Background/Issues & Analysis

Carson City Library applied and was accepted to present at the 2017 Video Round Table during the American Library Association's annual conference. The presentation is in collaboration with Ak-Chin Indian Community Library regarding our services that promote digital literacy through video productions. The Carson City Library will present on the Freshman Public Service Announcement (PSA's) project and how the project and partnership with Carson City School District support student learning. The Carson High School freshman Public Service Announcement (PSA's) project continues at the Carson City Library. During the 2016-2017 school freshman students participated in PSA lessons through collaboration with CHS and CCL. Additionally, 497 CHS freshman students received Premiere Library cards to utilize digital equipment in the Digitorium. Carson City School District provided the Carson City Library with 2 part time student interns that work at the library. The Digitorium Interns support various functions within the Digitorium for teens to access digital equipment that includes MacBooks, cameras, camcorders, microphones, a sound booth, and digital editing programs and software. The Digitorium Interns gain professional skills within customer services, digital productions and editing, inventory and equipment maintenance, time management skills, business communications, and professional work experience.

Applicable Statute, Code, Policy, Rule or Regulation

Financial Information

Is there a fiscal impact? Yes No

If yes, account name/number:

Is it currently budgeted? Yes No

Explanation of Fiscal Impact:
