Redevelopment District.” Mr. Plemel reviewed the statutory requirements for allocating funding from the redevelopment revolving fund. “... even if this event is outside, if it furthers the redevelopment plan, then there is the legal authority to make that expenditure.” Chairperson Abowd provided an overview of the presentation made by Pow Wow event representatives, and the action taken by the Cultural Commission. Discussion followed, and Mr. Plemel provided additional clarification of the statutory requirements in response to a question.

Chairperson Abowd entertained additional Redevelopment Authority member discussion and, when none was forthcoming, public comment. When no public comment was forthcoming, Chairperson Abowd entertained a motion. **Member Bonkowski moved to approve and recommend that the Board of Supervisors authorize the expenditure of \$18,000, from the FY 2016 / 17 Redevelopment Revolving Fund, to support various arts and culture special events, as recommended by the Cultural Commission; not approving funding for the Pow Wow event, and authorizing \$9,000 to support other special events, as recommended by the Redevelopment Authority Citizens Committee, as an expense incidental to carrying out the Redevelopment Plan that has been adopted by the Carson City Board of Supervisors, and based on the findings that there is a causal connection between this redevelopment effort and the need for the expenses; the expenses are needed to ensure the success of the Redevelopment Plan; and that the amount of the expenses to be given are minor in comparison to the money required for the overall Redevelopment Plan. Member Bagwell seconded the motion.** Chairperson Abowd entertained discussion on the motion. Member Bonkowski expressed strong belief that “this is a precedent that we don't want to set where any special event can qualify.” He encouraged the Pow Wow event coordinators to reapply when the event is held in the Redevelopment District, and advised that he would be agreeable to approving the funding allocation. Member Bagwell expressed the opinion there is no causal connection between the Pow Wow event and the redevelopment effort. Chairperson Abowd expressed concern that the Pow Wow event coordinators were not notified of the hearing, and suggested “that's the missing component ...” Vice Chairperson Shirk expressed agreement that the event should be held within the Redevelopment District. Chairperson Abowd called for a vote on the pending motion.
