You are receiving this email because I've received your email address from a downtown property owner indicating that you are interested in the Downtown Streetscape Enhancement Project and associated Neighborhood Improvement District (NID). This is a reminder that the Board of Supervisors will be considering these items at the meeting on Thursday, December 17, beginning at 8:30 AM. I anticipate that the downtown project items will not come up before approximately 9 AM.

The following link will take you directly to the agenda with links to the materials regarding all the items.

If you have any questions regarding the NID, you can contact me. For questions regarding the construction project, contact Danny Rotter, Engineering Manager, at drotter@carson.org or 283-7084.

Regards,

Lee
