### **1. INTRODUCTION**

This Third Amended Plan of Reorganization (the "Plan") under chapter 11 of the United States Bankruptcy Code proposes to pay creditors of STANTON PARK DEVELOPMENT, INC. from net cash flow from future income from the operation of his business.

This Plan provides for one (1) class of priority secured real property tax claims, nine (9) classes of secured claims, one (1) class of unsecured claims and one (1) class of equity security holders. This Plan also provides for the payment of administrative and priority claims. General unsecured creditors are classified in Class 10 and will receive a total combined distribution equal to twenty-five percent (25%) of their allowed claims, which Debt estimates will require approximately \$1,300,000. Debtor estimates that in a chapter 7 liquidation case, creditors would receive a total combined distribution of \$0.00, i.e. zero cents on the dollar (\$0.02). This Plan provides unsecured creditors substantially more than the amount they would receive in a liquidation case.

All creditors should refer to Sections 3-6 of this Plan for information regarding the precise treatment of their claim. A disclosure statement that provides more detailed information regarding this Plan and the rights of creditors and equity security holders has been circulated with this Plan. Your rights may be affected. You should read these papers carefully and discuss them with your attorney, if you have one. If you do not have an attorney, you may wish to consult one.

- 10
- 11

# 8.3 Means of Implementing and Funding the Plan

## (i) Funding The Plan

12 The payments required under the Plan will be funded by the rental income generated from 13 the respective real properties. Debtor projects that it will continue to have income consistent with 14 the average income established during the 23-months of this case. As detailed in its Monthly 15 Operating Reports, during this Case the Debtor's monthly income has averaged \$92,659.

16 In addition to ongoing monthly rental income of \$92,600, Debtor shall receive \$3,000 per 17 month from Gordon Park Apartments, in accordance with its Plan of reorganization. This brings 18 Debtor's projected gross monthly income during the term of the Plan to \$95,600. Of this amount, 19 Stanton Arms Apartments is projected to generate approximately \$79,000 per month, taking into account unforeseen vacancies. The Eagle Highlands Condos should generate approximately \$8,100 20 per month, and Debtor's individual rental properties will combine total of \$5,500 per month. With 21 the \$3,000 per month from Gordon Park Apartments, Debtor projected monthly income is \$95,600, 22 23 which will be used to fund the Debtor's operating expenses and plan obligations. Debtor's combined monthly operating expenses are projected to average a total of \$44,090 per month, 24 25 leaving the Debtor with a total of \$51,510 per month to fund payments required by the Plan. A 26 more detailed analysis of Debtor's projected income and operating expenses post confirmation is 27 below:

This stipulation is entered into by and between Debtor, STANTON PARK 1 2 DEVELOPMENT, INC. ("Stanton Park") and CARSON CITY ("Carson City"), each party 3 through their undersigned counsel for the treatment of Carson City's claim classified as the Class 1 priority claim under Debtor's third amended chapter 11 plan of reorganization ("Chapter 11 4 5 Plan"). This stipulation reflects an adjustment in light of parcels 010-592-09 and 010-602-01 being transferred to Carson City in 2003. Although ownership changed, Stanton Park continued 6 7 paying the water bills. Since the agreed upon transfer date, Stanton Park has paid \$25,902.75 in 8 water payments. By this stipulation, Stanton Park gets this back in the form of a recognized 9 offset, with \$12,975.29 in interest. Furthermore, Stanton Park's pre-petition indebtedness to Carson City inaccurately included taxes from these two parcels in the amount of \$22,106.32, 10 11 which is also credited back to Stanton Park by this stipulation. The net change from these three numbers (\$25,902.75 + \$12,975.29 + \$22,106.32) is \$60,984.16. Accordingly, \$431,737.26 is 12 13 hereby reduced to \$370,753.10.

IT IS HEREBY STIPULATED AND AGREED, that the Allowed Class 1 claim of Carson City shall be in the amount of \$370,753.10 and shall accrue interest at the rate of 10% per annum and shall be paid in full through monthly payments in the amount of \$6,154.94 commencing April 1, 2013 and continuing the first day of each and every month thereafter for a period of seven (7) years.

IT IS FURTHER STIPULATED AND AGREED that the entry of this stipulation
 shall constitute a withdrawal of Carson City's objection to Debtor's Chapter 11 Plan; and shall
 represent an accepting vote in favor of Debtor's Chapter 11 Plan.
