I respectfully request the following statement (shown below) be submitted as late material for agenda item # 23A

To: The Board of Supervisors and the public.

From: Jim Shirk

This is response to the notification made in agenda item #23A on the chart titled "Board Appointments" which states the following:

"Filing unexpected term (Shirk resigned 5/15/13).

This is to clarify that misleading statement.

Previously to resigning I meet personally with Mayor Bob Crowell, informing him that when I volunteered to serve on the Nevada Association of Counties no one had informed me that the Association held its meetings on Friday's.

It was at this time I had a job that required me to work on Friday's. I continually missed work to attend the Association meetings on Friday's, which was jeopardizing my job. Most importantly this job provided my family with health insurance. I confided that with the Mayor, I informed the Mayor that it was essential that I maintain my health insurance for needs of my family and for that reason I must step down.

I realized at that time, this might have caused some inconvenience and I apologized to the Mayor. Explaining that I have a higher duty to care for family, and for that reason I had no other option but to resign. What I did then - I would do again today.

Sincerely,
Jim Shirk
