

**City of Carson City
Agenda Report**

Date Submitted: October 1, 2015

Agenda Date Requested: October 15, 2015

Time Requested: 30 minutes

To: Mayor and Board of Supervisors

From: Eric Von Schimmelman, Chief Information Officer

Subject Title: Presentation on two software applications that will be available by the end of the year to enhance our commitment to provide an Open and Transparent Government. (*Eric Von Schimmelman, evonschimmelman@carson.org*)

Staff Summary: I would like to present to the Mayor and Board of Supervisors a live demonstration of two of the new software applications we are working on and plan to have implemented by the end of the year. The first application I would like to demonstrate is from Socrata. This software will enable us to provide a web portal to show the City's budget and expenditures to the public in near real time. The second application is from Granicus. This application will enhance our Government Transparency goals, agenda packet process and video production. In addition it will enable iPad integration for the board members with real time reporting and a kiosk display of the agenda items and votes.
