DRAFT

A regular meeting of the Carson City Board of Supervisors was scheduled for 8:30 a.m. on Thursday, October 20, 2016 in the Community Center Sierra Room, 851 East William Street, Carson City, Nevada.

PRESENT: Mayor Robert Crowell
Supervisor Karen Abowd, Ward 1
Supervisor Brad Bonkowski, Ward 2
Supervisor Lori Bagwell, Ward 3
Supervisor Jim Shirk, Ward 4

STAFF: Nick Marano, City Manager
Sue Merriwether, Clerk - Recorder
Adriana Fralick, Chief Deputy District Attorney
Kathleen King, Chief Deputy Clerk

NOTE: A recording of these proceedings, the Board's agenda materials, and any written comments or documentation provided to the Clerk, during the meeting, are part of the public record. These materials are available for review and inspection, during regular business hours, in the Recording Secretaries Division of the Carson City Clerk's Office.

1 - 4. CALL TO ORDER, ROLL CALL, INVOCATION, AND PLEDGE OF ALLEGIANCE

(8:32:19) - Mayor Crowell called the meeting to order at 8:32 a.m. Ms. Merriwether called the roll; a quorum was present. In the absence of Church of Christ Pastor Bruce Henderson, Mayor Crowell requested a moment of silence. At Mayor Crowell's request, Sheriff Ken Furlong led the pledge of allegiance.

5. PUBLIC COMMENT (8:33:35) - Mayor Crowell entertained public comment. In consideration of ongoing litigation, he requested the public speaker to "respect what we can and can't do here and not discuss the litigation." (8:34:20) An anonymous female speaker advised that she would be discussing "legal causes of action." Mayor Crowell advised of having been informed "that there is litigation in Justice Court right now and it's active right now." He cautioned the anonymous speaker against discussing ongoing litigation issues. In response to a comment, Mayor Crowell advised of no difference between legal causes of action and litigation in the context of the subject meeting. "Because you have litigation going on right now, that's a legal cause of action." In response to a comment, Mayor Crowell advised that the litigation is against a City employee, "and even if it weren't ..., this is not the place to talk about litigation because [the Board of Supervisors has] no authority over it. ... In our system of justice, we do that in the judicial branch of government where each side has a chance to participate on an equal basis but, when one person takes advantage of public comment in a completely different forum, that's not a fair application of justice."

The anonymous female speaker stated that, "the insurance company for Carson City has fired a law firm and the law firm will have a conflict of interest. The law firm has a Las Vegas branch and the Las Vegas branch is very aware of the catalyst for all of this destruction of child abuse evidence ..." Mayor Crowell advised that the courts have "followed the Supreme Court rules on evidence retention." Mayor Crowell expressed appreciation for the anonymous speaker's desire to "make a point, but this is not the place to make that point. You've got litigation going on. Make that point over in the judicial forum where you've chosen to litigate it." Mayor Crowell reiterated that the anonymous speaker's comments were unfair to "other people that might want to have public comment and ... to people who might be on the other side of the litigation who don't have the same capability of ... speaking during public comment."

The anonymous speaker expressed understanding, and stated, "the City is doing something that it does have authority over to stop doing it. Attorney Fralick ... worked for Governor Gibbons as his legal counsel. ... She met with Judy Ray, who was the liaison for Governor Gibbons and she met with the Chief of Staff for Governor Gibbons ... and they talked about what was happening in southern Nevada. ... And, at that meeting, ... Attorney Fralick learned that there are problems with domestic violence cases in the State of Nevada. Attorney Fralick has a duty to disclose to this panel what she knows and what is happening statewide." Mayor Crowell advised that Attorney Fralick "has an obligation to give [the Board of Supervisors] her legal analysis ... and she's done that." Mayor Crowell reiterated, "We're not going to re-litigate those issues on domestic violence because they're in court right now."

The anonymous speaker advised of having been served and stated, "That is not City litigation." She requested the Board to "stop destroying temporary protection order court case files that you do have authority over because you are contracting ShredIt to come in and shred those court case files that contain affidavits by survivors of domestic violence, including children."

Mayor Crowell advised of having been informed by the City's legal counsel that "the document destruction process used here strictly complies with the rules set up by the Nevada Supreme Court."

(8:40:03) In reference to public comments at a previous Board of Supervisors meeting, Sierra Nevada Association of Realtors Board of Directors President Avis Cherry reviewed MLS data relative to homes available for sale and pending sales in Carson City. Ms. Cherry responded to questions of clarification, and Mayor Crowell thanked her for the information. Mayor Crowell entertained additional public comment; however, none was forthcoming.
