

**City of Carson City  
Agenda Report**

**Date Submitted:** April 28, 2015

**Agenda Date Requested:** May 7, 2015

**Time Requested:** 10 minutes

**To:** Mayor and Board of Supervisors

**From:** Parks and Recreation Department – Carson Aquatic Facility

**Subject Title: For Possible Action:** To approve a recommendation from staff and the Parks and Recreation Commission for free use of the Carson Aquatic Facility for Carson City resident veterans with 100% service connected disabilities. (Kurt Meyer)

**Staff Summary:** Per a request from a Carson City resident, that all Carson City resident veterans with 100% service connected disabilities be able to use the Carson Aquatic Facility free of charge. The Carson Valley Swim Center in Minden has this policy in place with five veterans currently using this service. A veteran with a 100% service connected disability is clearly noted on individuals VA card. This would be very easy to implement in our ActiveNet program as a pass with no fee attached.

**Type of Action Requested:** (check one)

Resolution                       Ordinance  
 Formal Action/Motion       Other (Specify)

**Does This Action Require A Business Impact Statement:**  Yes (  ) No

**Recommended Board Action:** I move to approve a recommendation from staff and the Parks and Recreation Commission for free use of the Carson Aquatic Facility for Carson City resident veterans with 100% service connected disabilities.

**Explanation for Recommended Board Action:** At the April 7, 2015 meeting of the Carson City Parks and Recreation Commission, it was recommended by the commission to have this item move to the Board of Supervisors. Staff and the Parks and Recreation Commission feel that implementing this free use of the Carson Aquatic Facility to veterans who have incurred injuries resulting in 100% disabilities due to service is a small way of thanking them for their sacrifice.

**Applicable Statute, Code, Policy, Rule or Regulation:**

Carson City Charter 6.010, Carson City Resolution No. 2007-R-28

**Fiscal Impact:** The fiscal impact would be hard to estimate; but, I feel that it would be negligible.

**Explanation of Impact:** Very few Carson City residents would qualify for this pass.

**Funding Source:** N/A

**Alternatives:** Reject the petition and the Parks and Recreation Commission's recommendation.

**Supporting Material:** N/A
