team and the public body as a result of a failure to comply with paragraphs (a) to (e), inclusive, above, the party is liable to the public body for liquidated damages in the amount of one percent (1%) of the cost of the largest contract to which he or she is a party. The public body may recover this amount directly against the party that causes the material breach, and no other party is liable to the public body for liquidated damages.

I understand that the Department may, by means it deems appropriate, determine the accuracy and truth of the records provided by the certifying firm pursuant to NRS 338.070, and I authorize the Department to contact any person or entity named in such records provided for the purpose of verifying the information supplied and determining the named firm's eligibility for a bidder preference.

I agree to submit to government audit, examination and review of books, records, documents and files, in whatever form they exist, of the certifying firm and its affiliates, inspection of its places(s) of business and equipment, and to permit interviews of its principals, agents, and employees. It is understood that refusal to permit such inquiries shall be grounds for denial of future bidder preference certification.

If awarded a contract, I agree to promptly and directly provide the Department, on an ongoing basis, current, complete, and accurate information regarding the records required pursuant to NRS 338.070.

I acknowledge and agree that any misrepresentations in this Affidavit or in the records provided pertaining to the Project will be grounds for an award of liquidated damages for breach of contract; denial or revocation of bidder preference certification; and for initiating action under federal and/or state law concerning any false statement, fraud or other applicable offenses.

I declare under penalty of perjury that the information provided in this Affidavit is true and correct.
