## AWARD OF CONTRACT:

Carson City will award the bid / contract to the lowest responsive and responsible bidder(s), as determined by Carson City pursuant to the provisions of Chapter 332 of the Nevada Revised Statutes.

Pursuant to Nevada Revised Statute 332.085, in determining the responsibility of any bidder, the governing body or its authorized representative shall consider the possession of and limit on any required license of the bidder; and may consider the financial responsibility of the bidder; experience of the bidder; adequacy of the equipment of the bidder; past performance of the bidder; performance or delivery date; and ability of the bidder to perform the contract.

Prompt payment discounts will be considered in bid / contract award recommendation only if discount period is fifteen (15) or more calendar days. If the toss is heads, the recommendation will be to this Bidder; if tails, the recommendation will be made in

## **CARSON CITY PURCHASING AND CONTRACTS TERMS AND CONDITIONS**

favor of the second tied Bidder. (2) Tie Bid (two or more vendors): Should there be two or more low, responsive and responsible tie bids where representatives of Bidders wish to participate in the tie breaking process, the Purchasing and Contracts Management Assistant shall set a mutually agreed upon time where, in her office, she shall shuffle a new deck of playing cards and have each Bidder's representative cut the cards. The tie Bidder who cuts the highest card (with Ace high) shall be recommended for bid / contract award.

A Purchase Order or Contract mailed or otherwise furnished by Carson City Purchasing and Contracts to Bidder is a binding contract without further action by either party.

Pursuant to Nevada Revised Statute 332.095, no contract awarded may be assigned to any other person without the consent of the governing body or its authorized representative. Pursuant to Nevada Revised Statute 332.065 (3), if after the lowest responsive and responsible bidder has been awarded the contract, during the term of the contract he does not supply goods or services in accordance with the bid specifications, or if he repudiates the contract, the governing body or its authorized representative may reaward the contract to the next lowest responsive and responsible bidder without requiring that new bids be submitted. Reawarding the contract to the next lowest responsive and responsible bidder is not a waiver of any liability of the initial bidder awarded the contract.

### **APPEAL BY UNSUCCESSFUL BIDDER:**

Pursuant to Nevada Revised Statute 332.068, a person who submits a bid on a contract that is required to be advertised pursuant to paragraph (a) subsection 1 of Nevada Revised Statute 332.039 may, after the bids are opened and within the period specified by the governing body or its authorized representative, file with the governing body or its authorized representative a notice of protest regarding the awarding of the contract.

## **CARSON CITY PURCHASING AND CONTRACTS TERMS AND CONDITIONS**

A person filing a notice of protest may be required by the governing body or its authorized representative, at the time the notice of protest is filed, to post a bond with a good and solvent surety authorized to do business in this State or submit other security, in a form approved by the governing body or its authorized representative, to the governing body or its authorized representative who shall hold the bond or other security until a determination is made on the protest. A bond posted or other security submitted with a notice of protest must be in an amount equal to the lesser of: Twenty-Five percent (25%) of the total value of the bid submitted by the person filing the notice of protest; or Two Hundred Fifty Thousand Dollars (\$250,000.00).

A notice of protest filed in accordance with the provisions of this section operates as a stay of action in relation to the awarding of any contract until a determination is made by the governing body or its authorized representative on the protest.

A person who submits an unsuccessful bid may not seek any type of judicial intervention until the governing body or its authorized representative has made a determination on the protest and awarded the contract.

A governing body or its authorized representative is not liable for any costs, expenses, attorney's fees, loss of income or other damages sustained by a person who submits a bid, whether or not the person files a notice of protest pursuant to this section.

If the protest is upheld, the bond posted or other security submitted with the notice of protest must be returned to the person who posted the bond or submitted the security. If the protest is rejected, a claim may be made against the bond or other security by the governing body or its authorized representative in an amount equal to the expenses incurred by the governing body or its authorized representative because of the unsuccessful protest. Any money remaining after the claim has been satisfied must be returned to the person who posted the bond or submitted the security.

No protest shall be considered unless these procedures have been followed.

A billing submitted after the first Friday in August will subject Bidder to an administrative fee not to exceed \$100.00. The parties hereby agree this is a reasonable estimate of the additional costs to Carson City of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to Bidder.

Any discretionary or vested right of renewal notwithstanding, this **REQUEST FOR BID** may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.

### **Termination for Nonappropriation:**

Nevada Revised Statute 360.800 (1) (a) provides for the termination if the governing body fails to appropriate money for the ensuing fiscal year for payment of the amounts then due. Carson City may terminate this Contract, and Bidder waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the funding is not appropriated or is withdrawn, limited, or impaired.

### **Cause Termination for Default or Breach:**

A default or breach may be declared with or without termination. This bid / contract award may be terminated by either party upon thirty (30) calendar days written notice of default or breach to the other party as follows: (1) If Bidder fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this **REQUEST FOR BID** within the time requirements specified in this **REQUEST FOR BID** or within any granted extension of those time requirements; or (2) If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Bidder to provide the goods or services required by this **REQUEST FOR BID** is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or (3) If Bidder becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or (4) If Carson City materially breaches any material duty under this **REQUEST FOR BID** and any such breach impairs Bidder's ability to perform; or (5) If it

## **CARSON CITY PURCHASING AND CONTRACTS TERMS AND CONDITIONS**

is found by Carson City that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Bidder, or any agent or representative of Bidder, to any officer or employee of Carson City with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or (6) If it is found by Carson City that Bidder has failed to disclose any material conflict of interest relative to the performance of this **REQUEST FOR BID**.

### **Time to Correct:**

Termination upon a declared default or breach may be exercised only after service of formal thirty (30) calendar days written notice, and the subsequent failure of the defaulting party within fifteen (15) calendar days of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.

### **Winding Up Affairs Upon Termination:**

In the event of termination of this bid / contract award for any reason, the parties agree that the provisions of this paragraph survive termination: (1) the parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this bid / contract award. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination; (2) Bidder shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by Carson City; (3) Bidder shall execute any documents and take any actions necessary to effectuate an assignment of this bid / contract award if so requested by Carson City; (4) Bidder shall preserve, protect, and promptly deliver into Carson City's possession all proprietary information in accordance with **Carson City Ownership of Proprietary Information**.

### **REMEDIES:**

Except as otherwise provided for by law or this **REQUEST FOR BID**, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. The parties agree that, in the event a lawsuit is filed and a party is awarded attorney's fees by the court, for any reason, the amount of recoverable attorney's fees shall not exceed the rate of \$125 per hour. Carson City may set off consideration against any unpaid obligation of Bidder to Carson City.

## **CARSON CITY PURCHASING AND CONTRACTS TERMS AND CONDITIONS**

### **LIMITED LIABILITY:**

Carson City will not waive and intends to assert available Nevada Revised Statutes Chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any Carson City breach shall never exceed the amount of funds appropriated for payment under this **REQUEST FOR BID**, but not yet paid to Bidder, for the fiscal year budget in existence at the time of the breach. Bidder's tort liability shall not be limited.

### **FORCE MAJEURE:**

Neither party shall be deemed to be in violation of this **REQUEST FOR BID** if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the bid / contract award after the intervening cause ceases.

### **INDEMNIFICATION:**

To the extent permitted by law, including, but not limited to, the provisions of Nevada Revised Statutes Chapter 41, each party shall indemnify, hold harmless and defend, not excluding the other's right to participate, the other party from and against all liability, claims, actions, damages, losses, and expenses, including but not limited to reasonable attorney's fees and costs, arising out of any alleged negligent or willful acts or omissions of the indemnifying party, its officers, employees and agents. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of the indemnity which would otherwise exist as to any party or person described in this paragraph.

Except as otherwise provided below, the indemnifying party shall not be obligated to provide a legal defense to the indemnified party, nor reimburse the indemnified party for the same, for any period occurring before the indemnified party provides written notice of the pending claim(s) or cause(s) of action to the indemnifying party, along with: a written request for a legal defense for such pending claim(s) or cause(s) of action; and a detailed explanation of the basis upon which the indemnified party believes that the claim or cause of action asserted against the indemnified party implicates the culpable conduct of the indemnifying party, its officers, employees, and/or agents.

After the indemnifying party has begun to provide a legal defense for the indemnified party,

## **CARSON CITY PURCHASING AND CONTRACTS TERMS AND CONDITIONS**

the indemnifying party shall not be obligated to fund or reimburse any fees or costs provided by any additional counsel for the indemnified party, including counsel through which the indemnified party might voluntarily choose to participate in its defense of the same matter.

After the indemnifying party has begun to provide a legal defense for the indemnified party, the indemnifying party shall be obligated to reimburse the reasonable attorney's fees and costs incurred by the indemnified party during the initial thirty (30) day period of the claim or cause of action, if any, incurred by separate counsel.

### **INDEPENDENT CONTRACTOR:**

An independent contractor is a natural person, firm or corporation who agrees to perform services for a fixed price according to his or its own methods and without subjection to the supervision or control of the other contracting party, except as to the results of the work, and not as to the means by which the services are accomplished.

It is mutually agreed that Bidder is associated with Carson City only for the purposes and to the extent specified in this **REQUEST FOR BID**, and in respect to performance of the contracted services pursuant to this **REQUEST FOR BID**. Bidder is and shall be an independent contractor and, subject only to the terms of this **REQUEST FOR BID**, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this **REQUEST FOR BID**.

Nothing contained in this **REQUEST FOR BID** shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for Carson City whatsoever with respect to the indebtedness, liabilities, and obligations of Bidder or any other party.

Bidder shall indemnify and hold Carson City harmless from, and defend Carson City against, any and all losses, damages, claims, costs, penalties, liabilities, expenses arising out of or incurred in any way because of, but not limited to, Bidder's obligations or legal duties regarding any taxes, fees, assessments, benefits, entitlements, notice of benefits, employee's eligibility to work, to any third party, subcontractor, employee, state, local or federal governmental entity.

Neither Bidder nor its employees, agents, or representatives shall be considered employees, agents, or representatives of Carson City.

### **INSURANCE REQUIREMENTS:**

Unless expressly waived in writing by Carson City, Bidder, as an independent contractor

## **CARSON CITY PURCHASING AND CONTRACTS TERMS AND CONDITIONS**

Prior approval of the insurance policies by Carson City shall be a condition precedent to any payment of consideration under this **REQUEST FOR BID** and Carson City's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this **REQUEST FOR BID**. Any failure of the Carson City to timely approve shall not constitute a waiver of the condition.

### **Insurance Coverage:**

Bidder shall, at Bidder's sole expense, procure, maintain and keep in force for the duration of the **REQUEST FOR BID** the following insurance conforming to the minimum requirements specified below. Unless specifically specified herein or otherwise agreed to by Carson City, the required insurance shall be in effect prior to the commencement of work by Bidder and shall continue in force as appropriate until the latter of: (1) Final acceptance by Carson City of the completion of this **REQUEST FOR BID**; or (2) Such time as the insurance is no longer required by Carson City under the terms of this **REQUEST FOR BID**.

Any insurance or self-insurance available to Carson City shall be in excess of and non-contributing with any insurance required from Bidder. Bidder's insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by Carson City, Bidder shall provide Carson City with renewal or replacement evidence of insurance no less than thirty (30) calendar days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the **REQUEST FOR BID**, an insurer or surety shall fail to comply with the requirements of this **REQUEST FOR BID**, as soon as Bidder has knowledge of any such failure, Bidder shall immediately notify Carson City and immediately replace such insurance or bond with an insurer meeting the requirements.

Such approval shall not relieve Bidder **OR** from the obligation to pay any deductible or self-insured retention. Any deductible or self-insured retention shall not exceed \$5,000 per occurrence, unless otherwise approved by Carson City.

**Policy Cancellation:** Except for ten (10) calendar days notice for non-payment of premium, each insurance policy shall be endorsed to state that; without thirty (30) calendar days prior written notice to Carson City Purchasing and Contracts, the policy shall not be canceled, non-renewed or coverage and /or limits reduced or materially altered, and shall provide that notices required by this paragraph shall be sent by certified mail to the address shown.

# **CARSON CITY PURCHASING AND CONTRACTS TERMS AND CONDITIONS**

**Review and Approval:** Documents specified above must be submitted for review and approval by Carson City Purchasing and Contracts prior to the commencement of work by Bidder. Neither approval by Carson City nor failure to disapprove the insurance furnished by Bidder shall relieve Bidder of Bidder's full responsibility to provide the insurance required by this **REQUEST FOR BID**. Compliance with the insurance requirements of this **REQUEST FOR BID** shall not limit the liability of Bidder or its sub-contractors, employees or agents to Carson City or others, and shall be in addition to and not in lieu of any other remedy available to Carson City under this **REQUEST FOR BID** or otherwise. ## APCO CLEAN WATER AIR RELEASE VALVES

Model 200A

# Air Release Valves

## Why and Where to Use

An Air Release Valve has a small venting orifice and is used wherever air is entrained in water under pressure. These pockets of air increase the resistance to the flow of water. In critical installations, air can reduce the capacity of a line down to zero. More common is an increased resistance of 10 to 15%. The increased resistance must be overcome by the pump using more power than necessary to move the required amount of water. Such a loss can continue unnoticed for years creating excessive power consumption costs. This is a major reason why all points where air can collect should be equipped with an APCO Air Release Valve.

## How to Operate

These valves have much smaller orifices than the Air/Vacuum Valves. Their function is to release small pockets of air which gather at the high points of a system after it is filled and under pressure. The Air Release Valve has the ability to open against internal pressure because it has a small orifice and a leverage mechanism which multiplies the force of the float. This force must be greater than the internal pressure across the orifice in order to open it when a pocket of air needs to be vented. This explains why, as the internal pressure increases, the orifice decreases in size to facilitate the valve opening.

Romac founder Manford 'Mac' McNeil.

### BEGINNINGS

In 1969 Manford 'Mac' McNeil started Romac with two employees in a small warehouse in Bellevue, WA - a suburb of Seattle. It was then that Mac introduced the first all stainless steel repair clamp.

1974 - Romac's second home on Lane Street in Seattle, WA.

Armed with a great product and propelled by a commitment to providing customers with **first-rate customer service** and **lightning fast product delivery**, Romac experienced remarkable growth.

### ROMAC ORIGINALS

In the following years Romac pushed to develop new ideas into inventive products that no one in the industry had seen.

- Color-coded ductile iron couplings.
- Nylon coated service saddles.
- Two-bolt ductile iron couplings.
- All stainless steel tapping sleeves.

Many of these new "better-way" products are now industry standards.

Autospout in Romac's Foundry, Sultan WA (40 miles NW of Seattle, WA).

### QUALITY CONTROL

We pour our ductile iron parts in our foundry, mold our own gaskets and we even make the threaded fasteners on many of our products.

Because we keep nearly all phases of manufacturing in-house, the supply chain is simplified and extremely efficient. Parts are made to our exact specifications and design changes can be made quickly.

Our customers enjoy our ability to quickly provide custom products designed to meet unique requirements.

### FASTEST POSSIBLE DELIVERY

Our extensive inventory is now shipped out of one of our facilities in Seattle WA, Dallas TX and Charlotte NC. The strategic location of these operations allow us to deliver Romac products nearly anywhere in the country in two days or less.

Current Romac headquarters in Bothell (20 miles north of Seattle, WA).

### TODAY

We're a little bigger, but our commitment to serving our customers and our customer's customers is as evident today as it was over 40 years ago.
