**Report To:** Board of Health

**Meeting Date:** May 19, 2016

**Staff Contact:** Valerie Cauhape (vcauhape@carson.org)

**Agenda Title:** Discussion Only: Community Health Needs Assessment

**Staff Summary:** CCHHS is beginning to work on the Carson City's Community Health Needs Assessment and is partnering with Carson Tahoe Health. Not-for-profit hospitals, such as Carson Tahoe Hospital, are required to do a Community Health Needs Assessment every 3 years by the Internal Revenue Service. CCHHS' Community Health Assessment began data collection in 2010 and the document was approved by the Board of Supervisors in June 2012. Management at CCHHS and Carson Tahoe Health felt a comprehensive assessment is best for the community. An update will be presented on activities that have taken place and planned future activities, along with a timeline.
